Special Meeting

The Village Council met on the above date in a special meeting with the following members present: Lichty, Fett, Smith and Bickhard. Mayor Frank Seslar presiding.

Mr. Reimer of Ryan Sutherland & Co. was present at this meeting and presented to the Council a letter which is as follows;

Honorable Mayor and Village Council
Village of Antwerp, Ohio
Gentlemen:

Under date of July 6th, we consummated with you an option contract covering the sale of
\$ 75,000 VILLAGE OF ANTWERP, OHIO First Mortgage
Waterworks Revenue Bonds

Said option contract was to run until August 1, 1951, unless previously exercised. This is your official notification that the undersigned hereby exercises such option contract, and that all parties concerned thereto shall be obligated to perform the various functions contained in the contract.

We are most happy to have been able to work out your situation to a successful consummation.

Very truly yours,
Ryan Sutherland & Company
By H. Reimer

Mr. Reimer was under the impression that a successful water rate had been agreed upon with the Weatherhead co, and upon being informed differently he stated that a contract would have to be drawn up with the Weatherhead Co. whereas their minimum rate would

For 6,000.000 gal.

be \$ 1,500.00 quarterly, and a 17 cent rate thereafter, so that enough revenue would be obtained to retire bonds and interest.

Mr. Wilbur Langham president of the Water Board was to contact the Weatherhead Co. and inform them that a contract would have to be drawn up with them, also that the above minimum rates would have to be charged in order for the Village to sell revenue bonds.

Mr. Langham is to report his findings to the Council at a future date.

A motion to adjourn was made by Smith and seconded by Bickhard and passed by a vote of four yeas to no nays. Meeting adjourned at 10:10 P.M.

Council Chamber
City Hall

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Fett, Major and Yager.

Minutes of the previous meeting read and approved.

Mr. Peffley was present and presented to the Council a petition for the extension of the side walk on the north side of River St from its present western terminus, west to the west property line of Williard Friend. After some discussion of the matter Mr. Peffley was requested by the Council to contact the two property owners still west of the Friend property and ascertain if they would not be included in the same side walk extension and report same to the Council at a later date.

The following petitions were presented and heard by Council.

To the Honorable Council and Mayor of the Village of Antwerp.

We, the undersigned do protest the drainage of the Weber Addition into present sewer system as it is overloaded now when we have hard rains where it connects on to sewer at Canal and Erie Streets and may cause lack of drainage of Cess pools as well as basements which would be detrimental to public health.

The above being signed by seventeen residents of east Canal Street same being a majority thereof.

To the Honorable Council and Mayor of the Village of Antwerp.:

We the undersigned do protest the drainage of the Guy and Nora Jump project or this may be known as the Marilyn Utterback and Doris Ely project south of town into the present sewer system as it is overloaded now when we have hard rains- and may cause lack of drainage of cesspools as well as basements- which would be detrimental to public health.

The above petition being signed by thirteen residents of South Erie St.

After considerable discussion of the above petitions and of the various faults of the present sewer outlets of the East Canal St and South Erie St sections, the petitioners were informed by the Council that the Council was not in authority to prevent the above mentioned projects from using the sewers in question as there outlet, but were further advised by the Council to have a petition drawn up requesting the installation of a larger sewer outlet for the Canal and Erie Street areas preferably a 36" sewer beginning at the intersection of Buffalo and Erie Streets or thereabouts and extending to the ~~XXXXXX~~ southern terminus of the 36" Ehrhart sewer at the Wabash Railroad and present same to the Council at a later date as the Council was of the opinion that the Construction of this proposed 36" sewer would rectify the sewer and drainage problem of the residents in the entire south section of the Village.

The Council further informed the petitioners that they would immediatley have the Village Engineer make a survey of the problem and have the results as well as an estimated cost of same sewer construction, prepared for their information and further consideration.

The Street Commissioner was also instructed to ascertain a check of the present drainage facilities of South Erie St and clean out any sections that might be causing drainage difficulties so that the residents of said street might have at least temporary releif og their drainage problem until which time permant facilities could be installed.

The Clerk presented to the Council a telephone bill which had been held up for payment at a previous date, to ascertain the Councils wishes in the matter. After some discussion of same the Clerk was directed by the Committee on Finance to enter same on the Ordinance for payment of Bills and process for payment.

The Mayor reported to the Council that the State was desirous of assuming the jurisdiction of Riverside Park at present owned by the Village of Antwerp, same to be improved and used by the State as a Roadside Park.

After discussing the relative merits and disadvantages of this sort of transaction, the Mayor was instructed to contact ~~any~~ the proponent citizens who advocated the State control of our Park and in turn contact the State authorities to ascertain the actual jurisdiction required by the State in order for them to proceed in the matter of assuming control of this property as a Road side Park, and report same at alater meeting.

Dale Ehrhart, Village Clerk, ardently protested any consideration of the Council or civic leaders of the community in turning over to the State such a beautiful natural park ~~that~~ any community should be proud to own and operate.

He further declared that to transfer jurisdiction of Riverside Park to the State of Ohio to be used as a common roadside park was an admission of failure of operation and that if energies of the so called civic leaders of the community were directed in the operation and maintenance of the Park, instead of all the relatively unimportant and inconsequentle projects so sponsored by them in the past, that Riverside Park could well be a beautiful landmark, to be pointed out and rembered by all as that beautiful Park in Antwerp, maintained and kept up by the Village.

This opinion was in absolute minority with all citizens and officials present.

Ordinance #426, being an ordinance for payment of Bills was fully and distinctly read to Council, whereupon it was moved by Fett and seconded by Major that the Ordinance be passed as read. Vote being taken on the motion resulted as follows:

Bickhard yea, Fett yea, Major yea,

Yager yea. Smith and Ross absent.

Four yeas, no nays. , Smith and Ross absent, whereupon the motion was d clared carried and Ordinance #426 passed and ordered entered.

As there was no further business to come before the Council at this time it was moved by Yager and seconded by Major tha t the meeting be adjourned. Motion carried.

Council Chamber, City Hall:

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Fett, Major, Ross and Yager. All present.

Minutes of the previous meeting read and approved.

The Mayor reported that he had contacted the Village engineer in regards to the survey to establish an estimate of costs, to construct a sewer on Erie Street from Buffalo to the south terminus of the Ehrhart Sewer: also to determine the present overload on the present Erie St and Canal street present sewer system; in accordance with instructions by Council at the meeting of March 24 as a result of petitions received at that time:

The Mayor further reported that no report had been received by him from the Engineer at this time in regards to the above.

He also reported that no further action had been taken in the matter of the West River street sidewalk extension and no further word had been received from any of the petitioners.

Mr. Arnold of the Central States Natural Gas Co. was present relative to a request for additional rates for Natural Gas, informing the Council that the price of gas to their Company had been raised 64% and that the costs of installing mains had risen approximately 80% and that the rate increase applied for by them amounted to only 15.5% and that this increase was necessary in order for the Central States natural gas company to operate at a legitimate profit.

Whereupon proposed Ordinance #428 ~~was~~ said Ordinance being entitled "AN ORDINANCE FIXING THE RATES OF THE CENTRAL STATES NATURAL GAS COMPANY, Inc.", was fully and distinctly read in its entirety to the Council.

Whereupon Yager moved, seconded by Fett that the rule requiring Ordinances to be read on three different days be suspended and that proposed ordinance #428 be placed on its immediate passage.

Roll Call: (For suspension of Rule)

Yeas: Bickhard, Smith, Fett, Major, Ross & Yager.

Nays: None.

Roll Call: (For immediate passage).

Yeas: Bickhard, Smith, Fett, Major, Ross, and Yager.

Nays: None.

Whereupon Ordinance #428 was declared passed and ordered entered.

The Mayor reported that the Ohio Power Co. had been instructed to make a survey of the present street lighting needs and the future needs of street lighting following the growth of the town and to submit a report of the estimate costs of operation of these contemplated additions along with the present facilities to the Council as soon as possible. This preliminary survey of operational costs being relative to the new street lighting assessments to be prepared and certified to the County Auditor for the fiscal year of 1953.

He reported that at this time no estimates had been received by him in regards to this matter but was confident that same would be forthcoming at an early date.

The Committee on Streets and Alleys reported receiving numerous complaints of the condition that the Railroad Parking Lot had been left in by the Construction Company that built the new elevator building. They stated that the parking lot had been granted to the Company for use of their mixers and stock pile of materials with the agreement that same be returned to the Council in as good condition as that which had been granted to them. This condition had not been complied with and the committee was instructed to contact the Antwerp Equity Exchange Co. in order to rectify this matter so that same could be used for public parking again.

The Mayor reported that he had met with officials of the State Highway Dept relative to plans for widening Main Street, State Route #49, and was informed that engineers estimates of the cost of same were being prepared and that they would be submitted to the Council of the Village at an early date.

Proposed Resolution No 429 be a resolution entitled " A Resolution accepting bid of the Napoleon Construction Company, 1102 Woodlawn Ave., Napoleon, Ohio, for the improving of Madison Street, Oak Street, and Woodcox Street by the construction of a Water Main, in the Village of Antwerp, Ohio." was fully and distinctly read to Council.

Whereupon Smith moved, seconded by Ross that the rule requiring Ordinance to be read on three different days be suspended and that Resolution #429 be placed on its immediate passage.

Roll call: (for suspension of Rule)

Yeas: Bickhard, Smith, Fett, Major, Ross and Yager.

Nays: None.

Roll Call: (For immediate passage)

Yeas: Bickhard, Smith, Fett, Major, Ross and Yager.

Nays; None.

Whereupon Or Resolution #429 was declared passed and ordered entered.

Mayor Van Horn appointed Councilman Walter Ross to serve as the representative of the Village Council on the Committee Being organized for Antwerp Day celebration.

Marshall Ken Johnson requested the Council for a red signal light to be installed in some section of the business district whereby he might be called from some other locality without the necessity of being summoned by phone or personal contact. The Committee on City Property was instructed to make a survey of costs, point and type of installation of such a signal and report same at the next meeting of Council.

Mayor C.A. Van Horn submitted to the Council the Monthly financial report of the activities of the Mayors Court as follows:

Fines collected	\$65.00
Costs assessed	30.00
	<u>95.00</u>

Disbursed as follows:

Village of Antwerp	32.50
Paulding County <i>State</i>	32.50
Mayors fees	30.00
	<u>\$ 95.00</u>

Ordinance #427 being an Ordinance for payment of bills was read fully and distinctly to Council whereupon it was moved by Smith and seconded by Yager that the Ordinance be passed as read: Vote being taken on the motion resulted as follows:

Bickhard yea,	Smith yea,	Fett yea,
Major yea,	Ross yea,	Yager yea.

Six yeas, no nays, whereupon Ordinance #427 was declared passed and ordered entered.

Council Chamber C
City Hall

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Fett, Ross and Yager. Major absent.

Minutes of the previous meeting read and approved.

Mr. Edward McCreery was present and informed the Council that a sewer which terminated at the river in the rear of his property on East River Street extended was in a serious state of repair in regards to washing out around its terminus and that it was rapidly getting worse, and was in immediate danger of washing out a large piece of his property in the process of so doing. He requested the Council to inspect same and warned that it was necessary that immediate action be taken in the repairing of same. After considerable discussion of the matter the Committee on Sewers and drainage was instructed to inspect same and to take whatever action it deemed necessary.

Township Clerk Harry B. Delong was present and informed the Council that the Board of Trustees of Carryall Township was desirous of making a small change in the Contract for rental of office space in the Town Hall, the existing between themselves and the Village of Antwerp. They requested that a clause be inserted whereby they might have the use of the Northwest room on the second floor of the Town Hall in addition

to the use of the Council Room as it now exists.

This request was granted by the Council and the Clerk was directed to draw up a new contract and the Mayor and Clerk were instructed to enter into same with the Trustees of Carrall Twp. in behalf of the Village of Antwerp.

Upon which Mr. Delong requested that a good lock be installed on the entrance door of the N.W. Room as the previous lock had been destroyed and that the Township records had been badly disturbed and considerable damage and confusion and loss had resulted from this vandalism. This matter was turned over to the Committee on City Property with specific instructions to see that a suitable lock be installed to prevent a reoccurrence of the aforementioned destruction.

The matter of the petition for side walks on the North side of west river street from the present western terminus to a point reaching the last proper lot was brought to the attention of the Council. Village Solicitor Wm Day informed the Council that they were in no way obligated to build said walk and that it was strictly the responsibility of the property owners to construct same confirming with grade and dimensions as specified by Council.

The Mayor instructed the president of Council to have inserted in the Antwerp Bee Argus, a notice to all dog owners to have all dogs tied or penned on their own premises and that all stray dogs would be taken into custody by the County dog warden through the complaint of the Village Officials after due time of the publication notice, this order to apply to any dog owner who fails to take proper heed and action from this warning.

The Clerk read a letter from E.H. Purcell & Co. of Ft. Wayne requesting the Council to consider their new and improved methods and contract for insect extermination through area fogging. They informed the Council that they would be glad to present their plan in person to the Council at any time if they so desired. The Clerk was directed to notify the Purcell Company to arrange to have a representative of their Company present at ~~the~~ either of the regular May meetings, May 2nd or on May 13th. in order to further study the program.

Proposed Ordinance #431 To provide for the issuance of notes in anticipation of the levy of special assessments and in anticipation of the issuance of bonds to pay the property owners portion of the costs of improving certain streets herein designated by installing water mains and declaring an emergency" was then fully and distinctly read to Council.

Whereupon Bickhard moved, Seconded by Smith that the rule requiring ordinances to be read on three different days be dispensed with, and that Ordinance No 431 be placed on its immediate passage.

Roll Call: (for dispensing with rule)

Yeas: Bickhard, Smith, Fett, Ross and Yager
Nays: None. Major absent.

Roll Call(for immediate passage)

Yeas: Bickhard, Smith, Fett, Ross and Yager.
Nays: None. Major absent.

Whereupon Ordinance No. 431 was declared passed and ordered entered.

May 2, 1952

Council Chamber City Hall

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following member of the Council present: Bickhard, Smith, Fett, Ross & Major: Yager absent.

Minutes of the previous meeting read and approved.

Mayor Van Horn reported that he had been informed by the property owners on west River street that they planned to proceed with the construction of the side walk which has been under discussion for some time and that they would notify the Village authorities when they planned so to do.

Frank Parrott County Ditch supervisor was present in regards to the washout of the sewer terminus in the rear of the Edw. McCreery property on east River St. extended and informed the Council that the County had very little drainage into this sewer and that they probably would be willing to stand only a very small portion of the costs of repairing the sewer. He stated further that he had talked with two farm owners that used this sewer for a portion of their farm drainage and that they were willing to bear their proper portion of the costs of repairing same.

Mr. Parrott was instructed to prepare an approximate of the total cost of this repair and also to determine the fair amount to be paid by the said farm owners and submit same to the Committee of Sewers and Drainage and they in turn were instructed to proceed with the project at the earliest possible time.

Mr. Connor, Village engineer was present and informed the Council that the Park Ave project in Kauffman Addition was nearing completion and that the water main installation on Woodcox St and Madison St would be started in the very near future.

Mr. Connor was also requested to supervise the construction of Streets in the Kauffman Addition which are to be constructed by the promoter, in behalf of the Village of Antwerp as their Supervisor and to require construction of same to conform with standard specifications as generally required for this type of street construction.

Mr. Connor stated that he was willing to accept this assignment if the Council so desired: Whereupon it was moved by Smith and seconded by Major that that Mr. Connor be retained as the Village supervisor in the construction of all streets in the Kauffman Addition with absolute authority in the name of the Village to require said construction to comply with all general specifications as generally required for this type of streets construction.

Roll call vote on the motion resulted as follows:

Bickhard yea, Smith yea, Fett yea, Major yea,
Ross yea. Yager absent.

Five yeas, no nays, Yager absent. the motion was declared carried by the Mayor.

The Council was in receipt of a request for the installation of a street light on west River Street approximately half way between Madison Street and the Wentworth Road. After some discussion of the matter it was moved by Major and seconded by Fett that the Clerk be directed to notify the Ohio Power Co ~~XXXX~~ requesting the installation of a 250 C.P. Overhead Light to be installed on West River Street approximately half way between Madison Street and the Wentworth Road. Motion carried.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickard, Smith, Fett, Major and Ross. Yager absent.

Minutes of the previous meeting were read and approved.

Clinton Major was present and requested advice as to procedure to take to procure water at his residence on Buffalo St.

This case was referred to the Board of Public Affairs.

Mr. P.S. Rockefeller was present and requested permission from the Council to erect two overhead street banners across Main street advertising Antwerp Day on July 4 and 5.

He also requested permission to close Woodcox st to traffic from Main Street west to Madison St. and Madison st such as might be deemed necessary during Antwerp Days.

Also permission to hold a parade over the streets in the Village said route to be determined at a later date.

All of the above requests were granted by the Council same to apply for dates of the Antwerp Days celebration July 4 and 5th.

The Committee on streets and alleys were instructed to inspect the walk at Kaymeyers Store and to take any such steps to repair same that it deemed necessary.

Inasmuch as the contract covering a lease for ground for Village Dump had expired the matter was discussed but the Council was informed that same would not be renewed by the owner as all privileges were abused and that under no consideration would he consider renewal of the present contract. After some discussion of the matter the Council ordered the dumping ground to be cleaned up and closed to any further use of this nature, and that at this time no further effort would be made to locate a new dump site.

The Committee on streets and alleys were instructed to contact the County Engineer and proceed with the repair of the black top side streets in the Village as has been done in the past, namely the application of a sealer coat after necessary patching had been completed, or any other repairs that in their estimation would be needed.

The Street and Alley Committee were further instructed to paint parking areas and spaces on the streets in the business section of the Village.

The matter of one Council Meeting per month in lieu of the two meeting as have been held in the past was discussed whereupon it was moved by Fett and seconded by Smith that starting with the present meeting June 2, only one meeting per month would be held and that any extra work could be processed by calling special when and as the necessity arises. Motion carried.

The matter of the sewer terminus washout at the rear of the Edw McCreery property on east River St ext. was brought to the attention of the Council. It being reported that the work on same was progressing very unsatisfactorily and that same should be stepped up and the job brought to a completion. Street and alley Committee was instructed to follow through on this order.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Fett, Major and Ross. Yager absent.

The minutes of the previous meeting were read and approved.

The matter of the sewer terminus in the rear of the Edw. McCreery property on River Street East extended was discussed and that the job was not progressing to the satisfaction of the Committee on Streets & Alleys. Whereupon they were instructed to bring the project to as speedy a completion as possible inasmuch as this was a very serious washout and could be easily be much worse in a short time. The Committee on Streets and Alleys reported that the Township Trustees were going to take their action in the matter at their next regular meeting.

Engineer Connor was present and informed the Council that the Madison St. et al Water Mains were completely installed and that the Contractor was entitled to payment in full less the customary 10% retention and presented the detailed estimate thereof to the Council. Whereupon he was informed by the Clerk that the Sale of the Water Main Note had been delayed due to an irregularity in the legislation and that same was to be corrected at the present meeting and until the time the Water Main Note was approved and sold the Estimate for the Construction thereof could not be paid. Mr. Connor informed the Council that he would inform the Contractor of the Status of the matter and was quite sure that it would be approved by them, as they could, if necessary, assign the Account to their Bank.

Mr. Connor further reported to the Council that the Streets in the Kauffman Addition ~~WAXX~~ being built by the owner thereof, were being constructed in his opinion, in a satisfactory manner and that he would continue to supervise this construction as he had been previously delegated by the Council so to do.

He also informed the Council that he would make

immediate contact with N.A.G. Sunday and Son, Contractors for the Construction of Woodcox, Madison and Oak Streets and ascertain the starting date thereof which in his opinion would be in the very near future.

Proposed Ordinance No. 435 being an Ordinance entitled "Amending Sections 1, and 3 of Ordinance No 431 which Ordinance provides for the issuance of Notes in anticipation of the levy of special assessments and in anticipation of the issuance of Bonds to pay the property owners portion of the cost of improving certain streets hereing designated by installing water mains, and declaring an emergency." was fully and distinctly read to Council, section by section and in its entirety.

