	REGULAR MEETING BOARD OF PUBLIC AFFAIRS FEBRUARY 1, 1988 9:00 A.M.	
	The regular meeting of the Board of Public Affairs was called to order February 1, 1988 at 9:00 A.M. by Board president, Richard Gordon. Present were boardmembers Ross and Wolf, Billing Clerk Pierce, Water and Sewer Superintendents, Parady and Morrow, Mayor Miller and Clerk Morrow.	
	The minutes of Janaury 5, 1988 were read and approved on a motion by Gordon and seconded by Ross. yea 3, nay 0. Motion passed.	
	Board president Gordon reported that a meeting was held Janaury 20, 1988 with Larry Jump and Chuck Taylor representing the Dana Corporation, Weatherhead Division. The board was advised that due to the four (4) delinquent monthly payments of \$833.33 (as agreed in their contract) start- ing February, 1988 double payments would be made.	
	Sewer Superintendent Morrow reported a list of businesses and residences with no sewer hook-ups as follows: Smith Building (owned by Winkles), Fred Kammeyers vacant house, Tony Langhams vacant building, Cardroom (owned by Brinkman), and two vacant residences owned by Shull and Wilks, Billing Clerk Pierce reported that Rudy Reeb, owner of the Shadow Beauty Salon, claims the board agreed there would be no sewer charge for his busi- ness.	
	The board agreed to have a second statement sent to Chris Banks for his sewer hook-up.	
	After some discussion the Board suggested making a resolution stating that no charge will be made for turning water back on for residents returning from the south or any prolonged absence if the Water Department had prior notification and the meter intact. Ross moved and Gordon seconded to have resolution made. yea 3, nay 0. Motion passed.	
	The board discussed the poor condition of the generator at the water plant and suggested using the sewer plants generator for both departments. Morrow reported that the sewer generator needed some repair and suggested checking with the factory that made it.	
	Boardmember Gordon reported that the state advised that the water depart- ment start using Caustic Soda to adjust the PH level. Also keep chlorine room locked. Gordon advised Superintendent Parady to get rid of the rusted out barrels used for caustic soda.	
	Robert Varner was present and discussed with the board concerning his large water/sewer bill due to a water leak. After much discussion the board agreed to check the meter quarterly and for this quarter only give a 10% discount on the water bill and 50% on the sewer.	
	It was suggested taht a meter be put on for the bulk water supply for the farmers. Also not supply treated water.	
	Billing Clerk Pierce reported a water bill problem with Bob Scarbrough and Cheryl Wilhelm being delinquent for several quarters.	
·	Clerk Morrow reported an estimated amount of money in the water/sewer funds at the end of Janaury 1988. Meeting adjourned at 11:05 A.M.

	REGULAR MEETING	
	BOARD OF PUBLIC AFFAIRS AUGUST 15, 1988	
	7:00 P.M.	
	The regular meeting of the Board of Public Affairs was called to order August 15, 1988 at 7:00 P.M. by Board President, Richard Gordon. Present were all boardmembers, Billing Clerk Pierce, Water Superintendent, Savage; Wastewater Superintendent, Morrow; Mayor Miller and Clerk Morrow. Also present were councilmembers, Seslar, Bauer and Howard.	
	The minutes of the regular meeting of August 1, 1988 were read and approved on a motion by Wolf and seconded by Gordon.	
	Mayor Miller reported to the board of her contact with Ashley Byrd, Engineer from the Ohio EPA at Columbus concerning the aerator plans. The Village will also be communicating with Vaughn Gaughlin, head of engineering.	
	Morrow reported on the workshop he attended in Columbus, Ohio and the wastewater plant toured at Jeffersonville, Ohio.	
	Boardmember Wolf reported that the Antwerp High School is ready to tap into the main water line Tuesday, August 16th at the football field for drinking water and install new meter.	
	The board discussed the classes for Water Operator I at the Vantage Vocational School in Van Wert, Ohio. Savage agreed to attend. Councilman Howard advised he may decide to go, but will pay his own way.	
	The board discussed the need of various meter lids to be tightened down. Also reviewed the cost of water and sewer taps and permit with councilman Howard due to Larry Rex desiring to purchase property in Antwerp.	
	Morrow reported the water and sewer departments were changing over to Van Dyne Crotty, Inc., Dayton, Ohio for their uniforms. This is a change from Peerless & DCA, Fort Wayne, IN.	
	Clerk Morrow recommended that Dan Rhoad be transferred to another department as soon as possible, because his wages are appropriated from three depart- ments. The board advised they would need Rhoad in the water department for two more weeks assisting Rex Savage. Morrow advised the board that he could use Rhoad a month or more running the sewer jet in the Village.	
	Because of Labor Day, Monday September 5, the next regular meeting will be September 6, 1988.	
	Ross moved and Gordon seconded to adjourn the meeting at 8:05 P.M.