Whereupon Smith moved, seconded by Ross that the rule requiring Ordinances and Resolutions to be read on three different days, be dispensed with, and that Ordinance No. 435 be placed on its immediate passage.

Roll Call: (for dispensing with rule)

Bickhard yea,	Smith yea,	Fett yea,
Major yea,	Ross yea,	Yager absent.

Roll Call: (for immediate passage)

Antwerp, Ohio.
July 28, 1952.

Council Chamber
City Hall.

A special meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickard, Smith, Major and Ross. Fett absent.

The meeting was called for the purpose of hearing complaints of a committee of residents of ~~XXX~~ West Railroad St in regards to dirt and debris ensuing from the operations of the Antwerp Equity Exchange Co grain elevator located on said street.

A committee of Railroad Street Residents being present complained to the Council that that the Grain Company was negligent in the matter of dirt and other debris accumulation being allowed to scatter throughout the neighborhood thereby causing unsightliness to their properties and that it was an endless task to keep same cleaned from their respective properties and to be kept looking respectable.

They further charged that the Antwerp Equity Exchange Company were careless in the general appearance of their premises in the matter of permitting the excess growth of weeds to exist, the existence of a dilapidated old shed, the accumulation of wet, sour grain which emitted an obnoxious odor throughout the entire neighborhood. One resident specifically charged that he had lost a sale of his property due to the aforementioned unsightliness practically in his front yard, and demanded that immediate steps be taken to rectify these conditions.

Mr. P.E. Schmunk, Manager of the Antwerp Equity Exchange

Company and a number of members of the Board of Directors of the Company were also present, Mr. Schmunk stating that the reason for the corn husks, cobs chaff being scattered across the street in neighborhood yards was due to the fact that it was necessary to use the old elevator building to handle and process corn due to the fact that all necessary ~~to~~ machinery to handle same in the elevator building had not as yet arrived for installation and until that time it was necessary to use a temporary cob bin and that further the space between the old and new buildings created a powerful draft which makes it very hard to remove cob residue from the waste bins without scattering a considerable portion of same and creating the above dirt nuisance. He promised that more care would be taken in this waste removal until which time operations of corn processing could be taken over in the new elevator building which in his opinion would take care of this nuisance.

He further stated that in the matter of the dilapidated shed allowed to exist on the premises was due to the fact that the building contractor still had a considerable amount of tools stored therein and that same would be torn down as soon as they were removed.

He stated further that the matter of the stench of wet, sour grain was due to the fact that their basement had been flooded due to the hard rains of the past week and that it was a matter beyond their control.

Mr. Schmunk and members of the Board of directors agreed to cut the weeds on the premises and to also dispose of the excess lumber and scrap wood left over from the construction of their new building at the earliest possible time.

These promises were accepted by the complainants on their present status as being the most they could expect and that they were willing to wait the outcome of same.

After various discussion of the matter by the residents and the Board of Directors and after due warning by the Mayor that he would expect immediate action in the matter of a General cleanup and further precautions taken in the matter of creating further nuisances, the meeting was adjourned.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Fett, Major, Ross and Weatherhead.

Minutes of the previous meeting read and approved.

Mr. E.C. Weatherhaed being present was given the oath of office as Councilman to complete the unexpired term of Glenn C. Yager, resigned.

Mr. Arthur Monroe and Mr. Chas Johnson were present with their problem as to the right of Mr. Monroe to dump excavation from a basement in to the old Canal right of way. Mr. Johnson argued that this fill would cause his property situated at the site to be subject to more flood water than he already can find a remedy for. Mr. Monroe stated that in his opinion this fill in would not affect the course of any surface drainage other than what already exists. After considerable discussion of the matter the Committee on Streets and Alleys were instructed be the Mayor to make an early inspection of the complaint and to dispose of same at their own judgement.

Apetition was presented and read to the Council by the Property owners of Erie and Buffalo Streets requesting the installation of a street light at the intersection of Erie and Buffalo Streets. After some discussion of the matter it was decided to table the matter for the present, and was so ordered by the Mayor.

Mr. Estelle Cottrell was present and requested the use of Main Street from River Street South in behalf of the American Legion to hold their annual carnival on Sept. 3, 4, 5, and 6. Moved by Smith and Seconded by Ross that this request be granted, subject however to the approval of the State Highway Department. Motion carried.

A communication was read from an organization relative to the proposed increase in telephone rates requesting financial aid in opposing these rate increase applications be the Telephone Company. After some discussion of the matter it was determined that this was no affair of the Municipal Government and that no action be taken in the matter.

The Mayor and Clerk were instructed to enter into a contract with the Toledo House of Correction at Maumee Ohio for the care of prisoners as should be sentenced thereto by the Mayor.

Proposed Ordinance #436 being an Ordinance for payment of Bills was fully and distinctly read to Council. Whereupon it was Moved by Smith and seconded by Ross that the Ordinance be passed as read. Roll call vote being taken on the motion resulted as follows:

Bickhard yea,	Smith yea,	Fett yea,
Major yea,	Ross yea,	Weatherhead yea.

Six yeas, no nays, whereupon Ordinance #436 was declared passed and ordered entered.

Mayor C.A. Van Horn reported the following collections for the Month of July.

Permits	4.00
Fines	80.00

Minutes of the previous meeting read and approved as read.

Mr. Edw. Meyer was present relative to his bill for weed cutting on the C.E. White lots in School Hill Addition, informing the Council that he had never received compensation for this work from either the Village or Mr. White. He was informed by the Council that this was a private enterprise and that Mr. White was responsible for the payment of his bill. It was suggested however that the Clerk write to Mr. White relative to this matter and that a settlement could be made. The Clerk being thereupon so instructed.

The matter of the installation of a sign post at the south west corner of the intersection of Main and River street on the premises of the Fleetwing Oil Co. was discussed to some extent. The matter was given to the Committee on Streets and Alleys for disposition.

Village Solicitor Wm. Day was present and discussed the new Code Ordinance with the Council informing them of the changes that had been made in the standard copy as per instructions of the Council and the Mayor and presented the contract of the publishing Company with their price quotations for printing same with the aforementioned changes, Whereupon

Mayor and Clerk were instructed to enter into contract for the publication thereof.

The bill of the E.H.Purcell Co. Inc. was presented for payment but inasmuch as the last fogging during the month of August was held to be unsatisfactory and that same would have to be done over, the Clerk was directed to hold payment of same until this had been complied with to the satisfaction of the Council and the Street Commissioner. who was instructed to contact the Purcell Company for an immediate reparation.

The Clerk was instructed to obtain the stone tonnage that had been applied to Buffalo street during the season of 1951 and to contact Mr. Robt. Whetstone relative to some restitution to the Village for the cost of same from the Federal Government as this street had been considerably damaged by hauling of grain to the Federal Storage Bins located south of this street and which had borne heavier traffic than that for which it had been built for normal usage.

The Mayor Reported the following collections and disbursements for the Month of August.

Collections:		Disbursements:

Paul Kennedy was present and informed the Council that he had had an opportunity to purchase a street sweeper and wanted to ascertain if the Council was interested in having this type of street cleaning for the ensuing year and if so the amount that would be appropriated for same. After some discussion of the matter Mr. Kennedy was instructed by the Council to submit an estimate for this type of work that he might consider as a profitable operation and to present the same at the next meeting January 9th.

The Council was informed that Mr. Ed Meyer had expressed a willingness to rent or lease a plot of ground on his farm to the Village to be used for the purpose of a Village dump. This plot to be rented at the rate of \$150.00 per annum and that Mr. Meyer would agree to keep same cleaned up in a suitable condition so that no further expense need be incurred by the Village for the maintenance of the same. No action was taken in the matter at this time but to be taken under further consideration. at the next meeting.

A group of citizens were present relative to the recent enforcement of the two hour parking limit throughout the business district. One member of the group expressing some dissatisfaction with the law but was promptly met with unanimous approval of the other members of the group as well as favorable comment from members of Council and that Mayor that had been received by them from individuals since the law had been enforced stricter. Other parking problems were discussed by the Council with the group and several ideas and changes were presented and the general opinion of all was that individuals as well as members of the Village Council were becoming aware of the parking problem and that all were willing to help in any manner to assist in overcoming this condition.

Mr. Taylor Long was present and informed the Council that he was going to put in a new front in his store on the Southwest corner of the intersection of River and Main streets and that he was desirous of raising the sidewalk in front of same at the same time, and wanted to know the correct procedure to take in this matter. The Council informed him that such a project could be undertaken by his contractor at the time of the store improvement, but to keep in contact with the Committee on Streets and alleys during the course of setting grade and actual construction thereof.

Proposed Ordinance #442, being an ordinance for payment of bills, was fully and distinctly read section by section and in its entirety to the Council, whereupon it was moved by Bickhard and seconded by Smith that Ordinance #442 be passed as read.

Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Fetti yea,
Major yea, Ross yea, Weatherhead absent.

Five yeas, no nays, Weatherhead absent, whereupon Ordinance #442 was declared passed and ordered entered.

-----As there was no further business to come before the Council at this time it was moved by Smith and seconded by Major that the meeting be adjourned to January 9th, 1953. Motion carried.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present:

Bickhard, Smith, Fett,
Major Ross Weatherhead. All present.

Minutes of the prevoius meeting read and approved.

The Committee on Streets and alleys reported that they had been asked to place stone on the Cinder Road just North of Canal Street in the new Weber Addition as the property owners had no way to get to their homes. This stone to extend on the Cinder Road to the rear property line of the Weber addition lots. only. The Council to instructed the Committee to proceed as they seen fit.

O.F. Leinard was present and informed the Council that he had been using an outlet at the rear of his garage, ~~Seath~~to River Street as an alley. This had caused some concern to other property which abutted this outlet or which was really a part of the property. As this outlet had been used for some period as an alley he wished to be informed as to the actual status of such a drive as an alley and if he had the right to use same as such. This question was discussed at some length but no definite answer could be given him, other than the Council would have the Village attorney at the next meeting to take up not only this particular question but also the status of various other drives and outlets used as such throughout the entire Village in an effort to definitely determine and to set and define legal alleys wherethey could be applied in the Village.

Mayor C.A. Van Horn reported the following activities during the year of 1952.

Arrests 97 Building permits 21

License Sales 6.

Total receipts for the above fines licenses and permits:

were \$2027.85

State Treasurer	\$535.00

A regular meeting of the Council was held on the above date, Mayor C. A. Van Horn presiding with the following members of the Council present: Bickhard, Fett, Major, Ross and Weatherhead. Smith absent.

Reading of minutes of the previous meeting: Same to stand approved as read.

Village Solicitor Wm. Day was present relative to the question of Village jurisdiction of certain allies in the Village: the status of long usage and procedure of Council to acquire same.

In the matter of the acquisition of an alley by the Village not already a public alley, Mr. Day informed the Council that the same could be acquired by the Village if the owners of property upon which same is located would dedicate that particular portion of their property to the Village or in case of any refusal so to do, the Village could instigate condemnation proceedings thereby forcing sale of any parcel of property to the Village for the purpose of establishing a public alley. Until such time however, the property owner or owners have jurisdiction of same.

After some discussion of the matter it was decided that the Council should take some steps in the acquisition of the private alleys in the rear of the properties on the east and west side of Main Street between River Street and the Wabash Railway Right of Way and also an outlet from the east alley thereof to Main street, from the Wabash Railway.

Mr. Weatherhead was appointed to contact the property owners of the above described properties on the east side of Main Street as a first step in the acquisition of same by the Village: Mr. Bickhard was appointed to contact the property owners on the west side thereof, relative to same, and Mr. Ross to contact the Wabash Railroad relative to a continuation outlet from the south terminus of the east alley, west to Main Street.

Upon successful completion of this step an engineers survey of the actual property lines of said properties would be conducted to determine exact lines and terminus thereof.

The permit for collection of garbage and the establishing a route was read and approved. Same to be issued to Felix Tjena of Paulding, Ohio. subject to all provisions contained therein.

Proposed Ordinance No. 447, same being the Annual Appropriation Ordinance, was fully and distinctly read to the Council, whereupon it was moved by Major and seconded by Ross that Ordinance #447 be passed as read. Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Fett yea, Major yea,

Ross yea, Weatherhead yea. Smith absent.

Five yeas, no nays, Smith absent, whereupon Ordinance #447 was declared passed and ordered entered.

Proposed Ordinance #448 , being an Ordinance for Payment of Bills, was fully and distinctly read to the Council, whereupon it was moved by Fett and seconded by Bickhard that Ordinance #448 be passed as read. Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Fett yea, Major yea,
 Ross yea, Weatherhead yea. Smith yea.

Five yeas, no nays, Smith absent whereupon Ordinance #448 was declared passed and ordered entered.

As there was no further business to come before the Council at this time it was moved by Major and seconded by Ross that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present:

Bickhard, Smith, Fett, Ross and Weatherhead. Major absent.

Read: Minutes of the previous read and approved.

The various Council Committees appointed to contact property owners relative to establishing certain allies in the Village reported that some property owners had been contacted in the matter and expressed a desire to cooperate with the Village as soon as a definite program could be worked out agreeable to

all parties concerned . Other property owners requested some time to consider the matter while others have yet to be contacted.

Mr. Arthur Monroe was present and requested the Council for a load of stone along his property on S. Main St. Ext. The matter was referred to the Committee on Streets and Alleys for disposition.

Bert Major Jr. was present and reported to the Council that certain trees on Village property in front of his home were in bad shape and expressed concern that they might blow over during the spring storms and requested that some action be taken relative to same. He informed the Council that he was willing to contact the Ohio Power Co and perhaps have same trimmed to a safer condition as their power lines were also in danger from this condition, and would report to the Council at a later date relative to the matter.

He also asked the Council if it would be possible to have a Street Light installed at the intersection of Madison and Daggett Streets. He was informed that at the present time no funds were available for the addition of new street lights but that a street lighting program was being put into effect for additional lights in 1954 at which time the Council would take his request into consideration.

O.F. Leinard of Leinard Chevrolet was present and offered a proposition whereby the Village could lease an easy used car from him to be used ~~XXX~~ by the Village fro the Police Dept or Village Officials in the transaction of Village business. He agreed to fully maintain same furnish fuel and insurance except liability, agree to the installation of a siren or other equipment of like nature, & the lettering of same to meet the requirement sof the Village. He could not give the Council a definite cost for the acceptance of this offer but was of the opinion that same could be arranged at a cost of approximately \$2.00 per day, but requested the Council to consider this proposition for a time and that he would contact them at a later date for a more definate discussion. of the matter.

The Council discussed this matter for some time and it was ~~XXXXXXXXXXXXXXXXXXXXXXXXXXXX~~ the opinion of Council that such an arrangement could work out beneficially for the Village, but that other Car Dealers in the Village should be given an opportunity to make a like offer if they so desired.

Whereupon the Clerk was directed to start procedures to request offers in the nature of competitive bidding for same., and to be considered at the next regular meeting of Council April 3rd.

A Committee of Council that had been checking the costs and installation of Street Marking Name signs reported that they had contacted a representative of such a Sales Company and that same could be purchased at Various pröces depending on the type and quality but that the particular type they were most interested in would cost approximately \$1700.00 posts included. The number of signs ~~XXXX~~ required being 72. This price seemed rather high inasmuch as installation of same would probably cost and additional three to five hundred dollars and after some discussion of the matter the Mayor was requested to contact this salesman and ascertain when he could meet with the Council relative to a more detailed discussion and to call a special meeting of the Council for same.

Proposed Resolution #450, being a Resolution Directing Francis H. Connors, Van Wert Ohio, Engineer, to make and file tenative assessemnts to pay the costs and expenses of five individual street improvement projects, was fully and distinctly read to Council,

Whereupon Smith moved, seconded by Weatherhead that the rules requiring Ordinances and Resolution to be read on three fifferent days be dispensed with, and that proposed Resolution #450 be put on its immediate passage.

Roll call: for dispensing with rule.

Yeas: Bickhard, Smith, Fett,
Ross and Weatherhead.

Nays: None
Major absent.

Roll Call: for immediate passage.

Yeas: Bickhard, Smith, Fett,
Ross and Weatherhead.

Nays: None

Major absent:

Resolution #450 declared passed and ordered entered.

Proposed Ordinance #449, being an Ordinance for payment of Bills was fully and distinctly read to Cpuncil, whereupon it was moved by Smith and seconded by Fett that Ordinance #449 be passed as read.

Roll call vote being taken on the motion resulted as follows:

Bickhard yea,	Smith yea,	Fett yea,
Ross yea,	Weatherhead yea.	Major absent.

Five yeas, no nays, Major absent. Whereupon Ordinance #449 was declared passed and ordered entered.

Mayor C.A. Van Horn reported collection for the Month of February of \$247.00.

Dispursed as follows:	State Treasurer	87.50
	Village Treasurer	104.50
	Fees	55.00

As there was no further business to come before the Council at this time it was moved by Ross and seconded by Bickhard that the meeting be adjourned, subject to call by the Mayor.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present:
Bickhard, Fett, Smith, Ross and Weatherhead. Major absent.

Minutes of the previous meeting read and approved.

N.H. Elliot was present and requested the rental of the property of the Village known as the Island bordering Riverside Park along the River, ~~XXXXX~~ for the season of farming 1953.

As Mr. Elliott had rented this same property during 1952 and had done a very commendable job, it was moved by Smith and seconded by Ross that the rental of this property be granted to Mr. Elliott for 1953 for the sum of \$1.00.

Vote on the motion resulted as follows:

Bickhard yea, Smith, yea, Fett yea,
Ross yea, Weatherhead yea. Major absent.

Five yeas no nays, Major absent. whereupon the motion was declared carried by the Mayor.

The matter of leasing an automobile for the Police Dept. was discussed and the Clerk informed the Council that a very satisfactory form for bidding application had been obtained and would be presented to all car dealers in the Village requesting them if interested to present their bids to the Council at the next regular meeting May 1, 1953. as per the terms and conditions as appear thereon.

The matter of the Contract for police work was discussed but was decided that the police Dept would work under the Supervision of the Mayor and with some possible verbal recommendation by members of the Council if such would arise and that no further written agreements are deemed necessary.

The matter of Gus Walkenstein as part time caretaker of Riverside Park for the year of 1953 was presented to the Council and inasmuch as Mr Walkenstein had performed very satisfactory services in the past it was moved by Smith and seconded by Fett that Gus Walkenstein be given the job of care taker of the Park as he has been in past years with the same duties pertaining thereto and at the Salary of \$50.00 per month same to be under the supervision and to the satisfaction of the Committee on Public Properties: Roll call vote being taken on the motion resulted as follows: Bickhard yea, Smith, yea, Fett yea, Ross yea, Weatherhead yea. Major absent.

Five yeas, no nays, Major absent, whereupon the motion was declared carried by the Mayor.

Complaints had been received by the Mayor and various members of the Council that the Elevator of the Antwerp Equity Exchange Co. had been hauling cobs out for disposal but that in the process of so doing were scattering debris over the properties adjoining the routes taken by their trucks due to the fact that proper precautions had not been taken for covering same.

The Mayor was instructed to warn the Officials of the Company to take immediate steps to remedy this situation.

The matter of several trees through out the Village situated on Village property were in a bad condition and were in danger of causing damage was called to the attention of the Council. This matter was referred to the Committee on Streets and Alleys for disposal.

The Matter of abad condition in a portion of a sewer on the Cinder Road was brought to the attention of the Council and discussed. Upon which same was referred to the Committee on Streets and alleys. for disposal.

The Clerk was instructed to notify the E.H.Purcell Co. of Fort Wayne that the Village was desirous of renewing the fogging contract for the Village for 1953 as per the agreement as now on file with the Villa e Clerk.

Fire Cheif T.C.Schilb was present and informed the Council that the Chevrolet Fire Truck motor had just blown a piston and that he had talked to the mechanics at the Chevrolet Gargae relative to the propoer proceedure to get same in running order in the least posible time. He was informed by them that a repair job of this condition would very likely prove unsatisfactory and that the cost would be a quite high for the benefits received but that they could furnish a new motor with horsepower in excess of the present motor with immediate inst allation for the sum of \$356.00. After ~~some~~ discussion of the matter it was deemed by the Council the wiser course to purchase and have inst alled the new motor. Whereupon it was moved by Smith and seconded by Bickhard that the sum of \$356.00 be appropriated for the purchase of this motor from Leinard Chevrolet and same be installed this date.

~~XXXX~~ Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Fett yea,
Ross yea, Weatherhead yea, Major absent.

Five yeas, no naves, Major absent, whereupon the motion was declared carried by the Mayor.

~~Ordinance~~ Proposed Ordinance #551 was read section by section and in its entirety to the Council. Said proposed Ordinance #551 being and Ordinance for payment of Bills.

Whereupon it was moved by Fett and seconded by Ross that Ordinance #551 be passed as read.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present.

Bickhard, Smith, Fett, Major, Ross and Weatherhead. All present.

The minutes of the previous meeting were read and approved as read.

Mr. Maraski was present and requested the use of a portion of the basement in the Town Hall to be used for the purpose of a meeting room for the contemplated organization of a Boy Scout Troop. This portion to be cleaned up and furnished as necessary and for their exclusive use. Same to be under the supervision of the Committee on Public Property.

Mr. Maraski further ~~said~~ stated that he was desirous of obtaining a meeting place in the Legion Hall for this purpose and that if it was granted would not need to take this room in the Town Hall.

Moved by Weatherhead and seconded by Major that Mr. Maraski be granted the above request subject to the above provisions, should he find it necessary to accept same. Motion carried.

The matter of no stop signs at the intersection of Railroad and Monroe Streets was brought to the attention of the Council.

As this was deemed to be a particularly bad intersection for visibility the Committee on Streets and alleys was instructed to have stop signs erected at this intersection on Monroe Street.

A Committee from the American Legion was present relative to the assignment of Riverside Park by the Village to the State of Ohio to be used by the State as a Roadside Park on the Anthony Wayne Highway. They were informed that at the present time no definite action had been taken in the matter but that a group of citizens had discussed the matter with members of the Anthony Wayne Parkway Commission with such a transfer in mind but that no information was available at this date as to any progress made towards this end, but were of the opinion that more information would be available at a later date, possibly at the June 5, meeting of Council.

The Legion Committee informed the Council that they were not in favor of this transfer and were of the opinion that this Park be retained by the Village of Antwerp as their own Park to be used as such and not turned over to the State Parkway Commission to be used as Roadside Park, and that they would meet with the Council at a later date to ascertain what steps were being relative to this matter.

The Legion Committee informed the Council that they were intending to place the tennis courts in Riverside Park in a playing condition and requested the Village to furnish netting for backstops and that they would do any other work or furnish any other items necessary for same. Moved by Weatherhead and seconded by Ross that the Committee on Public Property be instructed to furnish the above backstop netting when the Legion Committee was ready to install same. Motion carried.

T.C. Schilb, Chief of the Fire Department was present and informed the Council that the Department was in need of a good gas and smoke mask and that same could be obtained for the sum of \$195.00 or that a cheaper one at a price of \$125.00. He was instructed by the Council to get a demonstration of the relative efficiency of these masks or any other type he deemed worthy of such and contact the Committee on Public Property who were instructed to take whatever action they deemed advisable and ~~necessary~~ necessary.

<u>Frank Smith</u>	<u>W. G. Ross</u>
<u>Lee Fett</u>	<u>E. C. Weatherhead</u>

Yeas 6 Nays None, motion carried.

Ordinance number 455 was fully and distinctly read by the Clerk the second time.

Moved by W. G. Ross, seconded by E. C. Weatherhead that the statutes and rules requiring ordinances and resolutions to be fully and distinctly read on three different days be suspended and Ordinance number 455 be placed on its third and final reading and passage.

Upon roll call, the vote on the motion was as follows:

<u>E. E. Bickhard</u>	<u>Fred Major</u>
<u>Frank Smith</u>	<u>W. G. Ross</u>
<u>Lee Fett</u>	<u>E. C. Weatherhead</u>

Yeas 6 Nays None, motion carried.

Ordinance number 455 was fully and distinctly read by the Clerk for the third time.

Moved by Bickhard, seconded by Smith, that Ordinance number 455 be adopted and passed as read.

Upon roll call, the vote on the motion was as follows:

<u>E. E. Bickhard</u>	<u>Fred Major</u>
<u>Frank Smith</u>	<u>W. G. Ross</u>
<u>Lee Fett</u>	<u>E. C. Weatherhead</u>

Yeas 6 Nays None, motion carried.

The Mayor thereupon declared Ordinance number 455 duly enacted and adopted.

The Mayor and the Committee on Streets and Alleys reported that they had obtained an Engineers estimate on blacktop construction for ~~XXXXXX~~ surfacing Park Ave in the Kauffman Addition in the amount of approximately \$1500.00. This amount included what ever grading or repairs might be necessary to the existing base. This construction to be made by the Village from street funds. After considerable discussion of the matter of Village construction of this project, it was determined that this would be unfair to other property owners in certain additions who had been assessed under special assessment against their properties for the construction of the same type of streets as was contemplated to be completed by the Village for Park Ave.

Inasmuch as the property owners along Park Ave had been given the same opportunity for the construction of a street of the same type as Woodcox St. Madison St. and Oak St. and had withdrawn their petition the Council felt that they would necessarily proceed in the same manner as had already been done on the improvement of Woodcox, Madison and Oak Streets: namely by special assessment against the property owners abutting said street.

After further discussion of the matter it was decided to have the interested property owners along Park Ave meet with the Council and discuss this matter in a body in an effort to work out a satisfactory financing program in order to proceed with the construction of a black top surface, the Mayor being so instructed to contact these property owners and establish a date for such meeting and to notify Council of same.

This being the date set for receiving sealed bids for the lease of a motor vehicle for use by the Village, the Clerk was directed to open any and all bids so marked: which were read and tabulated as follows: all according with the proposal and stipulations as provided ~~XXXXXX~~ for in the specification as on file with the Clerk:

Langham Garage :	\$ 1100.00	per year.
Antwerp Sales :	898.00	" "
L. Smith & Son :	850.00	" "
Leinard Chevrolet:	588.00	" "

Inasmuch as the bid of The Leinard Chevrolet was determined to be the lowest and best bid received it was move by Bickhard and Seconded by Smith that the bid of Leinard Chevrolet be accepted in the amount of \$588.00 per year subject to all provisions and specifications as defined in the contract proposal for bids, as on file with the Clerk and copies of which were in the possession of all bidders, and the Mayor authorized to enter in contract for same: Vote upon roll call resulted as follows:

Bickhard yea,	Smith yea,	Fett yea,
Major yea,	Ross yea.	Weatherhead yea.

Six yeas, no naves. Motion carried.

Proposed Ordinance #454 being and Ordinance for payment of Bills was read section by section and in its entirety by the Clerk .

Whereupon it was moved by Smith and seconded by Ross that Ordinance #454 be passed as read:

Roll call vote being taken on the motion resulted as follows:

Bickhard yea,	Smith yea,	Fett yea,
Major yea,	Ross yea,	Weatherhead yea.

Six yeas, no naves, whereupon the Ordinance #454 was declared passed by the Mayor and ordered entered.

Mayor C.A. Van Horn reported the following ~~XXXX~~ fines, fees and permits collected during the Month of April:

Permits	20.00
Ordin. Fines	140.00
Ordin Fees	40.00
Hiway Fines	75.00

A called meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present : Bickhard, Smith, Fett Major and Ross.

Purpose of the meeting was to discuss procedure of completion of Park Ave as per requested by the property owner thereon. The property owners present were informed by the C Council that such procedure could not be made by the Village in all fairness to other property owners who had had such street improvements made and financed by special assessment against their several properties, and that the residents along Park Ave would be required to do likewise, and suggested that a cash payment assessment could be worked out to pay for this construction thereby eliminating the ~~XX~~ expense and time necessary to proceed with legislation, the sale of Notes and the subsequent sale of Bonds and assessments levied. The Village paying their proper share of the costs of same in the same manner as on any other special assessment construction project.

After considerable discussion of the matter it was decided to let the matter rest at this date and to think same over by the property owners and the Council and to discuss it at a later date in further detail, preferably at the next regular meeting of Council June 5, 1953.

As there was no further business to come before the Council at this time it was moved and seconded that the meeting be adjourned. Motion carried.

A called meeting of the Council was held on the above date Mayor C.A. Van Hprn presiding with the following members of the Council present: Bickhard, Smith, Fett, and Weatherhead. Major and Ross absent.

Purpose of the meeting was to discuss an insurance clause in the contract for the lease of the Car from Leinard Chevrolet as there was some misunderstanding as to the payment of same. Inasmuch as this misunderstanding was unavoidable by either party it was decided that a \$50.00 deductible Collision Insurance Policy be carried on the car and that the costs of same to be born, one-half by the Leinard Chevrolet and one-half by the Village of Antwerp. Whereupon it was moved by Smith and seconded by Fett that the Village of Antwerp pay one half the amount of the premium of said \$50.00 deductible ~~Collision~~ Collision Insurance policy upon due presentation of same:

Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Fett yea,
Weatherhead yea. Major and Ross absent.

Four yeas, no nays, Major and Ross absent, whereupon the motion was declared carried by the Mayor.

It was decided that the purchases of gasoline for use in the Vehicle was to be made on monthly basis from all gasoline dealers in the Village. The manner of each monthly purchase being determined by lot, same being on file with the Mayor, with the provision that the Leinard Chevrolet be allotted the first months purchases inasmuch as they desired to keep a close check on the car during the first period of operation.

And that the following months be allotted as determined by lot as aforementioned, to all other gasoline dealers in the Village and upon the expiration of one months gasoline purchases from each of these dealers that the same continuity be followed. during the existance of the present contract.

As there was no further business to come before the Council at this time it was moved and seconded that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Fett, Major, Ross and Weatherhead. Al present.

Minutes of the previous meeting read and approved:

The property owners of the Kauffman Addition met with the Council relative to the payment of the costs of improving Park Ave by blacktopping. They informed the Council that they had held a meeting to determine the amounts of property owners payment towards cost of same and that they had reached an agreement whereby they would pay as an assessment the sum of .40 cents per foot or a total sum of approximately 600.00 dollars leaving the Village portion of the costs of same approximately \$900.00 based on the present estimated costs now on file with the Committee on Streets and Alleys.

After some discussion of the matter it was moved by Bickhard and seconded by Fett that this offer of payment in the sum of .40 cents per foot by the property owners abutting Park Ave. be accepted and that the Village pay the balance of the costs of the black top improvement of Park Ave in the amount of \$900.00.

Roll call vote on the motion resulted as follows:

Bickhard yea,	Smith yea,	Fett yea,
Major yea,	Ross yea,	Weatherhead yea.

Six yea, no nays, whereupon the motion was declared carried by the Mayor.

The matter of the Village apportionment of various taxes was discussed and that some members of the Council were of the opinion that the Village might not be receiving its fair portion of the tax distributions and that the matter could bear investigation. Whereupon it was moved by Weatherhead and seconded by Bickhard that a tax Lawyer be employed to conduct such an investigation. Motion carried.

The matter of fixing up the playground equipment in the Riverside Park was discussed by the Council in some length. Whereupon the matter was referred to the Committee on Public Property to proceed with same as they might see fit.

The Committee on Public Property reported that the roof of the Town Hall was in need of a roofing paint maintenance job and that they were in receipt of an offer to do same for the amount of \$87.00. After some discussion of the matter they were instructed to obtain other bids on the job and to proceed accordingly in the matter.

PROPOSED

C.A. Van Horn, Mayor:

The matter of the adjustment of the Mayor's Salary for the term of 1954-55 as provided by law was discussed at some length but it was decided to postpone any action in the matter until which time all members of the Council were present. This would necessitate a special meeting as the matter would have to be decided before the next regular meeting. The Mayor was instructed to call same at the best possible arrangements of all members, during the month of September.

The following communication was presented to the Council:

Aug. 31, 1953.

To the Mayor, Council and whom it may concern:

Please accept this as my resignation from the duties as Chief of the Antwerp Volunteer Fire Department effective on the above date.

Due to other responsibilities I feel it my duty to resign at this time as they are taking more and more of my Time .

I wish to thank the members of the Village Council the Mayor and other Village officials for their fine cooperation and help in the past and hope they will continue to help my successor:

Tom Schilb.

Moved by Major and seconded by Bickhard that the resignation of Tom Schilb as Chief of the Antwerp Volunteer Fire Dept. be accepted. Motion was carried.

Whereupon Mayor C.A. Van Horn presented to the Council the name of Vernon Clinton to finish the unexpired term of 1953 as Chief of the Fire Department.. Upon which it was moved by Major and seconded by Smith that the appointment be confirmed. Motion was carried.

The Committee on Streets and alleys reported that the County Engineer had informed them that the CO. Highway Dept would be unable to proceed with the work on Park Ave as had been originally planned and agreed upon between the Council and the Property owners, due to the pressue of excessive work schedules on County Highways and the shortmess of the season, but that they would take time to shoot and chip same and to place the section from Main Street to Woodland Drive in a good sstte of repair and that an adjustment in the cost distribution would have to be worked out between the Village and the property owners.

Charles Paxton was present and requested the Council to take some action relative to the bad condition of the Alley between Daggett and Washington Street extended, east of Erie Street.

The matter was reffered the Committee on Streets and alleys for disposition.

Mayor C.A. Van Horn reported to the Council that due to increased accounting in the Village records that it was becoming necessary that the Village purchase an adding machine and presented prices for various types of machines. The Council instructed the Mayor and Clerk to proceed with the purchase at their judgement.

Proposed Ordinance # 470 being and Ordinance for pyment of Bills was fully and distinctly read to the Council.

Rule E. Bickhard
Clerk.

C. A. Van Horn
Mayor.

Antwerp, Ohio.
Feb. 5, 1954.

Council Chamber
City Hall

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross and Weatherhead. Major absent.

Minutes of the previous meeting read and approved as read.

Mayor C. A. Van Horn presented to the Council for confirmation the name of Andrew Schilb to serve the unexpired term caused by the ~~XXXXXXX~~ resignation of Lee Fett Councilman elect.

Moved by Ross and seconded by Bickhard that the the Mayors appointment of Andrew Schilb to serve the unexpired term of ~~####~~ Lee Fett as Village Councilman be accepted and confirmed. Vote on the motion resulted as follows: Bickhard yea, Smith, yea, Ross yea, Weatherhead yea. Four yeas. No Nays. Major absent. Motion carried.

After some discussion of a new date to hold the regular monthly meeting of Council it was decided to change this regular meeting date from the first Friday of each month to the first Thursday of each month at 8 o'clock P.M., effective March meeting. or Thursday March. 4, 1954.

The matter of raw sewage being discharge ~~xxxx~~ directly into the sewage system of the Village was reported to the Council by The Street Commissioner. He stated that he had observed several violations of this ~~sanitation~~ matter and pointed out that an ordinance was in effect that prohibited the direct disposal of raw sewage into the sewers of the Village and that the installation of a properly operating septic tank was necessary in all cases before any residence or business establishment could be tapped into the sewer outlets. After some discussion of these violations the Council instructed the Mayor to have published the Code governing said installation of septic tanks and the penalty for violations of same. Also to publish notice that all new taps into the

sewer system of the Village be inspected by the Commissioner of Streets and Alleys before being backfilled.

Said notices be published for a period of four weeks as follows: The First two weeks in March, and the first two weeks in April.

The matter of a broken down sewer at the intersection of Erie and Canal Streets. The matter was referred to the Committee on Streets and Alleys to proceed with the necessary repairs.

The Street Commissioner reported that bulbs for the traffic signals were needed. He was instructed to order same be the Committee on Streets and Alleys.

The Sewer on East Daggett Street from Erie Street to a point approximately 130 feet east to an existing catch basin was reported as plugged. After some discussion of the matter the Street and Alley Committee was instructed to proceed with the necessary repair or installations to put same in a good operating order.

The matter of a Street Flasher signal for calls to the police department that might be observed by any police office on duty along along Main street same to be operated by the telephone operator to call attention that a call existed for the police dept. was discussed. The Street Commissioner ~~was~~ reported that he had obtained a price for such equipment at approximately \$46.00 and an installation costs of approximately \$17.00. After some discussion of the estimates the Street Commissioner was instructed to contact other installers and furnishers of such equipment and obtain other prices for said equipment and installations

and report same at the next regular meeting of Council.

The matter of the Street assessment of Keller Fling on Lot #52 School Hill Addition on West Oak Street was discussed. Mr. Fling reported that he had been assessed a total of 96.5 lineal feet front footage on this lot for street construction. He informed the Council that this was the correct front footage of his lot but that the street turned north at a point considerable east of his west property line and cut across the southwest corner

corner of this lot. He felt that inasmuch as this street bisected his lot that it was an unfair assessment.

After some discussion of the matter during which it was pointed out that the street known as Lincoln Highway was the only North and South street north out of the Village with the exception of Main Street it was deemed advisable to start proceedings to obtain a portion of this lot to be used as the north turn from Oak Street to the Lincoln Highway which Mr.

Fling seemed agreeable to do, providing proper settlements could be agreed upon. Whereupon the Street and Alley Committee was instructed to have Mr. Connor's Civil Engineer to survey same and report any findings and suggestion at the next regular meeting of Council, Mar. 4th.

The matter of installing a rest room in the Town Hall was discussed at some length. Whereupon it was moved by Weatherhead and seconded by Smith that the Mayor obtain prices from the local plumbing firms of Quisno and Son and Lee Fett Plumbing for such an installation and report same at next regular meeting of Council.

The matter of the rental of the portion of the Park Property known as the Island for farming purposes was discussed. One offer from Norbert Elliott having been already received. The Public Property Committee tabled this request for such rental ~~was~~ until the next regular meeting of Council during which time other applicants could be considered.

The matter of a dangerous tree in front of the Herbert Seslar property on West Washington Street was reported to the Council. The Committee on Streets and Alleys were instructed to examine same and take the necessary steps relative to the matter.

The Mayor reported the Collection of \$357.00 in fines and permits for the Month of January. Same disbursed as follows:
 Treasurer of State: \$57.50
 Village Treasurer: 299.50.

Proposed Ordinance #482 being an Ordinance for payment of Bills was fully and distinctly read to the Council.

Whereupon it was moved by Ross and seconded by Bickhard that the Ordinance #482 be passed as read. Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Ross yea,
 Weatherhead yea. Major absent.

Four yeas, no nays. Motion carried and Ordinance #482 declared passed and ordered entered.

As there was no further business to come before the Council at this time it was moved by Weatherhead and seconded by Smith that the meeting be adjourned. Motion carried.

March 4, 1954.

Council Chamber
City Hall

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Major, Ross and Weatherhead.

Minutes of the previous meeting read and approved.

A number of property owners of South Main St Extended were present and requested that this street be stoned and black topped by the Village. Inasmuch as the actual status of property lines and street right of way is in some state of contention the property owners were instructed by the Council Committee on Streets and Alleys that before such improvements could be given any consideration that these right of ways would have to be settled and that the matter would be given to the Village Attorney in order to arrive at a definite settlement thereof, and that any consideration of improvement or repairs would be discussed with the State Highway Dept at such time said property lines were determined and that the Village would withhold any action in the matter pending the outcome of this discussion with the State Highway Dept.

Councilman appointee Andrew Schilb being present was given the Oath of Office by the Clerk upon which Mr. Schilb assumed his seat at the Council table.

Norbert Elliot was present relative to rental of the Park Property which he had heretofore farmed and for which he had offered the same terms as for previous years for the rental thereof. Mr. Elliott was informed that this rental would be let on the acceptance of sealed bids by the Council inasmuch as there had been other offers for the rental of this property, for the year of 1954.