	REGULAR MEETING BOARD OF PUBLIC AFFAIRS OCTOBER 17, 1988	
	7:00 P.M.	-
	The regular meeting of the Board of Public Affairs was called to order October 17, 1988 at 7:00 P.M. by board president Richard Gordon. All boardmembers were present. Also Billing Clerk Pierce, Water and Wastewater Superintendents Savage and Morrow, Mayor Miller and Clerk Morrow.	
	Present were councilmembers Seslar and Howard.	
	The minutes of the regular meeting October 3, 1988 were read and approved on a motion by Ross and seconded by Gordon. Board agreed with an abstain by Wolf, due to being absent at the October 3 meeting.	
	Mayor Miller reported to the board that the Ohio EPA gave their approval of the plans for an aerator at the water plant. Within a week the plans and specifications will be received by Mr. Neil Ott. A \$10,000.00 block grant has been granted by the commissioners to help pay for the aerator system.	
	The board discussed various water leaks in the Village and reported that the water tapper is being repaired, also the Village cistern needed cleaned. The board requested Savage to accompany Fire Chief, Ray Friend and check the fire hydrants in the Village. Savage reported that eight fire hydrants were already checked and one flushed out this past week.	
	A motion was made by Gordon and seconded by Wolf to contact Ray Friend, Fire Chief, to have the cistern cleaned. Board agreed.	
	Request was made for the removal of Dan Rhoad's automobile from the water plant and checking with Rhoad concerning the trailer he had planned to purchase from the Water Department.	
	The board discussed again the need of approximately (7) seven sewers needing hooked-up in the Village. No decision was made.	
	It was reported that the sewer payment for the Shadow Beauty Salon will be paid by Harry Yoder Construction & Reality. Also reported the baseball diamonds behind the school were not being charged for their water and sewer. The board discussed the need of installing a water meter at the baseball diamonds. No decsion made.	
	A complaint from the Antwerp Exhcange Bank concerning the unreadable bills for the water and sewer was reported. The new 3 copy statements are not legible on the third sheet. Board advised the Billing Clerk to check with the Antwerp Bee-Argus (from whom statements were purchased) concerning the possibility of poor carbon on the statements.	
	Boardmember Gordon questioned Mayor Miller concerning the hiring of Jerry Morrow for Village Maintenance without consulting the Board of Public Affairs. After some discussion the issue was settled.	
	The board also discussed the use of the sewer jet for TGS, Inc. and other industry. No decision made.	
	Meeting adjourned at 8:15 P.M.

	REGULAR MEETING BOARD OF PUBLIC AFFAIRS APRIL 11, 1989 7:00 PM	
	The regular meeting of the Board of Public Affairs was called to order April 11, 1989 at 7:00 PM by Board President, Randy Wolf. Present were all boardmembers, billing clerk, wastewater superintendent, Mayor Miller and Clerk Morrow. Absent was water superintendent Savage. Also present was councilman Howard.	
	The minutes of the regular meeting, March 9, 1989 were read and approved on a motion by Ross and seconded by Wolf. Yea 3, nay 0.	
	Several residents of the Village were present and complained to the board concerning the high amount of their water/sewer bills. After some discussion, the board advised they would have all the meters checked on Wednesday, April 12.	
	Billing Clerk Pierce requested the use of address labels for billing (as in the past) to save extra typing. Board approved.	
	Gordon requested that pictures be taken of the new aerator and published in the newspapers. Board agreed.	
	The board discussed the need of contacting TGS, Inc. and Dana Corporation concerning their water contracts.	
	It was suggested that water and sewer bills be sent out monthly. Board stated it maybe a possibility in the future. Also a recommendation was made to inform the Village residents on their quarterly water/sewer bills that the property owner was responsible for all water leaks in their home.	
	It was suggested that a charge be made for checking all water leaks inside the residents home. No decision made.	
	The board recommended a raise of \$ 750.00 for Water Superintendent, Rex Savage, due to his 6 month probationary time being completed. Also pay overtime when called out at night, weekends and holidays to repair water main breaks, etc. The recommendation will come before council on May 8, 1989.	
	It was reported that William Straley requested monthly billing. Board agreed.	
	The board advised that all property sold with no sewer hookup will be the responsibility of the new owner and must be completed before receiving water from the Village.	
	The board advised Morrow to check the Jividen trailer residence on W. River Street, questioning how their sewer is hooked up.	
	The decision was made to request the Messer Development Co. to install a meter in each residence when the "Fawn Villa" (duplex apartment complex) is developed.	
	It was reported that Harry Hærrman is using the water from his pond and paying the minimum amount of 13.00 for Village water.	