Mr. Keller Fling was present relative to the the street and sewer assessment on his property on Oak Street, namely Lot #52 Schoolhill Addition. Inasmuch as the Lincoln Highway bisects the South-West Corner of the Lot in its north turn, Mr. Fling felt that this assessment was unjust as this street deprived him of a portion of his front footage. He informed the Council that he was willing to turn over this portion of his property to the Village for a street right of way pending a settlement of compensation for same and an adjustment of the Assessments thereon. Whereupon the Committee on Streets and Alleys were instructed to contact Village Attorney Wm Day and to have Engineer Connor to survey same in order to determine a satisfactory property line for Lot #52 and the Street Right of Way, at which time negotiations for the transfer of this property would be entered into with Mr. Fling and ~~also~~ also the adjustment of the Street and Sewer Special Assessments thereon.

A tree in bad condition was reported to the Council, located on W. Washington St. in front of the property of Herbert Seslar. This tree was reported as dangerous and should be taken care of at once. The matter was referred to the Committee on Streets and Alleys for disposition.

The matter of the installation of a rest room in the Town Hall as previously discussed was reported to the Council by the Mayor. He informed the Council that he had obtained prices for the installation and fixtures for same along with the requirements of the County Health Board for regulations covering this type of installation and that the costs of same were far in excess of previous estimates as determined by the Council. Inasmuch as these prices were in excess of any appropriations for same and that the regulations of the County Board were prohibitive the matter was ordered tabled.

The matter of renewal of a contract for a Village dumping Grounds with Edw. Meyer was discussed. Mr. Meyer had offered to renew same at the same rates and agreements has have heretofor applied. Whereupon the Mayor and Clerk were instructed by the Council to enter into contract with Mr. Meyer for same for a period of one year.

The matter of installation and purchase of street name signs was discussed at some length by the Council. Inasmuch as it was agreed that such a project should be undertaken, the Committee on Streets and Alleys were instructed to obtain prices for such signs and to determine the costs of installation and present same at the next meeting of Council April 1.

Street Commissioner Kenneth Johnson reported to the Council that he had contacted the Ohio Power Co. relative to their installaing the Police Signal Light as had heretofor been discussed by the Council, and the Ohio Power Co had informed him that it was unable to make this installation but that they would furnish a light pole for same. Whereupon Mr. Johnson was instructed to obtain actual costs of the fixtures, parts and installation thereof from C.A. Quisno and Son and to report same to the Committee on Public Safety, said committee to proceed at its individual activity relative to the matter.

Mayor C.A. Van Horn announced the appointmet of the folowing Committees to serve the term of 1954-1955.

Streets and Alleys: Major, Chairman, Weatherhead and Schilb.

Public Safety: Schilb " , Smith and Ross.

Fire and Water: Weatherhead, " , Smith and Major.

Ordinance: Bickhard " , Weatherhead and Ross.

Finance: Weatherhead, " , Bickhard and Major.

Public Property: Bickhard " , Ross and Smith

Sanitation: Ross " , Bickhard and Schilb.

Council member to serve on the Joint Cemetery Board: Frank Smith.

Proposed Ordinance #484 being an Ordinance entitled "An Ordinance Prohibiting Junkyards within the Corporate Limits of the Village of Antwerp, Ohio" was fully and distinctly read, section by section and in its entirety to the Council.

Whereupon it was koved by Smith and seconded by Bickhard that the rules and regulations requiring Ordinance to be read on three sepearate days be dispensed with and that Ordinance #484 be placed on its final reading and passage.

Roll Call Vote. (for suspension of rules)

Bickhard yea, Smith yea, Major yea,
Ross yea, Weatherhead yea, Schilb yea.

Roll Call Vote: (for passage)

Bickhard yea, Smith yea, Major yea,
Ross yea, Weatherhead yea, Schilb yea.

Yeas six: Nays none :

Whereupon Ordinance #484 was declared ~~XXXXXXXXXX~~ passed and ordered entered.

The matter of the bad condition of the ~~XXXXXX~~ first Alley East of Main Street between River Street and the Wabash Railroad Right of Way was discussed. Inasmuch as this alley was extensively used the Committee on Streets and Alleys was instructed to take such action as it deemed necessary.

The matter of sealing and chipping the blacktop streets throughout the Village was discussed and inasmuch as this was the year ~~XXXXXXX~~ for this work to be done, the Committee on Streets and Alleys was instructed to Contact the County Highway Dept and to set up arrangements for the County to do this work for the Village.

A request of The Sun Oil Co Service Station on West River street to change the location and erection of a sign was granted by the Council, same to be done to the satisfaction of the Committee on Streets and Alleys and the Committee on Public Safety.

The permit to Felix Tjeuna to solicit a garbage collection route in the Village was extended for one year from the date of the Original permit with the stipulation that Section C of same be amended to read that the sum of ~~XXXXXX~~ \$1.50 per month could be charged for collections at private homes, in lieu of \$1.25 per month as stipulated in the original agreement, but that no further advance in such charges would be permitted.

~~XXXXXXXXXXXX~~

The Mayor reported that two new office swivel chairs were needed in the Council Room to replace chairs long past their time. After some discussion of the matter it was referred to the Committee on Public Property for disposition.

Mayor C.A. Van Horn reported the Collections of \$489.00 in fines and permits for the Month of February. Same disbursed as follows:

Treasurer of State:	105.00
Village Treasurer :	374.00
Fees payable in 1953 to the Vice Mayor:	10.00.

Proposed Ordinance # 483 being an Ordinance for payment of Bills was read to the Council in its entirety:

Whereupon it was moved by Weatherhead and seconded by Major that the Ordinance be passed as read. Vote being taken thereon resulted as follows:

Bickhard yea,	Major yea.	Weatherhead yea,
Smith yea	Ross yea,	Schilb yea.

Six yeas, no nays, whereupon the motion was declared carried and ordinance #483 declared passed and ordered entered.

As there was no further business to come before the Council at this time it was moved by Ross and seconded by Schilb that the meeting be adjourned. Motion carried.

A special meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Major and Schilb. Ross and Weatherhead absent.

Purpose of the meeting was to discuss the meeting with the representative of the State Board of Health at Columbus on Monday March 22, relative to the stream pollution of the Maumee River by the Village of Antwerp, and to discuss the action necessary to be taken in the matter.

Mayor Van Horn requested that as many of the Council Members as could, to attend this meeting with Village Attorney Wm Day and himself. He also stated that he desired members of the Board of Public Affairs and any other interested parties to attend.

Arrangements were made for any one desiring to go to meet at the Town Hall at 7:15 A.M. Mon. March 22, and for transportation to Columbus.

No further business, the meeting was adjourned.

Council Chamber
City Hall.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present. Bickhard, Smith, Major, Ross, Weatherhead and Schilb All present.

Minutes of the previous meeting read and approved.

Mr. Shuherk of the Great Lakes Development Corp. was present and presented a proposition to the Council for an addition 15 ft. to be added to the west property line of Webbers Addition. This amount of footage would have to be taken from the Street Right of Way which he explained as being 66 ft. in width. This would still leave a right of way for the street of 51 ft which he deemed sufficient for all purposes.

Whereupon the Committee on Streets and Alleys informed Mr. Shuherk that in their opinion the street right of way in question was for a width of 33 ft. only and that the relinquishing of 15 ft. to the Webber Addition would not leave sufficient footage to maintain a proper street width.

After some discussion of the matter ~~xxxxx~~ the Street & Alley Committ was instructed to Contact Attorney Wm. Day and Engineer Connor to ascertain the actual status of this street right of way and to report same to the Council at a later date at which time the request of the Great Lakes Development Corp, for additional footage would be taken under consideration.

Mr. Mc Creery and Mr Shaffer were present and requested the installation of street lights , locations to be determined by the Council, on east River Street Extended. They were informed that these installations were being studded and that same would probably be installed in the very near future as sufficient funds were available for street light extension.

They also reported that the side road in their addition was in a very bad state of repair and urged immediate attention to same. This matter was referred to the Committee on Streets and Alleys for disposition.

The matter of a sewer outlet ~~was~~ for Fred Fett at his new house near the East termin of Woodcox Street was discussed. Same referred to the Committee on Streets and Alleys for disposition.

Mr. Pettis of the Firm of Finkbner, Pettis and Strout Consulting Engineers was present relative to the installation and construction of a sewage treatment plant for the Village.

Inasmuch as the State Board of Health had granted permission for the Village to utilize the present sewer system in the incorporation of plans for this project Mr. Pettis informed the Council that such a project could be undertaken at a much smaller cost than the original plans submitted some years previous which entailed the use of the construction of a seperate and new sanitary sewer system throughout the Village.

He outlined to the Council the procedures of construction that could be taken in following this ruling of the State Sanitary Commission in the use of the present sewer system in the project. and that his firm would be pleased to make a preliminary survey in order to determine the estimated costs of this project for the Sum of \$250.00.

After considerable discussion of the matter it was moved by Weatherhead ~~and seconded by Mr. Smith~~ that the Firm of Finkbeiner, Pettis and Strout be directed to proceed with a study of the possibilty of providing intercepting sewers to the existing sewer system and the installation of a sewage treatment plant in order to determine the estimated costs of such a project, this estimate to be in sufficient detail to be used as a basis to establish a sound financing program therefor. This study and survey to be made, completed and submitted to the Village Council, for the sum of \$250.00. and that the Clerk be further directed to issue written confirmation in conformity with this motion to Finkbeiner, Pettis and Strout, Consulting Engineers, Toledo, Ohio. and that he be further directed to send a copy of this confirmation to Mr. E.S.Hoyt of the Sanitary Commission of the Department of Health of the State of Ohio.

Mr. Smith seconded the motion.

Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Major yea, Ross yea, Weatherhead yea, Schilb yea.

Yeas, Six. Nays, none. The Motion was declared carried by the Mayor.

Proposed Ordinance #485 being an Ordinance for payment of bills was read in its entirety to the Council. Whereupon it was moved by Bickhard and seconded by Major that Ordinance #485 be passed as read. Vote on the motion resulted as follows.

Bickhard yea, Smith yea, Major yea, Ross yea, Weatherhead yea, Schilb yea. Yeas, six. Nays, none.

Whereupon Ordinance #485 was declared passed and ordered entered.

As there was no further business to come before the Council at this time it was moved by Weatherhead and seconded by Smith that the meeting be adjourned. Motion carried.

Council Chamber
City Hall.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding, with the following members of the Council present: Bickhard, Smith, Major, Ross, Weatherhead and Schilb. All present.

Minutes of the previous meeting read and approved.

Mr. Delong and Mr. Oulette of East Stone Street were present and requested the Council to take some action relative to the alley extending between Stone street and Daggett Street, either by repairing same or to close it off to traffic. After some sidcussion of the matter the Committee on Streets and Alleys were directed to inspect this Alley and to make the needed repairs.

The Mayor Reported that the State Department of Health had issued a Permit to the Village whereby the permission was granted to discharge raw sewage in the Maumee River. This permit to extend to December 1954.

A communication was received from Solicitor Wm. Day relative to the Street Right of Way on the West side of the Webber Addition to the Village. He informed the Council that

after thorough examination of all plats and records that this street right-of-way was 33 ft. rather than the 60 ft. right-of-way as contended by the Great Lake Developement Corp. in the efforts to obtain the Village to cede an additional 15 foot addition on the west side of the Webber Addition Plat. Mr. Day advised the Council that in his opinion there was insufficient footage to grant the request for the Great Lakes Developement Corp., which same opinion was held on same by all members of the Council, whereupon the written opinion of Mr. Day was ordered recorded and filed.

The matter of compensation for the Deputy Marshals, Jack Taylor And Richard McCalla was discussed at some length by the Council. Inasmuch as it was agreed that these men had been performing their duties in an excellent manner the Council was of the opinion that they should receive some compensation for these services. Whereupon it was moved by Major and seconded by Ross that Jack Taylor and Richard McCalla be paid the sum of Fifty per month each for their services as Deputy Marshals and that their duties be performed in the same manner and the same approximate hours as has heretofor been in effect, said hours and time of duty to be under the supervision of the Mayor and Marshall Johnson. Vote on the Motion resulted as follows: Bickhard yea, Smith yea, Major yea, Ross yea, Weatherhead yea, Schilb yea. Six yeas. No nays. Motion carried.

The Clerk was directed to request bids for the Lease of a Police Car for the Village for the year commencing June 1, 1954.

The matter of purchasing street name signs was discussed at some length by the Council. Whereupon the Clerk was directed to write to various sign Companies, names and addresses to be furnished by the Street Commissioner, relative to obtain prices on various types of signs and posts and to present same at the next regular meeting of Council.

The Contract with E.H.Purcell & Co. Inc. for fogging services during the summer months of 1954. was discussed as offered. Whereupon the Clerk was directed to notify E.H.Purcell & Co. that the Council was desirous of continuing this service as in the past as stipulated in the agreement presented; and to further notify Mr. Purcell to meet with the Council at the next regular meeting, June 3rd relative to same.

The Clerk reported receiving a bid from Paul Kennedy in the amount of \$5.25 for the rental of the portion of River Side Park known as the Island, for the season of 1954.

Inasmuch as the bid of Mr. Kennedy was the Highest and best bid offered, it was move by Smith and seconded by Major that the Island Property be rented to Paul Kennedy for the season of 1954, for the purposes of farming only and that the Clerk be directed to accept payment for same and issue proper pay in orders to the Village Treasurer.

Ordinance #488, being an Ordinance for payment of bills was read in its entirety to the Clerk to the Council. Upon which it was moved by Weatherhead and seconded by Bickhard that Ordinance #488 be passed as read. Vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Major yea,
Ross yea, Weatherhead yea, Schilb yea.

Six yeas. No nays.

Whereupon Ordinance #488 was declared passed and ordered entered.

There being no further business to come before the Council at this time it was moved by Ross and seconded by Major that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present. Bickhard, Smith, Ross, Major, Weatherhead and Schilb. All present.

Minutes of the previous meeting read and approved.

A Committee from the Board of Education of the Antwerp Local School District met with the Council and requested the abandonment of Franklin Street from Monroe Street, west to Madison Street. They stated that the proposed new addition to the present School Building would be constructed on the west side thereof and that the above request granted would enable the Engineers to locate the addition to a much better advantage and would also provide more playground space. After some discussion of the matter the Committee was informed that in order to grant such a vacation of a street the Council should be presented a petition by the abutting property owners requesting such an abandonment and that the Council would take action from that point. This they agreed to do and to present same at a later date for consideration.

Chas Paxton was present to the installation of a post at the South East Corner of his property on East Washington St. Ext. He stated that traffic on the alley running adjacent to his east property line was ~~XXX~~ cutting across this corner of his property and that the request for this installation was due to same. This request was granted subject to the approval of the Street Commissioner.

The manager of the Fleet Wing Service Station located at the S.E. corner of the intersection of Main & River Streets, was present and requested permission to erect a sign at their above place of business. After some discussion of the matter it was referred to the Committee on Streets and Alleys for disposition.

Mr. Thomas, representative of the Dayton Stencil Works was present relative to the previous request by Council for information and other data on street name signs.

He exhibited a sample of their sign unit which he stated was what in his opinion the Council should consider. This sample unit was considered by the Council as a very desirable type suitable for the needs of the Village and requested prices of same. Mr. Thomas informed the Council that he had computed a price of \$822.00 on a lot of 60 units. After some discussion Mr. Thomas agreed that if the Council desired to enter in to contract for the purchase of these signs that the price would be \$800.00 for the lot of 60 or a unit price price of \$11.42 each. He further agreed to reduce the minumum number of the lot to 45 units at this unit price of \$11.42, delivery-approx. 6 wks. After further discussion of the matter it was moved by Major and seconded by Ross that the Mayor and Clerk be directed to enter into contract with the Dayton Stencil Works for the purchase of 45 or more 4 way pedistal assembly street name signs and posts of 10½ ft x 2" as a complete unit at a price of \$11.42 per unit. and that the Clerk and Street Commissioner furnish Mr. Thomas with the exact number needed and a copy of the list of names of the streets necessary to be marked throughout the Village.

Vote being taken on the motion resulted as follows:

Bickhard yea,	Smith yea,	Major yea,
Ross yea,	Weatherhead nay,	Schilb nay.

Four yeas, two nays, whereupon the motion was declared carried by the Mayor.

Proposed Ordinance #491, being an Ordinance entitled "PROVIDING FOR THE APPLICATION FOR BUILDING PERMITS, ISSUANCE AND FEES THEREFOR, AND PENALTY." was fully and distinctly read to Council.

Whereupon Weatherhead moved, seconded by Smith that the rule requiring Ordinance to be read on three different days be dispensed with, and that Ordinance #491 be placed on its final reading and passage.

Roll Call(for dispensing with rule)

Bickhard yea,	Smith yea,	Major yea,

Yeas, six. Nays, none.

Roll call (for immediate passage)

Bickhard yea,	Smith yea,	Major yea,
Ross yea,	Weatherhead yea,	Schilb yea.

Yeas, six. Nays, none.

Whereupon Ordinance #491 was declared passed and ordered entered.

The Police Department was authorized to purchase and case therefor at an approximate cost of \$18.00.

This being the date set for receiving sealed bids for the lease of a motor vehicle for use by the Village, the Clerk was directed to open any and all bids so marked, which were read and tabulated as follows: all in accordance with the proposal and stipulations as provided for in the specifications as on file with the Clerk.

Leinard Chevrolet Sales: \$588.00 per year.
L. Smith & Son : #650.00 per year.

Inasmuch as the bid of Leinard Chevrolet Sales was determined to be the lowest and best bid received it was moved, it was moved by Schilb and seconded by Weatherhead that the bid of Leinard Chevrolet Sales be accepted in the amount of \$588.00 per year subject to all provisions and specifications as defined in the Contract-Proposal for bids, as on file with the Clerk and copies of which were in the possession of all bidders, and that the Mayor be authorized to enter into contract for same.

Vote on the motion resulted as follows:

Bickhard yea, Smith yea, Major yea,
Ross yea, Weatherhead yea, Schilb yea.

Six yeas, no nays. Motion carried.

The Clerk was directed to write to the Ohio Power Co. authorizing the installation of 5 additional street lights to the present system. The exact location of same as requested by the Committee on Streets and Alleys.

Ordinance #490, being an Ordinance for payment of bills was fully and distinctly read to Council. Upon which it was moved by Bickhard and seconded by Ross that Ordinance #490 be passed as read.

Roll call vote on the motion resulted as follows.

Council Chamber
City Hall.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding, with the following members of the Council present: Bickhard, Smith, Ross, Weatherhead and Schilb. Major absent.

Minutes of the previous meeting read and approved.

Mr. Sharpe of East Canal Street met with the Council relative to the proposed right of way requested by the Great Lakes Development Corp. from the East Side of Park Street. He was informed that this matter of granting addition footage to the west side of the lot at the intersection of Park and Canal Sts. had been discussed previously and that inasmuch as Park Street had a right of way of only 33 ft. that no further footage could be granted there from. The Council suggested to Mr. Sharpe that he contact the Great Lakes Development Co relative to the residence on this lot and work out his problem with them.

Marshal Kenneth Johnson being present presented to the Council a proposition whereby a police radio could be obtained under a special offer in conjunction with the new County Police Radio Hookup. Sheriff Keeler also present reported that a radio of this type could be purchased for the approximate amount of \$541 if such could be bought in conjunction with the Sheriffs and County Radio Equipment. This offer would be valid for 60 days from June 18. He estimated the cost of installation at approx. 25.00 to 35.00 Dollars. He explained the advantages of this type of equipment for the police Department and the help it would be in law enforcement throughout the area. After some discussion of the matter it was decided to take this offer under consideration and for further discussion at a later date. Sheriff Keeler informed the Council that he could have Mr. E.O. Reinhart Engineer of the G.E. Company present to further explain the advantages and technical operations of this equipment.

Mr. Ed Shaeffer was present and informed the Council that as to date no action had been taken by the Ohio Power Co. relative to the installation of Street Lights on East Rive Street and Schaeffer Road as had been promised previously. He also reported that the Schaeffer Road was also in need of further grading and should be oiled to maintain it in good condition. Mr. Schaeffer was informed that the installation of Street Lights would be made within the next few days and St. Commissioner Kenneth Johnson was instructed to contact the County Highway relative to the grading and oiling of Schaffer Road and also the Driveways throughout Riverside Park.

Mr. Guy Jump was present relative to rumor that he had planned to proceed with the second addition in Kauffman Add. to the Village, with unauthorized street and sewer construction. He informed the Council that at this time he had no intention of proceeding with such an extension in the Kauffman Addition and that all talk relative to same was only hearsay. He further informed the Council that at any time he decided to proceed with such an addition that they would receive due notice, of same. A general discussion relative to control of street, sewer and water main construction in new additions was entered into upon which it was decided to have Mr. Connors Engineer meet with the Council at a Special and to proceed with the preparation of a set of minimum requirements for such construction in new additions in the future.

The matter of prohibiting parking on the South Side of East River was discussed, upon which the Committee on Streets and Alleys were instructed to study the problem and proceed accordingly.

Fire Cheif Melvin was present and made complaint of Traffic interfering with fire runs. He stated that this traffic, following the Fire Equipment at time of Fires greatly interfered with the Firemen to proceed to a fire as well as the Fire equipment. After some discussion on how to curb this hinderance of the Dept- in the performance of its duties. it was decided to publish a notice in the Bee Argus to please refrain from the above practice under penalty of law and that every effort be made to apprehend the offenders.

Cheif also informed the Council that the State was holding a School of instruction for Firemen and that he was very desiourous of attending theses sessions. That the tuition, room and board for a representative for the three day session was \$35.00. After discussing the matter it was moved by Weatherhead and seconded by Schilb that this amount be authorized for the purpose hereinabove mentioned and that additional allowance be made covering milage expense to and from the School. A special meeting of the Council and the Board of Public Affairs was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present. at roll call. Bickhard, Smith. Major, Ross and Schilb. Members of the Board of Public Affairs present at roll call: O.E. Ehrhart, LaVon Carr and E Melvin Billman. Clerk of the Board Edw. Carr present. Solicitor Wm. Day present.

Purpose of the meeting was to discuss the matter of Public Employee Retirement program of the State of Ohio.

Mayor Van Horn presented to the joint meeting the fact that the Board of Public Affairs and the Village were subject to participation in this program and that same was compulsory. He stated that in order to begin such participation that it would be necessary for the Public Employees that were eligible to make up back payment contributions to the program and that it was likewise compulsory for the Board of Public Affairs and the Village to make payment of all contributions in arrears with the Public Employees Retirement Act.

After considerable discussion of the matter, Mr. Day informed the Council that it might be possible to arrange an adjustment of some sort relative to the time of payment of such contributions with the State Officials of the Public Employees Retirement

Program but that in order to make any kind of such a proposition to the State that it would be necessary for a group representing the Board of Public Affairs and the Village to meet with the State Representatives in person and discuss the matter with them relative to any sort of adjustment, the various benefits and amounts to be derived from participation therein.

Whereupon Mayor Van Horn appointed the following ~~members of~~ officials the Village and Board of Public Affairs to ~~xxxx~~ meet with the Officials of the State Public Employees Retirement program at the earliest possible time such a meeting could be arranged. O.E.Ehrhart, Wm. Day, Edw.Carr. Kenneth Johnson, C.A.Van Horn. He further instructed the Clerks of the Board and the Village to prepare a Statement of Salaries and wages paid to all eligible employees during their entire term of service with the Village and to present same to the joint group of the Village Council and the Board of Public Affairs at the regular meeting of August 5th, 1954. Said data and information to be placed in the hands of the Committee of above named officials.

Councilman Weatherhead entered the Council Chamber at this point.

The Mayor informed the Council that the new Street name signs had been received and that as soon as the posts arrive, the installation of same would be made. Some discussion of the method of setting the posts was entered into but it was decided to use the method as originally decided upon, namely setting same in a concrete base. with a stone insulation underneath.

There being no further business to come before the Council at this time, it was moved by Smith and seconded by Ross that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross, Major, Weatherhead and Schilb. All present.

Minutes of the previous meeting read and approved.

Mr. O.N. Harrmann was present and asked that the Council take some steps in getting weeds cut along Canal Street and in the rear of the Webber Addition: He also requested the installation of a Street Light on Canal Street east of the last installation thereon. The matter was referred to the Committee on Streets and Alleys.

Mr. Robert Whetstone was present relative to the maintenance item on Buffalo Street as had been previously agreed upon between the Village and the County Agricultural Service Committee. He stated that if the Committee was in receipt of this amount from the Trucker who hauled the Stone, that they could pay him for same and he in turn could reimburse the Village. The amount and sections of Buffalo St. to be included in this settlement was agreed upon and the matter was referred to the Committee on Streets and Alleys for their disposition.

Mr. E.R. Wann County Civilian Defense Coordinator and Mr. Fulmer County De Civilian Defence Warden were present and informed the Council that in the interest of Civilian Defense each Village was being contacted to make an appointment of a Village Civilian Defence Warden and explained in general the operation of the Civilian Defense Program. After considerable discussion of the matter, Mayor C.A. Van Horn appointed Deputy Marshal Richard McCalla as Civilian Defense Warden of the Village of Antwerp to act in accordance with the rules and regulations of the program and in conjunction with the County Officials thereof. Mr. McCalla was thereupon given further instruction and details of the program by the County Officials in the performance of his newly acquired duties.

Mr. Ed McCreery was present and informed the Council that the Sewer outlet in the rear of his property on East River Street Extended was again washing out around the outlet and was starting to erode further into his property. He stated that the repair on this outlet made approximately a year ago did not hold and that in his opinion a different method should be used in an effort to halt this washout. After considerable discussion of the matter the Mayor and the Committee on Streets and Alleys were instructed to contact the County Ditch Supervisor and work out some method by which this problem could be satisfactorily terminated.

Mr. Ed Shaffer was present and requested information as to why Shaffer Road was not oiled as had been previously promised. He stated that the County Equipment had performed ~~XXX~~ this work in Riverside Park but had for some reason omitted Shaffer Road. No reason was known why this had occurred but Mr. Shaffer was promised immediate action in the matter. Mr. Shaffer further informed the Council that the recent installation of Streets Lights on East River Street Extd. one light was installed outside the Corporation Limits. and requested the removal to within the Village. The Mayor was instructed to take the necessary steps to remedy this condition.

Mr. Estell Cottrell of the County Sanitary Commission was present and informed the Council of the necessary action to be taken relative to the adoption of certain legislation governing specified sanitary conditions and installations within the Village, further stating that this legislation was compulsory on the part of the Village under the State Health Acts, and that failure to take action in the matter would necessitate the County Health Committee to take charge of such sanitary conditions and installation under their direct supervision and inspection. After considerable discussion of the matter it was decided to postpone any action in this matter until a later date, during which time it could be given further consideration and study.

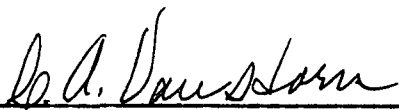

Village Engineer Francis Connors was present relative to securing further detail and instruction in the preparation of building and construction Code for the Village. These items as presented by Mr. Connors were discussed and decided upon and Mr. Connors instructed to have same inserted in the complete draft of the Code.

Proposed Ordinance #495 being an Ordinance entitled "An Ordinance for Payment of Bills" was read in its entirety to the Council. Whereupon it was moved by Weatherhead and seconded by Ross that Ordinance #495 be passed as read. Vote being taken on the motion resulted as follows:

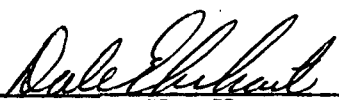

Bickhard yea, Smith yea, Ross yea, Major yea,
Weatherhead yea, Schilb yea.

Six yeas, . No nays. Motion was declared by the Mayor and Ordinance #495 declared passed and ordered entered.

As there was no further business to come before the Council at this time it was moved by Weatherhead and seconded by Ross that the meeting be adjourned. Motion carried.

Council Chamber
City Hall.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Ross, Major, Weatherhead and Schilb. Smith absent.

Minutes of the previous meeting read and approved.

Mr. Esw. McCreery was present at the meeting and informed the Council that the Sewer Outlet at the rear of his property on East River St. Ext. was again washing out and that the repair work performed approximately a year ago had not held and that something must be done relative to this wash out in the very near future. The Mayor informed Mr. McCreery that the County Ditch Supervisor had been contacted in this matter and he had promised to take action in the matter at once. However he would be again reminded to immediately contact the proper Committee of the Village Council so that steps could be taken to remedy this condition at the earliest possible time.

The Clerk was directed to write to Mr. Ed. Howes of the Mine Safety Appliance Co. requesting him to meet with the Fire and Water Committee of the Council at his earliest convenience, relative to purchasing smoke masks for the Fire Dept. as had been under discussion at previous meetings.

The matter of Sanitary Rules and Regulations as prescribed by the State Dept of Health and presented to the Council at the August Regular meeting was discussed.

One point as presented to the Council was that a Village could keep Sanitary Controls under their own jurisdiction by the enacting of proper legislation and failure to do so would cause the State Health Dept to take over such controls under the supervision.

After considerable discussion of the matter it was moved by Schilb and seconded by Major that the Sanitary Controls be kept under the Jurisdiction of the Village of Antwerp, and that the Village Solicitor be directed to prepare the proper legislation necessary to keep such Controls.

Vote being taken on the Motion resulted as follows:

Bickhard yea, Ross yea, Major yea, Weatherhead nay, Schilb yea, Smith absent. Yeas four. Nays one. Smith absent. Motion carried.

The matter of prohibiting parking on Franklin street during school hours was discussed by the Council. Inasmuch as such a regulation would be of decided benefit to the School Traffic and to the Community as a whole, it was moved by Weatherhead and seconded by Ross that parking be prohibited on the North Side of Franklin Street ~~xxx~~ from Main Street, west to Monroe Street. during school hours and that the Street Commissioner be directed to post same accordingly at the earliest possible time. Vote being taken thereon resulted as follows: ~~After further discussion~~ Bickhard yea, Ross yea, Major yea, Weatherhead yea, Schilb yea. Smith absent. Five yeas, no nays, Smith absent. Motion carried.

After further discussion of the matter it was moved by Schilb and seconded by Major that parking on Franklin Street on the South side be prohibited from Cleveland Street to Monroe Street and that the Street Commissioner be directed to post same accordingly. Vote being taken thereon resulted as follows: Bickhard yea, Ross yea, Major yea, Weatherhead yea, Schilb yea. Smith absent. Five yeas no nays, Smith absent. Motion carried.

Richard McCalla was present and presented his oral resignation as deputy Marshal. He stated that business reasons only were the cause of this request to be relieved of his duties. After some discussion of the above Mr. McCalla was persuaded to change this request to resign, to taking a leave of absence.

Whereupon it was moved by Major and seconded that Mr. Richard Mc Calla be extended a leave of absence from the position of Deputy Marshall of the Village. Vote being taken on the motion resulted as follows: Bickhard yea, Ross yea, Major yea, Weatherhead yea, Schilb yea. Smith absent. Five yeas no nays, Smith absent. Motion carried.

Proposed Ordinance #496 be an Ordinance entitled An Ordinance for payment of Bills was read in its entirety to the Council. Whereupon it was moved by Bickhard and seconded by Weatherhead that proposed Ordinance #496 be passed as read. Vote being taken thereon resulted as follows: Bickhard yea, Ross yea, Major yea, Weatherhead yea, Schilb yea. Five yeas, no nays. Smith absent. Motion carried. and Ordinance #496 was declared passed and ordered entered.

As there was no further business to come before the Council at this time it was moved by Schilb and seconded by Ross that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross, Major and Schilb. Weatherhead absent.

Minutes of the previous meeting read and approved.

A committee of residents of West Canal St and Wilhelm St. was present and presented to the Council a petition for the improvement of Canal St from Wentworth Road to Wilhelm St. and Wilhelm St. from Canal St to Washington St. by Constructing a Sanitary Sewer. They also requested the installation of Street Lights at Wilhem & Canal and at Wentworth Rd and Canal.

The petition for the Sewer Construction was referred to Wm. Day Village Solicitor for the preparation of a proper legal form to be given to the petitioners and to be properly signed and executed by them, at which time they were instructed to re-submit their desires to the Council.

Relative to the request for the Street Lights, they were informed that the Ohio Power Co had been instructed to install lights at the intersections as stated above, and that same should be installed within the near future.

Mr. Strout of Finkbeiner, Spettis and Strout was present and presented the Council the reduced project plan of the Sanitary System and Sewer Disposal Plant as the had been previously authorized. He informed the Council that this plan had been set up in such a manner that it could be completely tied in with a complete sanitary system at any time the Council wished to proceed with such a plan. but that for the present he was of the opinion that the plans and specifications as outlined and presented to the Council would suffice and that a renewed permit could be obtained from the State Health Board for disposition of untreated sewage in the Maumee River.

Mr. Strout also discussed various methods of financing such a program when same should be decided upon by the Council, along with various engineering procedures and answered all questions during a general overall discussion of the project.

The cost of such a reduced cost project as outlined would be estimated at \$200,000.00. That a general outline of a finance plan could be in General Obligation Bonds authorized by Vote in the amount of \$30,000. Special Assessments in the Amount of \$130,000, and Mortgage Revenue Bonds in the Amount of \$40,000.

Complete detail of the above outline of the project being on file with the Clerk of this Council.

After some further discussion it was moved by Smith and seconded by Bickhard that the Firm of Finkbeiner, Pettis & Strout be authorized to submit the details of the reduced cost project to the State Department of Health for their approval. Vote on the Motion resulted as follows:

The Mayor reported that he was in receipt of a letter from the
State Department of Health, approving the reduced cost plans
as submitted for the construction of a Sewage Disposal
Plant and the necessary sewers and other installation
therefor, with the provision that detailed plans be sub-
mitted to the Department of Health befoe and actual con-
struction is started.

The Mayor reported that he was in receipt of a letter from
the Ohio Legislative Body relative to a meeting to be
held on Janauary 20 for the purpose of studing The Ohio
Water Pollution Control Act relative to the operation of
same and the study of various financial difficulties
experienced by Municipalities in complying with same.
Inas much as this problem was of primary interest to the
Village of Antwerp, the Mayor was authorized to attend this
meeting at the expense of the Village should he find it
possible to do so.

A Petition praying for the vacation of Franklin Street from the West property line of Monroe Street , west to the East property line of Madison Street was read and heard by the Council. Whereupon the Clerk was directed to have same published as a public notice and that said petition is now pending before Council and that final action thereon according to law will be taken on the Third day of March, 1955.

Council Chamber
City Hall.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross, Major, Weatherhead and Schilb. All present.

Minutes of the previous meeting read and approved.

As this was the expiration date of the permit for local garbage collection in the Village, the representative of the Collection Firm met with the Council and requested permission to increase the rates for such as had been in force for the past year of \$1.50 to the sum of \$2.00 per month for residential collections. After some discussion of the matter the Council agreed to grant a new permit for the ensuing year to incorporate a fee of \$1.75 per month. This offer was taken under advisement by the Collection Agency and to be reopted at a later date of their decision to the Mayor.

Representatives of the Local Business firms met with the Council relative to the stricter enforcement of the Ordinance limiting parking to two hours. They informed the Council that this Two Hour Parking Ordinance was being violated excessively, and demanded that it be enforced strictly. After some heated discussion of the matter the businessmen were promised that this Ordinance would be enforced to the best ability of the Mayor and the Police Dept. to do so.

It was decided to publish warnings of the intentions of Council after which time penalties for the violation thereof would be applied.

Civil Defense Director, Estel Cottrell was present and informed the Council that his local unit had been instructed to erect an observation tower and to otherwise to put orders and directives of the Civil Defense Commission in to effect at once. He further informed the Council that he was desirous of the Contribution of \$50.00 from the Village for the erection of such a tower and that the County Commissioners would meet this amount with a contribution of \$50.00, and that the R.E.A would furnish and set poles for this erection free of charge and that the Federal Government would furnish Telephone Service.

After some further discussion of the matter it was moved by Schilb and seconded by Weatherhead that the sum of \$50.00 be appropriated and donated to the Civil Defense Director for the purpose as hereinabove set forth. Vote on the motion as follows:

Bickhard yea, Smith yea, Ross yea,
Major yea, Weatherhead yea, Schilb yea.

Six yeas, no nays. Motion carried.

The matter of a tennis Court to be erected on the property immediately adjoining the Town Hall on the north, was discussed. Inasmuch as several Councilmen had been approached relative to the Village helping to erect such a Court by various organizations and individuals, the Committee on Public Property was instructed to help in this matter on behalf of the Village in whatever manner they deemed advisable.

The matter of the construction of a fence at Riverside Park along the South side along Route #24 was discussed. Inasmuch as this would be a decided improvement especially in the safe guarding children who might be using the Park and to keep certain undesirable traffic from Route #24 to enter the Park from this particular side, the Committee on Public Property was instructed to investigate the costs of such a project and if possible to proceed with such at their own judgement., and report at the next meeting of Council.

The Committee on Fire and Water was instructed to meet with the Chief of The Fire Department relative to the purchase of needed supplies and minor equipment and to report same at the next meeting of Council.

The Clerk read the detailed financial report for the Month of January, Same being heard and ordered filed.

Proposed Ordinance #508 being an Ordinance entitled an Ordinance for payment of Bills, was read in its entirety to the Council.

Whereupon it was moved by Ross and seconded by Smith that t Ordinance #508 be passed as read.

Roll call vote being taken thereon resulted as follows:

Fire Chief Melvin Billman was present and presented to the Council for their consideration and information with the idea in mind to be presented to the voters at the November election relative to the expansion of the Fire Department: the following estimates and preliminary plan outlay.

The cost of a new pumper truck for a 500 gal per minute pumper at an estimate of approximately \$12,000 to \$14,000 and a 750 gal per minute pumper to be approximately \$1,000 additional to these estimates.

He also outlined to the Council his plans for a suitable housing unit for the Fire Equipment as follows:

A building approximately 40 ft by 60 ft. which would be large enough to house properly four peices of mobile Fire Equipment and furnish room for other necessities of the department, to be of concrete block construction cement floor, steel windows as needed a good type of roof and four overhang doors of good quality at an estimated cost of \$5,000 for material and and additional \$3,000 for construction labor. Total preliminary estimated cost of the housing unit - \$8,000.

With other items of miscellaneous nature the total outlay should be set up at \$25,000.

He also presented the plan to locate this proposed building site on the Parking area bounded on the north by the wabash Railroad on the east be Main street and the south be Railroad Street and the west by Cleveland st, this site being owned by the Wabash Railroad Company. Me. Billman suggested that this might be obtained on a long term lease for this purpose by contacting the Railroad Company.

After considerable discussion of the matter it was decided to obtain further specific estimates of the costs of the Housing Unit construction and that the Clerk be directed to write to Mr. F.C.Flynn Division Supt of the Wabash Railroad Company relative to securing a long term lease as had been suggested as this site was determined to be very well suited for this purpose.

The Police Department reoprted that the siren for the police car was in need of repair and reconditioning for use on the new equipment and that the costs of same would be approximatley that of a new siren. They were instructed to obtain further estimates of this reconditioning and if no lower estimates could be obtained, to proceed with the purchase of a new siren as stipulated by the Committee on Fire and Water.

Proposed Ordinance #511 being an ordinance for payment of bills was read in its entirety to the Council. A special meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present. Bickhard, Smith, Ross, Major, Weatherhead and Schilb. All present.

A petition signed by a number of residents of School Hill Addition was presented to the Council, praying for the establishing of zoning ordinances in the Village. Upon hearing same and the various arguments in favor and against such a step it was ordered tabled until a future date until which time more consideration and study could be given to the matter.

Mayor Van Horn reported to the Council that Mr. Leon Miller had filed a request for a building permit to move a house on a vacant lot owned by him on Woodcox Street in School Hill Addition.

He further reported that some objections had been made to this type of construction by other property owners in the Addition and that he had withheld the issuance of the permit until he had consulted legal advice and obtained the opinion of the Council.

After some discussion of the matter and inasmuch as no Ordinances or Regulation are in force prohibiting a property owner from moving a building to a vacant lot, the Mayor was instructed to issue this permit as requested by Mr. Miller,.

As there was no further business to come before the Council at this time, it was moved by Schilb and seconded by Bickhard that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present at roll call; Bickhard, Ross, Major and Weatherhead.