Mayor Miller reported to the board that the Booster Club requests Council's approval to improve the track and baseball diamonds and extend the length of their contract. Councilman Howard recommended when their contract is remade, specify there will be no cost to the Village if their building

	The regular meeting of the Board of Public Affairs was called to order May 2, 1989 at 7:00 PM by board president, Randy Wolf. Present were all board- members, billing clerk, water and wastewater superintendents, Mayor Miller and Clerk Morrow. Also present were councilmen Howard and Varner.	
	The minutes of the regular meeting April 11, 1989 were read and approved on a motion by Ross and seconded by Gordon. Yea 3, nay 0. Motion passed.	
	Boardmember Wolf reported his discussion with James Spriggs, Village Legal Advisor, concerning the lease agreement with the Antwerp Local School. After discussing the matter the board was advised by Mayor Miller to contact Dave Bagley, school superintendent, for more information.	
	Water superintendent Savage reported to the board that the Ohio Power Company damaged the water line by the John Larson residence on County Road 176. To repair the damage a new stainless steel clamp was purchased at the cost of \$83.50 (including shipping charges) and the labor for three men @ \$ 15.00 an hour amounting to \$ 45.00. Total cost \$ 127.50. Clerk Morrow was advised to bill the Ohio Power Company for the cost of repair.	
	Councilman Howard recommended to the board that they should meet as soon as possible with the Dana Corporation and TGS, Inc. concerning their water contracts.	
	Mayor Miller recommended having a dog kennel for the Village at the water or wastewater plant. Miller advised the purpose would be for stray dogs being kept until they wre picked up by the dog warden, Bob Leslie. The board discussed the matter, and agreed to have the kennel at the water plant.	
	It was reported that the Harry Harrmann residence was hooked up to the Village for their water and sewer, but are using the water from their pond. After discussing the matter, the board decided to inform Harrmann there would be an inspection and the possibility of installing a meter for the pond water.	
	The board discussed various matters concerning residences with malfunctioning meters, broken sewer and storm drains and the extension of new water and sewer lines to the new duplex apartment project by the Messer Development Company. Morrow was advised to check the Joe Vogel property on W. River St. concerning the sewer hookup.	
	Gordon discussed various matters that displeased him at the wastewater plant. An executive meeting was called at 8:20 PM by Mayor Miller concerning personnel. Board approved.

	Billing Clerk Pierce also discussed with the Board about revis our shut off system. It was suggested to send the water and sower shut offs together instead of seperately, this would sav a lot of confusion with the public. It was also decided to revise the shut off notices, so that those who are making arrangements for payments, will receive a balance of account statement instead of a shut off notice. The Board will need to update the Ordinance for water and sewer shut offs. The Board agreed to hire Pam Franklin to help Billing Clerk Pierce with EPA letters, miscellaneous, and to help out when Billing Clerk Pierce also informed the Board that the Post Office has agreed to let us use the Discount postage when sending EPA letters, etc. Randy Wolf made a motion for adjournment and Joe Ross seconded The meeting was adjourned at 8:45 P.M. VILLAGE OF ANTWERP REGULAR MEETING BOARD OF PUBLIC AFFAIRS MARCH 14, 1990 The regular meeting of the Board of Public Affairs was called to order March 14, 1990 at 7:00 PM by board president Ross. Present were all boardmembers, Water and Wastewater Superintendents, Mayor Miller and Clerk Morrow. Also present were the council committee members for the utilities, Seslar and Bauers. The minutes for the regular meeting February 14, 1990 were read and approved on a motion by Winslow and seconded by Ross. Yea 3, nay 0. Motion carried. Morrow discussed with the board, concerning the type of riding lawn mower needed at the wastewater plant, especially mowing the hills around the lagoons. The board agreed to have Morrow contact dealers and acquire information on a heavy duty (commercial type) riding lawn mower. Morrow also reported that K. Williams, manager of the Antwerp Shell Station was going to install a car wash and needed to know if he could legally hook into the sewer. Morrow stated that he checked with Administrator Weibe at Paulding and was advised that there was no special service needed. The board agreed to allow Williams to hook into the sewer when the car wash was installed. The board discussed various delinquent accounts with the billing clerk. Pierce reported there were seventy-five red letter notices. The board also discussed having meters installed on wells and cisterns for a sewer charge. No decision made. Winslow moved and Derck seconded to go into an executive session at 7:30 PM concerning personnel. At 7:45 PM Pierce was requested to meet with the board in executive session. The regular meeting was called back into session at 8:03 PM. Ross reported that the board gave the billing clerk an updated job description, stating a schedule of certain days and hours to be in the office at the water plant starting March 26, 1990. Pierce advised the board the matter will be taken under advisement and will give an answer on Saturday, March 17, 1990 when the board meets for a study meeting. It was reported that the resumes received for the part-time job assisting the billing clerk were all reviewed, but no decision has been made. Due to various reasons, board members could not meet at the regular meeting on Wednesday, April 11, 990. Ross moved and Winslow seconded to have the next regular board meeting on Monday, April 2, 1990. Yea 3, nay 0. Motion carried. Meeting adjourned at 8:20 PM. CLERK Esther L. Morrow