Minutes of the previous meeting read and approved.

Mr. Alfred Daeger being present informed the Council that the Catholic Church at the corner of Daggett and Monroe Streets was desirous of installing a curb and parking area on the Daggett St or North Side of the Church property, similar to the curbing now constructed on the front or Monroe street side. He requested advice as to how to proceed. Mr. Daeger was informed that the Village could do nothing relative to this construction but that if the Church body wished to proceed that the Council would grant permission so to do, provided that existing grades and street boundaries were maintained to the satisfaction of the Committee on Streets and Alleys. He was also informed that the Village Engineer would be available to establish proper grade and lines for the installation of this curbing or for any other advice that they might need in the matter.

Mr. Ray Hiisong being present requested the use of the island portion of Riverside Park for farming purposes as he had had for the past season. He offered the rental of \$3.00 for the season. After some discussion of the matter and inasmuch as this was the best offer received, the Committee on Public Property informed Mr Hiisong that he could have the use of the plot of ground in Riverside Park known as the island, for the farming season of 1955, same to be used for the purpose of farming only, for the sum of \$3.00. Said rental being paid to the Clerk and receipt given.

Mr. Frederick Hertel and Mr. Wm. Miller being present requested the installation of a street light at their residences on West River Street extended. They were informed that the Ohio Power Co. was making a survey of the Village for the installation of additional street lights in the Village and that their request would be given to them for inclusion in their plans.

Mr. D.L. Mickelson being present voiced his objections to the trimming of the trees on the south side of River street between ~~XXXXXX~~ Madison Street and the Wentworth Road. Mr. Mickelson was informed that the Council had granted permission for this work and that regular tree surgeons had performed same and that in the opinion of most of the property owners on west River street that the operation was a decided improvement in the appearance thereof. However, Mr. Mickelson was assured that no trees on the North side of River street were under consideration for such trimming,

A petition, properly drawn and signed by the required number of property owners, praying for the Construction of a sewer along Erie Street from Canal Street south to the south Corporation limits, was presented to the Council. Same being read and heard, declared accepted and ordered filed.

Engineer Francis Connors reported that contingent upon a preliminary survey, already having been made of the site, the following types of construction and the approximate estimated costs of the installation of such a project would be as follows:

Alternate #1. 1000 ft. of 24" Concrete Pipe
500 ft. of 21 " " "
500 ft. of 18" plus necessary catch basins
Estimated cost: \$15,120.00

Alternate #2: 1000 ft. of 18" Concrete Pipe
500 ft. of 15" " "
500 ft. of 10" " " Plus necessary Catch Basins
Estimated cost: \$10,790.00

Alternate #3. 10" sanitary sewer the entire length: approximate estimated cost of \$9165.00

After considerable discussion of the matter by the Council and with a number of the effected property owners who were present. it was moved by Bickhard and seconded by Major that Engineer Connors be instructed to draw up plans and specifications for the construction of this sewer, same to be based on the Est. Alternate #1 as presented. Same to be prepared and ready for presentation to the Council at Special meeting to be held May 26, 1955. Mr. Connors being further instructed to prepare plans and specification for the construction of a sewer on Canal Street from Wentworth Road, east to Wilhelm Street, thence north on Wilhelm street to Washington Street. Same plans and specifications to be presented to Council at the Special meeting of May 26th. Said order being based upon petition previously filed with this Council.

Vote on the motion as follows: Bickhard yea, Ross yea, Major yea, Weatherhead yea. Four yeas. No nays. Motion carried.

Councilman Frank Smith entered the meeting and was adjudged present:

The Clerk was instructed to write the Antwerp Equity Exchange Co. commending the Company upon the excelent manner in which they had cleaned up and graded the site of the building recently torn down along the Wabash Railway and East Stone Street. and to express the thanks of the Council for same.

Fire Chief Melvin Billman being present requested permission of the Council to purchase safety helmets for the Fire Company. After some discussion of the matter, it was move d by Weatherhead and seconded by Smith that the sum of \$150.00 be appropriated for the purchase of 12 helmets at an approximate cost of \$12.00- \$13.00 each. Vote on the motion as follows:

Smith yea, Bickhard yea, Ross yea,

Ap special meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding, with the following members of the Council present. Bickhard, Smith, Ross, Major, Weatherhead and Schilb. All present.

The Mayor stated the purpose of the meeting. To pass necessary legislation for the construction of certain sewers within the Village.

Engineer Francis Connors, contingent upon previous directive of Council having presented plans and specifications for the improvement of Eire St and Canal and Wilhelm St, said plans and specifications being on file with this Council, the following resolutions were offered for adoption:

Proposed Resolution #520, being a Resolution entitled

"A RESOLUTION DECLARING IT NECESSARY TO IMPROVE ERIE STREET FROM THE SOUTH CORPORATOIN LINE NORTHWARD TO THE NORTHWEST CORNER OF CANAL AND ERIE STREETS, ANTWERP, OHIO, BY THE CONSTRUCTION OF A COMBINED SEWER."

was read section by section and in its entirety to the Council.

Whereupon Smith moved, seconded by Weatherhead that the rule requiring Ordinances and Resolutions to be read on three different days, be suspended, and that Resolution #520 be placed on its final reading and passage.

Roll call. (for dispensing with rule).

Bickhard yea, Smith yea, Ross yea.
Major yea, Weatherhead yea, Schilb yea.

Yeas six. Nays. None.

Roll call: (for immediate passage).

Bickhard yea, Smith yea, Ross yea,
Major yea, Weatherhead yea, Schilb yea.

Yeas six. Nays none.

Whereupon Resolution #520 was declared passed and ordered entered.

Proposed Resolution #521, being a Resolution entitled

"DECLARING IT NECESSARY TO IMPROVE CANAL STREET FROM THE WEST END OF CANAL STREET EASTWARD TO WILHELM STREET, AND WILHELM STREET NORTH TO WASHINGTON STREET, IN THE VILLAGE OF ANTWERP, OHIO, BE THE CONSTRUCTION OF A COMBINED SEWER"

was read section by section and in its entirety to the Council.

Whereupon Bickhard moved, seconded by Major that the rule requiring Ordinances and Resolutions to be read on three different days be suspended and that Resolution #521 be placed on its final reading and passage.

Roll call (for dispensing with rule)

Bickhard yea, Smith yea, Ross yea,
Major yea, Weatherhead yea, Schilb yea.

Yeas six. Nays none.

Roll call (for immediate passage).

Bickhard yea, Smith yea, Ross yea,
Major yea, Weatherhead yea, Schilb yea.

Yeas six. Nays none.

Whereupon Resolution #521 was declared passed and ordered entered.

The matter of the enlargement of the feeder sewer from the present 20" size to a 36" sewer was discussed. This sewer runs from the N.W. Corner of Canal Street and Erie street thence Northeasterly to the termni of the 36" Ehrhart Sewer. Inasmuch as this feeder would constitute a so called bottle neck in the proposed Erie Street Sewre, the Washingtons street and Canal Street sewers, the Council deemed it necessary to enlargen this feeder. After some discussion of the matter. Solicitor Wm. Day was instructed to ascertain methods of financing and proceedure s relative to the installation of this improvement.in the near future.

The General Telephone Co of Ohio owners of a protion of land on the ~~west~~ northwest part of the Village, requested permission to construct an filter field and to install a septic tank at their building site, and thence drain directlty to the River to the westward, rather than tap into the existing Village sewers. Inasmuch as this arrangement meets with the approval of the State Board of Health and that this property , in case of the construction of a disposal plant in the Village, must be tied in with the Village Sewer system, the Mayor was instructed to grant this request.

As there was no further business to come before the Council at this time it was moved by Ross and seconded by Smith that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: at roll call: Ross, Major, Weatherhead and Schilb.

Minutes of the previous meeting were read and approved.

The Committee on Streets and Alleys reported that extensive street maintenance work was being planned for the month, especially in the matter of chipping the black top side streets and making such minor repairs and stone fill as was deemed necessary.

The matter of tax collections and their distribution to the various local governmentental units by the County Auditor were discussed at some length. Upon which it was decided to have Deputy State Examiner John A. Cromley meet with the Council at his convenience and explain in d detail the collection and distribution of County taxes.

Councilman Smith entered the meeting and was adjudged present.

Mr. Purcell of E.H. Purcell & Co. Inc. was present relative to the fogging program for the summer months as has been previously discussed

in the letter-proposed contract.

Mr. Purcell, who had been requested to attend the meeting in person was informed that the fogging program during the 1954 season had been unsatisfactory, relative to the manner in which the Village had been covered and fogged during the course of the program. That the Council had received complaints that entire areas in the Village had been missed. Mr. Purcell informed the Council that it was no doubt due to new drivers of the trucks and their negligence in informing the proper authorities in the Village of their intentions to fog on certain given dates, and further agreed to see that this practice would be rectified. He also informed the Council that new and better chemicals were being used and that better pest control could be expected. ~~After further discussion it was moved.~~ The proposed contract called for six foggings throughout the summer as follows: One in June, twice in July, twice in August and once in September. The total cost of same to be \$307.98 or \$51.33 per fogging, should the full schedule not be performed. He also stated that the schedule could be arranged for two foggings per month in June, July and August and that if a September fogging was desired same could be performed at the unit price as extra at \$51.33. After some further discussion it was moved by Smith and seconded by Major that the proposed contract as above set forth be accepted provided that the Purcell Co. definitely inform the Village Marshal of the exact date of the monthly or semi monthly fogging operation at that they contact him before starting the actual operation. Vote being taken on the motion resulted as follows:

Smith yea, Ross yea, Major yea, Schilb yea, Weatherhead yea, . Five yeas no nays. Bickhard absent. Motion was declared carried.

Ordinance #522 being an Ordinance entitled An Ordinance for payment of bills was read in its entirety to the Council. Whereupon it was moved by Ross and seconded by Smith that proposed ordinance #522 be passed as read. Vote on the motion resulted as follows: Smith yea, Ross yea, Major yea, Weatherhead yea, Schilb yea. Five yeas, no nays, Bickhard absent. Whereupon Ordinance #522 was declared passed and ordered entered.

There being no further business to come before the Council at this time it was moved by Schilb and seconded by Weatherhead that the meeting be adjourned. Motion carried.

A special called meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Smith, Ross, Major and Weatherhead. Bickhard and Schilb absent.

Mr. Leland Fisher was present relative to orders be the Fire Chief to fire g all ~~xxxxx~~ ariel pieces during the Antwerp day celebration from a point other than the outfield of the ball Park. After discussæon of the matter it was decided that firing of ariel pieces from the outfield was a decided fire hazard to homes in the vicinity and that this portion of the fireworks program should be fired from a point on North Park Ave extended, but that all ground pieces could be fired from the out field in full view of the grandstand.

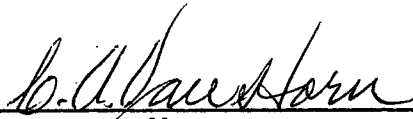

The Mayor was instructed to obtain a liability bond for the Village to cover any damages that might occur during the Antwerp days celbration July 1st and 2nd, in the amount of \$5000.00.

The Council was informed that two representatives of the General Telephone Co. of Ohio, planned to meet with the Council at their regular meeting July 7th relative to discussing methods of installing a system to sound Fire alarms when the full conversion to dial telephones would be completed in the fall.

Deputy State Examiner John A. Cromley was present and entered into discussion with the Council the methods of tax collections and their distribution be the County Auditor. He also suggested other means of revenue, namely the installation of Parking meters. This matter was discussed at some length and the Mayor was instructed to obtain the names of various meter companies and to contact same to have a representative meet with the Council in order to go into furcher detail of such a project, at a future meeting. Various matters of Village finance was discussed with the Council by Mr. Cromley.

There being no further business to come before the Council at this time it was moved and seconded that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn Presiding with the following members of the Council present: Bickhard, Smith, Ross, Major, Weatherhead and Schilb. All present.

Minutes of the previous meeting read and approved as read.

Mr. Rice of the General Telephone Co. of Ohio was present relative to discussing methods of installing an alarm system for fires and police calls when the present telephone system is converted to dial system. He informed the Council that some Villages were installing telephones for fire calls in Funeral Homes and other places where some was on duty at all times . He discussed various methods of installing systems for police calls and fire alarms at some length. After considerable discussion of the matter Mr. Rice suggested that the Council give all methods there fullest consideration and that he would be more than willing to meet with the Council at a later date to receive their decision as to how such emergency calls were to be handled after conversion and to set up plans to comply with same. Upon which it was determined to talk the matter over and to notify Mr. Rice when such a decision was reached .

The matter of several accidents occurring at the East Traffic Signal at the intersection of Oswalt St. and River St was discussed. with the Mayor and Police Department. Mayor Van Horn reported that a warning of "Traffic Signal Ahead" should be installed some distance east of the Signal in order to warn traffic of the existance of same. This opinion was borne out by the members of Council. Mayor Van Horn reported that a State Highway representative was to inspect the condition relative to the forgoing withing the near future.

The matter of installing a rest room in the Town Hall was discussed. Inasmuch as this installation was deemed to be vitally necessary, the Mayor was instructed to obtain quotations for such ~~and~~ installation and to report same at the next meeting of Council.

The Clerk reported receiving the following bids for painting and resurfacing roof on the Town Hall, details of which are on file with the Clerk.

Don and Lynn Leichty	\$395.00
Homers Sanders	\$419.00

Inasmuch as the bid of Don and Lynn Lichty was deemed the lowest and best bid received it was move by Bickhard and seconded be Weatherhead that their bid of \$395.00 be accepted and that the Committee on Public Property be instructed to proceed with the project.

Roll call vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Ross yea, Major yea, Weatherhead yea, Schilb yea.

Yeas six. Nays none. Motion carried.

The Clerks financial report in detail as at the June 30, was read section by section and in its entirety to the Council. Same being heard, discussed and thereupon ordered filed.

Mr. Rice of the General Telephone Company of Ohio was present relative to discussing the installation of Fire alarms and police calls.

After considerable discussion of the above matter Mr. Rice informed the Council that one main telephone could be installed at a cost of \$9.00 per month and all extensions therefrom at a cost of \$3.50 per month each. and that the Village pay for materials and labor for the installation of the system to sound the Fire Siren.

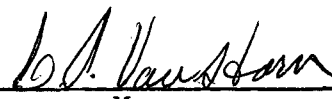

Whereupon T.C.Schilb of Schilb and Sons informed the Council that it would be acceptable to their firm to have ~~xxxxx~~ the extensions installed in their business establishments providing that the Village furnish a man to attend these extensions during the absence of members of their company.

Whereupon Mr. Rice was instructed to install the main phone for Fire alarms at the Fire Station and to install extensions at Schilbs Furniture and Appliance Store, Schilbs Funeral Home and at the residence of Andrew Schilb.

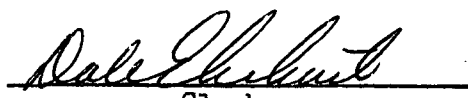

And that Police calls would be received as at present. At the Home of Marshal Johnson and at the Town Hall.

The matter of placing a bond issue on the ballot at the November elections for the purpose of purchasing a new fire truck was discussed by the Council. Whereupon Fire Chief Melvin Billman was to be instructed to obtain prices and estimates of costs for all needed equipment and to present same to Council at a later meeting for their consideration.

There being no further business to come before the Council at this time it was moved by Major and seconded by Ross that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross, Weatherhead and Schilb. Major absent.

Minutes of the previous meeting read and approved as read.

A Committee from the American Legion Post was presented and presented to the Council two flags on behalf of their post. One to be draped in the Council Chamber and one to be used on the Pole in front of the Town Hall building for display purposes.

Mayor Van Horn thanked the Legion for this presentation on behalf of the Citizens of the Community and the Village Council and assured them that this gift was highly appreciated.

Chas. Paxton being present requested the Council to take action relative to the closing of the ~~Alley~~ first alley ~~west~~ of Erie Street between Washington Street Extended and Daggett Street, stating that this alley was being used unnecessarily by traffic in a reckless manner, same constituting a hazard and a nuisance to the property owners abutting thereon. After some discussion of the matter relative to the abutting property owners and various other questions, the possibility of this alley being private property was raised and presented. Whereupon Attorney WM Day was instructed to check this angle of the matter and report to the Council before any further action be taken thereon.

Mayor Van Horn presented to the Council a letter he had received from the Department of Health of the State of Ohio, Water Pollution Board, relative to the permit to discharge wastes into the Maumee River. The Water Pollution Board requested more detail of the letter written July 21 which stated that the Village was proceeding with certain new sewer installations and that a further study of financing was being made. They requested specific detail of the proposed new sewers and the actual methods of financing that had been considered. After some discussion of this letter and the directives therein, the Council instructed the Clerk to write to the Water Pollution Board of the State Department of Health giving them the detail of the proposed new sewer construction as they requested but to also inform the Pollution Board that at this time the Council would take no further action relative to the study of ways and means of financing the project of construction of a sewage disposal plant and all necessary sewer pertinent thereto, inasmuch as present construction costs were high and that the total cost of such a project would be prohibitive to a Village the size of Antwerp. The Clerk was further instructed to inform the Water Pollution Board that no Authorization would be given for the preparation of detail plans based on the preliminary survey approved December 30 1954 and ~~now~~ now on file with the Department of Health, which directives was also included in their letter of Aug. 18th.

The matter of purchasing new fire fighting equipment was discussed and the procedure of placing the question before the voters for approval of a bond issue to finance same. Chief Melvin Billman informed the Council that he had received estimated costs of the necessary equipment as had been previously discussed as follows:

Howe Fire Equipment Co. \$12,500.00

The American Fire Equipment Co. \$16,000.00

These estimates to be used as a guide for the amount to be estimated to be placed on the ballot in the November election.

The question of constructing new housing facilities and the financing of the costs of same was dropped and no further consideration was given to this part of the program, the Clerk being instructed to write the Wabash Railroad Company and inform them of the Council action and that no need of the lease of their property as had been tentatively agreed upon would be necessary.

After further discussion of the costs of Equipment only, it was determined that a levy of two mills would sufficient to yield revenue to retire a bond issue and to pay interest thereon and that the estimated cost of same to property owners to be \$3.25 per thousand for a period of five years.

Whereupon Proposed Resolution #528 being a Resolution entitled "Declaring necessity for additional tax levy and declaring the amount of taxes that may be raised by levy at the maximum rate authorized by law ^{which a vote of the electors} to be insufficient and declaring the necessity of a levy in excess of such rate" was fully and distinctly read to Council.

Whereupon Mr. Smith moved, seconded by Mr. Weatherhead that the Resolution #528 be adopted.

Roll call vote upon its adoption resulted as follows:

Yeas: Bickhard, Smith, Ross, Weatherhead and Schilb.

Nays: None.

Whereupon Resolution #528 was declared passed and ordered entered.

The Clerk upon request of Council presented his estimate as to the life of the proposed improvement of certain streets by constructing a combined sewer, and as to the maximum maturity of the Notes and Bonds to be issued for said improvement of certain streets.

Proposed Ordinance No. 529 being entitled " To provide for the issuance of ~~Notes~~ Notes in anticipation of the levy of special assessments and in anticipation of the issuance of Bonds to pay the property owners portion of the cost of improving certain streets hereing designated by constructing a combined sewer, and declaring an emergency" was fully and distinctly read to Council.

Thereupon Mr. Weatherhead moved, seconded by Mr. Ross that the Rule requiring Ordinances to be read at three seperate meetings be dispensed with and that Ordinance #529 be put on its immediated passage .

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross, Major, Weatherhead & Schilb. All present.

Minutes of the previous meeting read and approved.

This being the date set for awarding contracts for the Canal St and Erie Street Sewer construction based on bids received at 12:00 o'clock noon August 29, 1955 and publicly read at that time as advertized.

Francis Connors, Engineer on the project for the Village submitted the following tabulation of said bids for the approval of Council.

Section A.
Canal Street. (Total Tabulation.)

Paul Kennedy \$2853.70

E.W.Mengerink \$2717.78

Charles E. Kohl \$4293.60

Complete details of Items, Quantity, Unit prices and extension amounts being on file with the Village Clerk and are to be considered as a part of the above totals as if same were incorporated in the Record of Proceedings of this Council.

Section B.
Erie Street: (Total Tabulation.)

E.W.Mengerink \$12,180.38

Charles E. Kohl \$15,769.30

Complete details of Items, Quantity, Unit Prices and extension amounts being on file with the Village Clerk and are to be considered a part of these proceedings as if incorporated herein.

Inasmuch as the bid of E.W.Mengerink in the amount of \$2717.78 for Section A., Canal Street and the amount of \$12,180.38 for Section B., Erie Street were considered the lowest and best bids received therefor, it was moved by Bickhard and seconded by Smith that the firm of E.W. Mengerink be awarded contracts for the construction of the above named improvements on the basis of their bids as hereinabove set forth, and that the Mayor and Clerk be instructed to enter into same on behalf of the Village of Antwerp.

Vote being taken on the motion resulted as follows:

Bickhard yea, Smith yea, Ross yea.
Major yea, Weatherhead yea, Schilb yea.

Six yeas, no nays. Motion carried.

Engineer Connors explained to the Council that the actual North Terminus of the Erie Street Sewer would be at the intersection of the old Canal bed with Erie Street instead of the intersection of Erie street and Canal Street as heretofor had been contemplated. This termination would enable the proposed 36" cut off feeder line to extend to this North Terminus and would ~~thereby~~ thereby eliminate a bottle neck from the old canal bed to the intersection of Canal Street, when the new feeder line is constructed. This, in his opinion would result in a much higher degree of efficiency in

operation of the new Erie Street sewer as it would pick up the intersecting sewer in the old canal bed with a full 36" line to run north and north-east and connecting with the south terminus of the present 36" sewer at the Wabash Railroad.

He further informed the Council that he would immediately set up Sewer Districts in the Village with approximate costs and estimates set up for this proposed construction of a 36" feeder sewer and present same to Council at a later meeting for their approval and consideration.

The matter of Parking Meters for the Village was further discussed and the Mayor was instructed to follow through with his investigation of costs and installations and estimated revenues therefrom as had been started by him, and to report same at the next regular meeting.

The Clerk was directed to contact Village Attorney Wm. Day relative to procedure to advertize for bids for the outright purchase of a car for use by the Village for Police Department as well as for lease agreements as heretofore had been in effect. Same to be ready for consideration of Council at the October meeting if possible.

Fire Chief Billman was present and reported to the Council that the Fire Department was in need of a Hydrant pump, stating that the present pump of the Water Board was not always immediately available for use, and that such equipment should be owned by the Fire Department. Costs of same at approximately \$75.00. After further discussion of the matter it was moved by Major and seconded by Ross that Chief Billman be authorized to purchase this equipment at the approximate cost of \$75.00.

Vote on the motion as follows:

Bickhard yea, Smith yea, Ross yea, Major yea, Weatherhead yea, Schilb yea.

Six yeas. No nays. Motion carried.

Proposed Ordinance #532 being an Ordinance for payment of bills was read in its entirety to the Council. Whereupon it was moved by Smith and seconded by Ross that Ordinance #532 be passed as read.

Vote being taken thereon resulted as follows:

Bickhard yea. Smith yea, Ross yea, Major yea, Weatherhead yea, Schilb yea.

Six yeas. No nays.

Whereupon Ordinance #532 was declared passed and ordered entered.

There being no further business to come before the Council at this time it was move by Weatherhead and seconded by Schilb that the meeting be adjourned. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross, Weatherhead and Schilb. Major absent.

Minutes of the previous meeting read and approved.

Mr. Koon of the Parkometer Co was present and explained the program by which parking meters could be installed and operated.

He informed the Council that the meters could be purchased on a lease agreement at a minimum rate of \$2.00 per month per meter and that same could be installed on a six month trial basis, and that the agreement could be terminated at any time the Council so desired, should they determine that the program was infeasible.

The total cost per meter being \$65.50 if installed by the Company and that a \$5.00 per meter allowance would be made if the Village would make the installations, under supervision of their engineer.

He stated that the income per meter should be approximately \$5.00 per month and that a total of two man hours per week would be sufficient to make the collections therefrom and to wind same.

He further informed the Council that the Company would instruct a man how to service the meters and would pay his expenses while at the factory receiving this training, and that the meters carried a guarantee for one year and that the Company would furnish parts for replacement and all necessary tools for a period of one year.

After further discussion of the matter it was moved by Smith and seconded by Weatherhead that the Mayor and Clerk be instructed to enter into Lease Contract with the Parkometer Company on the Leases Basis and on the terms as hereinabove stated for approximately 110 meters as determined as necessary for adequate installation by a preliminary survey or as many as would be determined upon actual installation.

Roll call vote being taken thereon resulted as follows:

Smith yea, Bickhard yea, Ross nay, Weatherhead yea, Schilb yea.
Major absent.

Yeas four: Nays one: Motion carried.

The Clerk was directed to write the Antwerp Equity Exchange Co. and inform them that the Council has directed that the sidewalk along the east end of their new feed building be replaced immediately. This walk to run from the north curb of Railroad street, north to the Wabash Railway Tracks on the west side of Monroe Street.

The Mayor informed the Council that the State Fire Marshall Deputy had inspected the premises of the Town Hall and had ordered certain items to be removed and other directives relative to cleaning up items which were determined to be definite fire hazards.

Mayor Van Horn presented to the Council a written report relative to the laxity on the performance of duty and intoxication while on duty, of Police Chief Kenneth Johnson.

This matter was fully discussed with the Mayor, upon which Mr. Johnson was called to appear before the Council and the charges presented to him personally.

After further discussion of the matter with Mr. Johnson he was informed that the Council did not desire to take any formal action on these charges at this time, but that he was being placed on probation for a period of six months, from October 6th, 1955, and that any further violation of the performance of his duties or any further misconduct on his part

would result in immediate formal action by the Council as it would in no manner whatever tolerate any further negligence of duty or misconduct. Mr. Johnson admitted the charges and that he realized that he had made a grave mistake and that he was desirous of continueing in his present position and that he would accept the conditions and probationary period as offered him by the Council. This offer was accepted by the Council, the discussion considered closed and the Clerk directed to enter same in the Recotd of Proceedings.

Proposed Ordinance No. 535, being an Ordinance for payment of bills was read in its entirety to the Council. Upon which it was moved by Weatherhead and seonded by Smith that the Ordinance #535 be passed as read Vote on the motion resulting as follows:

Bickhard yea, Smith yea, Ross yea, Weatherhead yea, Schilb yea.

Five yea, no nays, Major absent. Motion carried. and Ordinance No. 535 declared passed and ordered entered.

A regular meeting of the Council was held on the above date, Mayor C.A. Van Horn presiding with the following members present at roll call. Bickhard, Ross, Weatherhead and Schilb.

Minutes of the previous meeting read and approved.

Mr. Taylor of the Union Quarries Company was present relative to discussing the black topping of the Shaffer Road and a certain portion of Main Street Extended.

He quoted the following approximate prices on these projects:

Shaffer Road a distance of 1054 feet at a 16 foot width at approximately \$850.00.

Main Street Extended, a distance of 164 ft at an 18 ft. width at approximately \$126.00.

Total estimated cost @ \$976.00

Mr. Taylor further explained that an application of 150 lbs per square yard used on the above jobs would not exceed \$1000.00. However if at the discretion of the Committee on Streets and Alleys it would be deemed necessary to use an application of 200 lbs per square yard the approximate cost would be not in excess of \$1200.00.

Mr. Taylor further stated that terms could be arranged to pay the costs of this improvement from street funds on a pro rata basis as they are received by the Village over a period of time.

He further stated that he was prepared to start this work within one week should the Council decide to proceed with the improvement.

After considerable discussion of the matter and inasmuch as these streets were badly in need of repair, it was moved by Schilb and seconded by Bickhard that Mr Taylors offer be accepted as above stated and that he be instructed to proceed with the improvements.

Councilman Smith entered the meeting.

Proposed Ordinance #537 being an Ordinance for payment of bills was read in its entirety to the Council. Whereupon it was moved by Schilb and Seconded by Weatherhead that Ordinance #537 be passed as read.

Roll call vote being taken thereon resulted as follows:

Bickhard yea, Smith yea, Ross yea,
Major yea, Weatherhead yea, Schilb yea.

Whereupon Ordinance #537 was declared passed and ordered entered.

Proposed Ordinance #538 being an Ordinance entitled

" AN ORDINANCE RELATING TO TRAFFIC AND REGULATING THE USE OF PUBLIC STREETS AND HIGHWAYS OF THE VILLAGE OF ANTWERP, OHIO: PROVIDING FOR THE INSTALLATION , REGULATION AND CONTROL OF THE USE OF PARKING METERS AND PARKING METER ZONES: DEFINING PARKING METER ZONES: AUTHORIZING A METHOD OF PAYMENT FOR RENTAL OF AND INSTALLATION OF PARKING METERS EXCLUSIVELY FROM THE RECEIPTS OBTAINED FROM THEIR OPERATION: PROVIDING FOR ENFORCEMENT AND PENALTY FOR VIOLATION THEREOF AND PROVIDING THAT INVALIDITY OF PART SHALL NOT AFFECT THE VALADITY OF THE REMAINDER."

was read section by section and in its entirety to the Council.

Whereupon Mr. Weatherhead moved, seconded by Mr. Smith that the rule requiring Ordinances to read on three different days be dispensed with, and that Ordinance #538 be placed on its final reading and passage.

Roll Call: (For dispensing with rule).

Bickhard yea, Smith yea, Ross nay,
Major yea, Weatherhead yea, Schilb yea.

Five yeas. One nay.

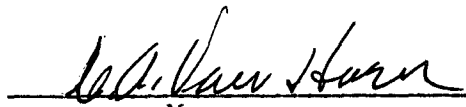

Roll Call: (For immediate passage).

Bickhad yea, Smith yea, Ross nay,
Major yea, Weatherhead yea, Schilb yea.

Yeas five. Nays one.

Whereupon Ordinance #538 was declared passed and ordered entered.

There being no further business to come before the Council at this time,
it was moved by Ross and seconded by Schilb that the meeting be adjourned.

A regular meeting of the Council was held on the above date Mayor C.A. Van Horn presiding with the following members of the Council present: Bickhard, Smith, Ross, Major, Weatherhead. Schölb absent.

Minutes of the previous meeting read and approved.

Considerable discussion of water pressure was held. Specifically a low pressure at the Weatherhead plant at the time of a Fire Inspection.

The matter was also given to the Water Board for action to prevent such a recurrence. Several recommendations were made and agreements made to follow through on same.

The matter of installation of Parking meters on the North Side of East Daggett St., specifically along the I.G.A. Store was discussed. Complaint being that same were installed too close to the store building and preventing unobstructed pedestrian traffic. Inasmuch as the Engineer from the Park O Meter Co was to be in the Village in the near future, the Street Department was instructed to take up the matter with him and report to the Council.

The Police Dept. was instructed to place No Parking Signs on the North Side of Railroad Street between Main Street and Cleveland Street.

To omit meter installation along the South Side of Stone Street in the first block east of Main Street as had been previously provided for in the overall meter installation plans.

The request of the Antwerp Sales to have Parking Meters installed along the North Side of Daggett Street between Main Street and Cleveland Street was refused.

The Police Dept was instructed to issue warnings to all Parking Meter violations for the initial period of operation or until December 9th. After this date regular parking violation tickets were to be issued.

The Mayor was instructed to contact the General Telephone Co. of Ohio and have the telephone installation in the Town Hall ~~severed from the hook up of the Fire alarm phones~~ Council Room severed from the phones connected with the Fire alarm system and to have a private line installed for use in the General Administrative Business of the Village.

The matter of maintenance and repair of the Parking meters was discussed. Various suggestions were offered.

Richard McCalla being present was approached in the matter of attending the instruction school operated by the Park O Meter Co. to teach repair and maintenance, and upon expressing his willingness to do so, it was moved by Major and seconded by Smith that Mr. McCalla ~~be~~ take this course offered expense free by the Company and that the Village reimburse him for his regular wages lost in the time spent at the Training School. Motion carried.

156
Fire Chief Melvin Billman being present, read a set of specifications for the new Fire Equipment to be purchased soon by the Village as authorized by the voters at the November elections.

After discussion of these specifications and other items relative to the purchase of this equipment, same were given to Village Attorney Wm Day for further study and analysis and to determine the next action to be taken thereon.

Vote on the motion resulted as follows:

Schilb yea, Ross yea, Weatherhead yea, Kammeyer yea, Schmunck yea, Johnson yea:

Six yeas. No nays: Motion carried, and Ordinance #542 declared passed by the Mayor.

Fire Chief Billman reported that the specifications for the new Fire Truck were drawn up ~~and XXXX~~

Solicitor Wm. Day reported that notice for bids on the new Fire Equipment would be ready and would be Published in the near future.

An Invoice from the Park O Meter Co, was presented to the Council. Inasmuch as an Engineer from the Company was due in Antwerp relative to moving and to removal of certain Meters and other matters of pertaining to same, the Invoice and payment thereto was ordered held up until these matters had been disposed of to the satisfaction of Council.

Street Commissioner Kenneth Johnson reported that a great deal of side walk throughout the Village was in a bad state of repair and should be ~~be~~ repaired or rebuilt. After some discussion of the matter it was decided that the Committee on Streets and Alleys in conjunction with Mr Johnson inspect these various bad walks and report same to the Council. Upon which such action as would be deemed necessary, would be taken thereon.

The Mayor reported receiving a communication from the Water Pollution Control Board of the Dept of Health relative to the expiration of the permit of the Village to discharge wastes into the waters of the State, which expires Feb 15, 1956.

They stated that before any further permits would be issued that a full statmnt of the progress of the Reduced cost plan accepted in December 1954 be submitted or that full detail plans be prepared based on this perlimentary survey and a report by the Council as to why it deemed it financially infeasible to proceed with this project and to submit a full financial statement of the Village such as required to be published and submitted to the Bureau of Inspection and Supervision Public Offices of the Auditor of State. This information would be necessary before the Water Pollution Board would consider a renewal of the permit. This the Clerk was instructed to comply with, and in addition thereto request that the Board of Health send a Sanitary Engineer to Antwerp and to take and test samples of water of the Maumme River both up and down stream from the outlet of the 36" Sewer in an effort to ascertain the actual amount of pollution contributed to the stream by the Village of Antwerp.

Minutes of the previous meeting read and approved.

Mr. Paul Haley of the France Stone Company was present relative to any business the Village might have now or in the future and requested that his Company be considered whenever material was needed in any repair or improvements.

The matter of the non collection of garbage was discussed. The Council was informed that the holder of the permit therefor had moved from the vicinity. It was deemed thereupon by the Council that the agreement for garbage collection had been violated and that same be immediately rescinded. Police Chief Johnson was instructed to contact Felix Tjeuna and negotiate for the collection of garbage in the Village on a temporary basis and permit until a permanent agreement could be reached.

Mr. Edw. Meyer, upon whose property the Village Dump is located, was present and complained to the Council that garbage was being dumped thereon in direct violation of the Contract and requested that firm steps be taken to enforce this part of the agreement by placing a sign at the site stating that the dumping of garbage was prohibited and to also publish a notice in the Bee-Argus informing the public of same. If these requests were not met Mr. Meyer informed the Council that the Contract for the Dumping Ground would not be renewed. Mayor Seslar was instructed to ~~employ~~ to see that these requests were carried out.

The Mayor and Clerk were directed to also enter into contract for a lease of one year with Mr. Meyer for a Village dumping ground based on the existing contract with the additional provision that Mr. Meyer would be held in no way responsible for any directive of any party for the closing thereof, especially in the matter of the dumping of garbage.

The Clerk was directed to notify the Ohio Power Co. to install additional street lights at the following locations in the Village.
One Light at the extreme east end of East Washington Street Extended
One Light at the intersection of Oak Street and the so called Lincoln Highway at the west end of said Oak Street.

The matter of the Salary of the Chief of Police was discussed. Whereupon it was move by Weatherhead and seconded by Schilb that the Salary of Police Chief Kenneth Johnson be raised in the amount of Twenty Five Dollars per month to a total of Two Hundred Fifty Dollars per month, and in addition thereto a vacation annually of one week, same to be taken between the dates of July 5 and Sept 15th.. but that the telephone bill for his residence with the exception of tolls for village business, be paid by him.

Roll call vote being taken thereon resulted as follows:

Schilb yea, Ross yea, Weatherhead yea, Kammeyer yea, Schmunck yea, Johnson yea.

Yeas six. Nays None.

Whereupon Resolution #546 was declared passed and ordered entered.

Fire Chief Billman was present and informed the Council of tentative plans which in his opinion would enable the Fire Department to erect a new building to house the Fire Equipment of the Village.

He stated that the Township Trustees had expressed a willingness to help pay for a portion of the material necessary to erect such a building, and that if the Village could likewise, in addition to other sources of revenue which he was certain could be had, along with a certain amount of longer term backing the material could be obtained and that the members of the Fire Department along with other volunteers were willing to furnish the necessary labor for the erection of such a building. Chief Billman further informed the Council that the Township Trustees would consider the purchase of a tanker truck for the Fire Department providing suitable housing could be furnished by the Village.

After considerable discussion of the foregoing, Chief Billman was instructed to obtain estimates of the cost of repair and the necessary remodeling of the present housing facilities and to present same to the Council before any other action be taken.

The bill of R.E.Carr for counting ~~meter~~ parking meter revenue was disallowed by the Council and the Clerk was directed to notify Mr. Carr that the Council deemed it a part of the duties of the Village Treasurer to take care of this matter for at least during the trial period that the parking meters are in operation.

Proposed Ordinance #543 being an Ordinance entitled "An Ordinance to make Appropriations for Current Expenses and other Expenditures of the Village of Antwerp, State of Ohio, during the Fiscal Year ending December 31, 1956," was read in its entirety to the Council.

Whereupon it was moved by Ross and seconded by Kammeyer that the Ordinance #543 be passed as read.

Members of the Council present: Weatherhead, Kammeyer, Ross, Johnson and Van Horn.

Schmunck absent:

Village Engineer ~~xxxx~~ Francis Connors present:

Village Solicitor Wm. Day present:

Object of the meeting:- To hear the report of the Village Engineer relative to his inspection of the Noneman Sub*Addition being held under advisement for acceptance. by Council.

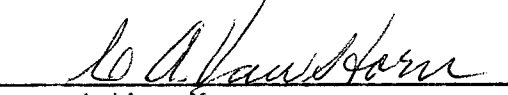

The Engineer informed the Council that no streets had been constructed for the addition, therefore this item of sub addition regulations need not apply.

That two lots as laid out on the platt did not meet the regulation inasmuch as they did not have the required depth. ~~That in his opinion the property line was not the required distance from the street.~~ That the construction of the dwellings were to close to the property line to meet specifications. He cited other minor violations of the Sub Division Ordinance. All of which could be overlooked and accepted by Council by virtue of Section 4 of Ordinance #506.

However, the Construction of sewers in the Proposed Sub Division having been constructed according to the Specifications, under the Supervision of the Street Commissioner and were acceptable insofar as the actual construction, but that he questioned the arrangement of certain easements relative to the sewer outlets and recommended that the recording of same be checked and that certain exceptions relating to the acceptance of the sewers be inscribed on the Platt and inserted as provisions in the Ordinance accepting same.

Solicitor Wm Day was instructed to draw up the Ordinance ~~with the~~ incorporating the various recommendations and to present same at the next meeting of Council for consideration.

There being no further business to come before the Council at this time it was moved by Kammeyer and seconded by Ross that the meeting be adjourned. Motion carried.

A regular meeting of Council was held on the above date, Mayor Clifford Mees presiding with the following members of the Council present:

Kammeyer, Schilb, Ross, Weatherhead, Schmunck and Jordan. All present.