Yea 3, nay 0. Motion passed. Gordon discussed with the board of the recent emergency service call at the water plant, due to burned up wiring, no power and the pump was dry. Gordon recommended that all new wiring be installed at the water plant. Also radio controls were needed for the w. water tower. Board advised they would contact Schweller Electric, Paulding, OH for an estimate. Bauer discussed with the board his concern when all the village's water is turned off, when there is a water line break or other problems. Also discussed the matter of changing over the generator at the wastewater plant to also be used at the water plant. No decision made. Seslar inquired if the board was in the process of drawing up an ordinance concerning the property owners of the Village not having to make sewer payments on vacant buildings after a certain period of time. After discussing the matter, Mayor Miller suggested that the current ordinance can possibly be amended, concerning the matter. Morrow reported to the board that Roger Pier was checking the cost of raising the sewer manhole near his residence.

	VILLAGE OF ANTWERP BOARD OF PUBLIC AFFAIRS REGULAR MEETING MARCH 4, 1991	
	The regular meeting of the Board of Public Affairs was called to order March 4, 1991 at 7:00 PM by board president, Walter Ross. Present were boardmembers Derck and Winslow, billing clerk Friend, wastewater superintendent, Morrow, Mayor Miller, Clerk Morrow and councilman Bauer. Absent was Rex Savage, water superintendent due to attending class for Operator Water I in Lima, Ohio.	
	The minutes of the regular meeting February 4, 1991 were read and approved on a motion by Derck and seconded by Ross. Yea 3, nay 0. Motion carried.	
	After discussing the issue with boardmember Winslow prior to the meeting, Randy Shaffer presented to the board, an estimate of \$ 500.00 for the cost and labor to install two way radios in the water and wastewater plant vehicles. After discussing the matter, Winslow moved and Derck seconded to approve the installation of two way radios in the water and wastewater plant vehicles. Yea 3, nay 0. Motion carried.	
	Clerk Morrow presented to the board a letter received from Larry Jump, facilities manager of Dana Weatherhead Division stating after conversing with our legal counsel, we do not see the purpose of signing another contract while the current contract is still in effect. We feel it is not Dana's reponsibility to have the Clerk's signature. The current contract is valid until the expiration date of May 5, 1992. After discussing the matter, the board agreed to not push the issue until their contract agree- ment runs out in 1992.	
	It was reported that Judith Powell signed a time note agreeing to pay monthly payments on her delinquent water and sewer bills, plus the total amount of current bills as due.	
	Morrow presented the board an estimate from LaLone Seamless Gutter, Antwerp, Ohio to replace the north window in the wastewater plant laboratory. An all vinyl double casement \$ 488 and an all vinyl horizontal slider \$ 366. Morrow stated, the casement window would be more favorable, allowing more air coming through the lab. After discussing the matter, Ross moved and Derck seconded to approve the installation of a new casement window in the wastewater plant laborary, and requested Morrow to present the board with a second estimate. Yea 3, nay 0. Motion carried.	
	Mayor Miller was requested to make the purchase order in the amount of \$ 500.00 for the window replacement.

Figert requested information regarding the expense of a water tap and sewer lateral. Kennedy, Savage and Morrow discussed various ways of installation for the project, and the difference in the expense, but no final decision was made.	
	Savage recommended, the purchase of two new generator's for the water plant using one for the #1 well pump and the other for the service pumps in the buildings. Councilman Gordon advised the board, that the filters at the water plant was several years overdue in needing a change, and was possibily the reason for our bad tasting drinking water. Gordon stated, the expense would be approximately \$18,000 to \$20,000. and also recommended it should be the boards # one priority over a new water tower or generators.	
	Winslow advised, all contracts need to be updated, which includes Weather- head, Spec-Temp, and Park Limited. Winslow suggested the possibility of raising each one, with an increase of 8%.

REGULAR MEETING OARD OF PUBLIC AFFAIRS JUNE 1, 1992

The regular meeting of the Board of Public Affairs was called to order June 1, 1992 at 7:00 P.M. by Mayor Miller. Present were Board Members Winslow, Smith, and Gordon, Billing Clerk Friend, Councilmembers Howard, and Gordon, Village Employee Joe Sanders, and Wastewater Superintendent Morrow. Wisitors Kelly Funk and Scott Figert were also present.

The minutes of the regular meeting of May 4, 1992 and the minutes of the special meeting of May 29, 1992 were read and approved on a motion by Winslow. Yea 3. Motion carried.

Board President Winslow made a public Thank-you to Morrow, Sanders, and Howard for water testing and helping at the water plant in Water Superintendent Savage's absence. Winslow reported to the Board that he had received numerous phone calls concerning "pink" water from a recent breakdown. Norm Howard stated the extra chlorine was really good because it cleaned out all the lines in both water and sewer.

Scott Figert spoke to the Board about George Kinsey's water meter which is located in the driveway. Mr. Kinsey wants the meter raised. Figert told the Board that if the materials, a meter pit approximately 18 to 24 inches in length, were provided, he would assume the responsibility of raising it. The Board advised Figert to contact them again in 3 or 4 months when he is ready to do the work. Figert was infromed a permit was necessary for this procedure.

Funk talked to the Board about his interest in working at water plant if anyone is needed.

Council President, Norm Howard addressed the Board concerning the Memorial Day street collapse on Erie Street. Mr. Howard informed the Board that he had a meeting with Rick Weaver of Poggemeyer and the contractor. He believes the contractor, Schumm Plumbing and Heating Inc. should pay $\frac{1}{2}$ of the bill. Schumm had already agreed to pay $\frac{1}{2}$ of the tile bill. The total expense of repairs is \$1,276.35. Howard requested that the Villages Legal Advisor, James Spriggs, send a letter to Schumm's, requesting payment.

Wastewater Superintendent, Bill Morrow, informed the Board that June 5 to 15 is the deadline to put our land in for conservation use, if that is what we want to do. At the present time, Marlin's farm the land and the village receives about \$700.00 per year. Ken Hahn is the local Board member for land conservation. The matter was tabled. The Board will answer before the 5th.

Mayor Miller informed the Board that on Friday, June 5, at 10:00 A.M. in the council room there will be a meeting with a Water Management Company.

The Board was told by Mayor Miller that the Park BOard had ordered sand for use in the park, and to be delivered by Harmon's Trucking. When the bill was received, the total was \$82.80 for hauling sand, and \$30.00 for pulling out the town tractor at the football field. The total of the bill was \$112.80. Mayor Miller asked the Board to authorize payment of \$30.00 back to the Park Board, because the tractor had gotten stuck while in use by a water department employee. President Winslow made a motion that the water department reimburse the park department \$30.00. Yea 3. Motion carried.

Board Member Gordon made a motion to have Legal Advisor Spriggs make a resolution pertaining to residents inside city limits having no extra source of water such as ponds, or pools. Spriggs will draw up the resolution

	REGULAR MEETING BOARD OF PUBLIC AFFAIRS SEPTEMBER 8, 1992
	The regular meeting of the Board of Public Affairs was called to order at 7:00 P.M. on September 8, 1992 by Board President Winslow. Those present at the meeting were Board members Gordon and Smith, Councilmembers Franklin, and Varner, Billing Clerk Friend, Mayor Miller, and Clerk Reeb. Village residents Kenneth and Patti Lowe were also at the meeting.
	The minutes of the last regular meeting held on August 3, 1992 and the in- vestment and disbursements for the month of August were read and approved on a motion by Winslow. Yea 3.
	Winslow informed the Board that He had reveived a compliance schedule for a certified operator. Winslow asked Billing Clerk Friend to type a letter to the Ohio EPA in Columbus in reference to the operations at the water plant.
	President Winslow inquired about the North Well, well # 1, sucking air and not meeting demand needs.
	Winslow informed the Board that he had received a letter from Chi S Ko. Mr. Ko is an inspector for EPA from Bowling Green. He inspects the outdoor grounds at the wastwater plant. The letter must be signed and returned. Winslow asked Wastewater Superintendent Morrow to gather the information needed and get it to him.
	GUESTS
	Kenneth and Patti Lowe addressed the Board concerning land they have pur- chased on Canal Road. The land is adjacent to Paul Feasby's land. Lowe's requested the Village to run the sewer lines out to thier new land. They have permission from Feasby's to run the line across their lot and dirveway. Winslow asked Morrow to gather the information such as sea level, drainage, etc on the lot as soon as possible. Lowe's are planning on starting to build within the month. The matter is tabled until the information is gathered
	Mr. Varner inquired about renting the sewer jet from the Village for the purpose of cleaning and checking the lines to his trailor court. Mr. Varner agreed to pay the same a Sepc-Temp, \$50.00 for the rental of the jet and \$15.00 per man. Winslow made a motion torent the sewer jet to Varner. Yea 3.
	Board member Gordon asked who was going to read Bood 6 (water meters located in the new edition, on Oak Street, and Woodcox Street) because Joe Sanders the Village Employee who usually does this job, has a broken arm. Winslow asked Morrow to take care of this matter. Morrow agreed to this.
	Winslow requested a study meeting for September 17, at 6:00 P.M. for himself Smith, Gordon, Sanders, Friend, Varner, Reinhart, and Franklin.
	Joe Sanders reported the discharge hoses had come in.
	Clerk Reeb presented a 60 month cylinder lease certificate from AGA Gas, Inc. Winslow made a motion to renew the lease. The cost of the lease is \$185.33. Reeb also presented a revised assessment for Deborah Davenport, which she had received from Village Legal Spriggs. The Board was required to sign the copies and Clerk Reeb then returned them to Spriggs.

	REGULAR MEETING BOARD OF PUBLIC AFFAIRS OCTOBER 5, 1992	
	The regular mmeting of the Board of Public Affairs was called to order at 7:00 P.M. on Monday, October 5, 1992 by Board President Winslow. Those present at the meeting were Board members Smith and Gordon, Councilmembers Reinhart and Franklin, Wastewater Superintendent Morrow, Village Employee Joe Sanders, Billing Clerk Friend, Mayor Miller, and Clerk Reeb.	
	The minutes of the last regular meeting held on September 8, 1992 were read and approved on a motion by Board President Winslow. The investments and disbursements for the previous month were not available at meeting time. Copies will be sent to Board members.	
	Winslow inquired about the sewer lines that need to be extended to property on Canal Road purchased by Kenneth and Patti Lowe. Wastewater Superintendent Morrow said the lines can go within 45 feet of the house. Morrow does not have a cost of the project yet. Winslow asked about running the lines farther to catch other lots on Canal Road. Morrow informed the Board that can be done easily at a later date.	
	Winslow presented to the Board an estimate from Solar-Crete to replace 2 doors on the filtration plant at a cost of \$1926.00. Also to replace 1 door on the repair shop building at a cost of \$1059.00.	
	Winslow presented an estimate from Schweller Electric for electrical im- provements to the water treatment plant. According to the estimate, this work will be done in phases 1-2-3 at \$4900.00 per phase. This cost does not include trenching. Councilman Reinhart suggested that another electical company be contacted for an estimate. Mayor Miller suggested Kaduk Electric. Winslow agreed to contact other companies.	
	Wastewater Superintendent Morrow informed the Board He would check on the cost of repairs to Electric Overflow Control Tank.	
	Winslow inquired about Ron Kutzli working for the Village. Miller informed the board that Kutzli is not allowed to work according to Council. This decision was made by Council after Kutzli did damages to the Village dump truck totaling \$1153.00. Mayor Miller said she had received an application from a man who is interested in working for the Village. Mr. Varner gave a good recommendation for this man. Morrow reported that the dump truck has been all dried out and he has repaired all the rust spots in the bed. Also he has repainted the bed of the truck.	
	Mayor Miller requested the Board to consider omitting the 10% delinquent charge on any water and sewer bills that are tied up in an estate. The Board agreed to this.	
	Councilman Reinhart expressed concern about water line breaks occuring in the Village. He feels that the residents must be notified so they don't drink the water until it is safe. After much discussion, no action was taken.