The Board of Trustees of Crane Township met with Council relative to further discussion of the proposed Fire Protection Contract. They requested that the Contract be drawn up to include all of Crane Township rather than just the portion thereof west of the Briceton Road as stipulated in the proposed agreement submitted for approval. The Board of Trustees of Crane Township further assured Council that similar contracts would be or are now in effect with Sherwood Village and Paulding Village and would run concurrently and of like tenure as the Contract with Antwerp Village and that the Antwerp Fire Department would not be called upon to answer calls from the East part of the Township or any other part thereof that could be more efficiently serviced by the Sherwood or Paulding Fire Departments, except in dire emergencies.

After further discussion of the matter, it was moved by Weatherhead and seconded by Jordan that the Mayor and Clerk be authorized to enter into contract with the Trustees of Crane Township for Fire Protection for a period of three years said contract to be valid for service in the entire area of Crane Township if needed. Rates for such service to be as follows:

Annual Service \$200.00 that sum no change.

Each Adm. Perm. - 1.00 per hr 1st hr - 75.00 per hr for each adm. perm. on fire.
Roll call vote being taken on the motion resulted as follows:

Weatherhead yea, Jordan yea, Kammeyer yea, Ross yea, Schilb yea, Schmunck yea.

Six yeas. No nays. Motion carried.

Mayor Mees requested from Council information as to the status of the Parking Meter situation. The Council informed the Mayor that in its opinion all that the Meters need is to be worked and checked in some orderly manner and that the Council was giving him their complete 100% support in any program that he could set up for the efficient and profitable operations of the Meters.

The Council further directed that the traffic lights be checked and if possible to synchronize the changes of each of the three signals providing for a continuous flow of traffic at a speed of 25 miles per hour.

The matter of complaints relative to the smoke and cinder nuisance from the Plant of the Wayne Cooperative Milk Association was discussed. This being the second time that this matter had been brought to the attention of Council, the Clerk was directed to write a second letter requesting that some action be taken relative to the abatement of this nuisance, and that the Wayne Coop notify the Council at once of their intentions in the matter.

The matter of the Catch Basin at the intersection of Monroe and Washington Streets was again brought before the Council, and after reviewing the condition of same, the street and alley committee was instructed to have the Catch Basin tapped in properly to the existing sewer and to cut same off from the basement drain of Herbert Seslar as had been previously requested by him. This work to be completed as soon as weather permitted.

The matter of complaints of residents in the neighborhood of the bowling alley relative to parking situation was discussed. The complaints stated that cars were parked on the curb side of the sidewalk but that this was as a rule soft and of a sod nature, thereby causing bad ruts and a general bad appearance along the street right of way. The Committee on streets and alleys was instructed to stone any areas deemed necessary which would alleviate the parking situation and to prohibit parking in areas that it deemed necessary.

Mayor Mees announced the appointment of the following Committees of Council to act and serve during the ensuing two year term.

Police Department member Raymond Tracy met with Council relative to a rumor that he was to be layed off from duty. He requested that in the event that ~~xxxxx~~ such action should be taken that he be given advance notice by the proper authorities of such intent: This request was granted by Council.

Councilman Schilb entered the meeting.

Police Department member Jack Taylor met with Council relative to a rumor that he was to layed off from the Department. He also request advance notice of such intent: by the proper authority. This request wasalso granted.

Councilman Kammeyer entered the meeting.

The Committee on Streets and Alleys reported that three catch basins were plugged on Washington Street: They were instructed to have same cleaned immediately. They were also instructed to re-connect the catch basin at the intersection of Washington Street and Monroe Street to the proper outlet as this catch basin was now connected to the basement outlet of Herbert Seslar and was causing floodingand back water to enter his basement.

The Mayor was instructed to notify the Police Department and the Fire Department that all motor vehicles be serviced at each of the service stations in the Village. This business to be given to one station for a period of one month and moved to another for the next month.and so on. This schedule to be set up by the Mayor and rigidly adhered to by both Departments.

The Mayor also reported that the Village of Sherwood had requested the rental of the Traffic Timer for use by their Police Department. After some discussion of this request, the matter was ordered tabled until the regular April Meeting ~~xxxxxx~~ of Council.

The matter of the poor condition of streets throughout the Village was discussed. The Committee on Streets and Alleys were instructed to inspect same and to make the necessary repairs .

The Board of Public Affairs and the Supt. of the Water Works met with Council. They were informed of the schedule whereby all Village Departments were to patronize the different stations in teh Village. They expressed their willingness to conform with the Village in this schedule and instructed the Supt to contact the Mayor relative to same.

They also reported upon request previously made by Council relative to the costs of moving the Water Line which at present lays under the Highway of West River Street. This project being planned because of the widening and resurfacing of this Street by the State Highway Department later in the summer.

They reported that estimate material costs would be approximately \$4,000 and that labor costs, relocations of approximately 30 water services and other items would run the total costs of this project to \$8000 or \$10,000. A general discussion of the various matters ~~xxxxx~~ entering into this project was held. Whereupon the Clerk was directed to write to the State Highway Department Engineer, requesting that he meet with the Board of Public affairs and the Water Works Supt. in order to go over the actual job site and to discuss further the Engineering problems of the project.

A regular meeting of the Council was held on the above date, Mayor Clifford Mees presiding with the following members of the Council present at roll call. Kammeyer, Ross, Schilb, Schmunck and Jordan. Weatherhead entering the meeting as hereinbelow noted.

Minutes of the previous meeting read. Moved by Schilb and seconded by Ross that same stand approved as read. Motion carried.

Mayor Mees reported that he had contacted Engineer Francis Connors relative to the water line on West River Street and its relocation due to the proposed widening of the Street. Mr. Connors could not be present at this meeting but informed the Mayor that he would contact him at a later date. Upon further discussion of this project, Solicitor Wm Day informed the Council that the relocation of this water line was a matter for the Board of Public Affairs and that it was no obligation of the Village. In the event that this line would be a new installation then the matter would be a Village obligation and could be financed by a voted Bond Issue.

Frank Leinard of Leinard Chevrolet Sales and Service was present and informed the Council that he had received notice that the east side of Main Street from Franklin Street North 132 feet was to be posted with two hour parking limits. He stated that this would create a problem for their company inasmuch as they sometimes utilized this parking space to park cars which had been serviced pending their being called for by their owners.

He further cited parking privileges of other firms in the Village and asked that his firm be extended the same by requesting that this portion of Main street be left open for free parking.

Mr. Leinard was thereupon informed that in the past his firm had abused this parking privilege by leaving ~~parked~~ equipment and old cars parked thereon for days at a time and that they were moved only by strict orders from the Mayor or the Police Department, and that this abuse of the parking privileges would no longer be tolerated. However, if the Leinard Chevrolet Sales would agree not to use this site for permanent parking of vehicles, the Council would consider leaving this portion of Main street open for free parking. After further discussion of the matter Mr. Leinard informed the Council that they would refrain from using this space for the permanent parking of vehicles if time could be granted for the establishment of other parking areas for this type of parking and that it would only be used by their firm for temporary parking only.

Whereupon the Mayor was instructed by Council not to post this portion of main street with two hour parking limitations and that it should be designated open for free parking.

The matter of parking conditions at the Antwerp Sales at Daggett and Main Street was called to the attention of Council. The Council was informed that vehicles were parked promiscuously and without any semblance of order on the South side of Daggett Street and left parked throughout the day, thus using parking facilities that should be for the use of the public. also, The Mayor was instructed to ~~not~~ post the ~~side~~ south side of Daggett St from Main St to Cleveland Street for parallel parking only.

Upon written request, Mr. Coolman of the Coolman ~~not~~ Parking Meter Co met with Council relative to the discussion of the existing parking meter problem in the Village. He informed Council that he had been request to present a credit value of the units in the event that they would be removed from operation. He stated that he was not prepared to offer such a proposition inasmuch as a request of this sort was a new experience for him and that at the present time he did not have any idea of the value of the units. He urged Council to attempt to keep the installation and ~~offer several suggested~~ ~~amounts~~ offered several suggestions whereby the meters could be in his opinion successfully operated. He was informed that every means had been used to this end and that all had met with failure.

Councilman Weatherhead entered the meeting:

Mr. Weatherhead was informed of the discussion as to this time.

After further discussion of this matter, Mr. Coolman informed Council that he probably could work out some sort of credit value of the Parking Meter units but that he would need some time to ~~work~~ to arrive at a price, and would inform the Clerk of such as soon as such a settlement could be determined. Whereupon it was moved by ~~Weatherhead~~ Ross and seconded by Weatherhead that any action relative to the removal of the Parking Meters be postponed for a period of thirty days. Motion carried.

The matter of the streets and roadways in Riverside Park was called to the attention of Council. The Committee on streets and alleys were instructed to ~~inspect~~ inspect same and to take whatever steps necessary to place them in a good state ~~of~~ of repair.

The Mayor was instructed to have the street commissioner to ~~check~~ check the sidewalks throughout the Village and to take steps necessary to have same placed in a good state of repair.

The Contract with Paul Kennedy for cleaning streets as in previous summers was continued through September at \$150.00 per month.

Mayor Mees informed the Council that ~~due~~ due to lack of funds he planned to lay off part time policemen Jack Taylor and Raymond Tracy and felt that he was not receiving proper cooperation from the Police Department. and that his orders were not being carried out. After considerable discussion of the matter and hearing the Police Department side of the question, Council instructed that the Police Department be kept intact ~~xx~~ and that no layoffs be put in effect. The Mayor was instructed to issue his orders in writing in duplicate to the Police Department and to have one copy acknowledged by them and to retain same for his files. This procedure to satisfy both parties as to ~~ge~~ their being received and to ascertain their measure of fulfillment. This procedure to be rigidly adhered to in the future operation of the Mayor and Police Department.

The matter of the Softball association constructing a permanent building on the Ball Diamond area was presented to Council. A tap for a sewer outlet for same was requested. After some discussion permission was granted to enter either the Lindemuth Sewer or the Madison Street Sewer. The Clerk being directed to ascertain a payment from the School Board inasmuch as the property had not been assessed for the Construction of the Madison St Sewer. With the further provision that the rest room and toilet facilities be kept locked except at game time or during any properly supervised activities.

The American Legion requested the use of the streets for their annual carnival. This permit was refused. Riverside Park being offered as site for the proposed carnival.

The Fire Department requested the following equipment:

- Two all purpose smoke masks @ \$68.00 each
- 2 Nozzles @ \$10.00 each.
- 2 Pressurized Water Fire Extinguishers @ \$50.00 each.

Consideration of the purchase of the Smoke masks was ordered tabled.

The Fire Department was instructed to purchase the 2 nozzles @ 10.00 each and the two pressurized water fire extinguishers @ 50.00 each.

Ordinance #614 being a Ordinance for payment of Bills was read to Council Move by Ross and seconded by Weatherhead that Ordinance #614 be passed as read. Roll call vote being taken on the motion resulted as follows:

Kammeyer yea, Ross yea, Weatherhead yea, Schilb yea, Schmunk yea, Jordan yea.

Six yeas. No nays. Motion carried . Ordinance #614 declared passed and ordered entered.

There being no further business to come before the Council at this time it was moved by Ross and seconded by Schmunk that the meeting be adjourned. Motion carried

A regular meeting of the Council was held on the above date, Mayor C.G. Mees presiding with the following members present at roll call:

Kammeyer, Weatherhead, Jordan and Schmunk.

Councilman Ross entered meeting as hereinbelow noted:

Minutes of the previous meeting read and approved.

The Park Board reported that the Park had been cleaned by the Boy Scouts.

The Committee on Streets and Alleys reported repairing a section of the sewer on No Main street at the Corporation Line and that further repair of the terminus of this outlet which is located on the H.G. Snook farm, outside the Corporation limits, ~~was in need of repair~~ was necessary, inasmuch as approximately 100 feet had broken down and was creating a washout at the River. The Committee submitted an estimate covering the cost of this repair in the amount of \$158.90. and that the assessments for this cost be set up as follows:

Raymond Jailor	1/5 of cost	\$31.78
H.G. Snook	1/2 of balance	63.56
Village of Antwerp	1/2 of balance	63.56

The committee had conferred with the County Ditch Supervisor and that he considered the cost as reasonable and the assessments fair.

The Clerk was directed to notify Mr. Jailor of the proposed assessment of his share of the costs.

The Mayor reported that he had talked to Francis Connors, Village Engineer and that he had agreed to set up a map of the Village showing the entire sewer installation throughout the Village.

Councilman Ross entered the meeting and was adjudged present:

The Council was informed that an open septic tank existed at the residence of Mr. Hunt at the Corner of Madison and Railroad Streets. and that condition had existed for some time. It was further reported that sewage was being flushed in this open condition and contaminating the surrounding area in addition to being a hazard for accidents.

Whereupon the Mayor was instructed to notify Mr. Hunt to have this septic tank pumped and cleaned and placed in a good state of repair immediately and in the event that this order was not complied with, the Village authorities would take immediate steps to remedy this condition and that all costs would be assessed to his property, and that any further delay would not be tolerated.

The matter of the fogging service for the summer season by The E.H. Purcell Co was discussed. Whereupon it was decided by Council to have this fogging service performed twice in June and once in July and to dispense with any service during August and September. ~~Said service~~ Said service to cost \$55.00 per fogging or a total of \$165.00. The Clerk was directed to change the contract as submitted to read as such and to notify the E.H. Purcell Co. of same and to obtain their acknowledgement and agreement to this adjusted contract.

The Mayor informed Council that the State Board of Health had ordered closed the Village Dumping grounds as leased from Mr. Edw. Meyer, the State authorities contending that this refuge was being allowed to fall in to the River which was against the regulations pertaining to the pollution of waterways and streams.

The Committee on Sanitation was directed to start immediate action to obtain an other site to be used for the dumping of trash etc.

~~The matter of the Parking meter situation in the Village was again presented for discussion. Inasmuch as this problem had been thoroughly discussed several times during the period of the past few months and that all attempts to remedy the condition had failed.~~

The matter of the Parking meter situation in the Village was again presented to Council.

Inasmuch as all angles of the problem had been thoroughly discussed at every meeting during the past months and that all remedies to the situation had been presented to Council, it was determined that further discussion of the matter was unnecessary and that a vote of Council be taken on the retention or ~~removal~~ removal of the meters.

Whereupon it was moved by Weatherhead and seconded by Jordan that the Parking Meter installation be retained.

Roll call vote being taken on the motion resulted as follows:

Kammeyer , nay.	Ross yea,	Weatherhead yea,
Jordan nay.	Schmunk nay.	Schilb absent.

Three nays. Two yeas. Schilb absent.

Whereupon the motion was declared lost and the removal of the Parking meters was ordered.

The Committee on streets and alleys was directed to start immediate action for this removal and negotiate for the sale of same.

The Clerk was directed to contact Mr. Coolman, representative of the Magee Hale Parking Meter Co. of the action of Council and to ascertain the manner in which the Village could pay the balance of the indebtedness on the meters and upon receipt of same to draw a proper warrant in the amount of \$2207.90 for payment in full of the Parking Meter Account, thereby obtaining full ownership of the equipment before proceeding with the sale of same.

Police Officer Jack Taylor met with Council and requested more time for duty on the Police Department. This matter was ordered tabled for further consideration.

The matter of the purchase of two smoke masks for the Fire Department was presented to Council. After some discussion of the matter it was moved by Jordan and seconded by Ross that the Fire Department be authorized to purchase two masks as described at a cost of \$68.00 each. Motion carried.

Ordinance #618, being an Ordinance for payment of bills was read to Council Whereupon it was moved by Jordan and seconded by Kammeyer that the Ordinance be passed as read. ~~Roll call vote as follows:~~ Motion carried.

There being no further business to come before the Council at this time it was moved by Jordan and seconded by Ross that the meeting be adjourned, Motion carried.

A regular meeting of Council was held on the above date, Mayor C.G. Mees presiding with the following members of the Council present: Kammeyer, Ross, Weatherhead, Schilb, Schmunk and Jordan. All present.

Minutes of the previous meeting read and approved.

A committee of residents of Wilcox Street met with Council and presented a petition complaining of the smoke and cinder nuisance in the neighborhood created by the Plant of the Wayne Co-Op Milk Producers Co.

The Committee discussed verbally with Council the various phases of this nuisance and requested some action be taken in the matter. Inasmuch as this condition had been reported to the Company at previous times by Council and that some corrective measures had been taken which, however, have proved to be inadequate, it was deemed necessary to take more decisive action in the matter.

Whereupon the Clerk was directed to write to the main office of the Wayne Co-Op at Fort Wayne and arrange a meeting of a representative of the Company and the Council in conjunction with the Committee of residents presenting the complaint, in order to personally discuss the situation and to attempt to take further corrective steps relative to the abatement on this nuisance.

The Clerk was directed to prepare a lease for a site for the Village Dump with Felix Tejena at the location and terms as had been verbally agreed upon. This lease to be in effect for a period of one year from June 1, 1958, at the sum of \$200.00 per year. The sum of \$100.00 being payable upon the signing of the agreement and the balance of \$100 payable six months therefrom or December 1, 1958. Said ~~XXXXXX~~ Felix Tejena to keep this site in good condition and to have same in such a manner that it would be easily accessible for the purpose of dumping at all times.

The Committee on Streets and Alleys reported that a sewer on East River St. in the rear of the property of C.A. Van Horn and R.E. Carr was in a bad state of repair and that sewage was seeping to the ground surface. After some discussion of the matter it was deemed to be a private sewer and as such the condition should be remedied by the property owners in question.

The matter of the outlet on the Snook drainage sewer was discussed. Inasmuch as some dispute had arisen as to the apportionment of the payments for the costs of this repair the Street & Alley Committee was instructed to present the matter to the Supervisor of County Ditches and Drains for further hearing and the disposition of same.

The Committee on Streets and Alleys was instructed to proceed with the needed repairs of the streets throughout the Village with a cold mix asphalt.

The Committee was directed to enter into a lease agreement from the Wabash R.R. Co for the Alleys between River and Railroad Streets from Cleveland St to Madison St. and from Main Street to Cleveland Street.

The ~~Street~~ Street Commissioner was directed to paint the stop signs and to straighten same where necessary throughout the Village. Also to paint the parking areas on the paved streets.

The matter of the east precinct using a portion of the Council Room at election time was approved by Council.

The Mayor was instructed to obtain the services if necessary, of a company that had presented quotations for tree removals.

The Mayor was directed to instruct the Park Board to stay within a \$50.00 expenditures maximum without consent of Council.

The application of Donald Cotrell for membership in the Volunteer Fire Department, recommended by two qualified firemen, was presented to Council. Moved by Ross and seconded by Jordan that the application be approved. Motion carried.

The Mayor was directed to have the Police Department operate the electric Traffic timer in an effort to curb the speeding through the Village.

The Ordinance for payment of bills was presented to Council:

Moved by Schmunk and seconded by Kaymeyer that the Ordinance be passed as read and that the Clerk be directed to draw proper warrants in payment of bills as set forth therein.

Roll call vote on the motion as follows:

Schmunk yea, Kammeyer yea, Schilb yea, Ross yea, Jordan yea, Weatherhead yea.

Six yeas. No nays.

Whereupon the Ordinance was declared passed and ordered entered.

The Board of Public Affairs and W.W. Supt. Rhoad met with Council relative to the discussion of the installation of new water mains on West River Street to be installed at the time of the proposed widening of R. #24 by the State Highway and to be made in conjunction with this improvement. Whereupon it was agreed by and between the Council and the Board of Public Affairs of the Village of Antwerp, that the installation of this water main start at the intersection of Madison Street and West River Street, thence running westerly to the property of Frederick Hertle Jr. near the east corp. limits. at an approximately cost of \$6,500. That same be installed of concrete pipe for one-half the length of the installation with 6" pipe and the remaining one half be installed with using 4" pipe.

That the Council and the Board of Public Affairs agree to each pay 50% of the installation costs of the project.

The Council thereupon authorized Water Works Supt Rhoad and Police Chief Kenneth Johnson to obtain easements from each of the property owners abutting thereon of the proposed project same to be made on official forms to be prepared by the Village Attorney.

The Board of Public Affairs further agrees to obtain all labor and equipment necessary for this installation and to supervise same.

Moved by Schilb and seconded by Weatherhead that all gas main installation from and after this date, be made under the direct supervision of the Supt. of the Water Works and the Board of Public Affairs.

Minutes of the previous meeting read and approved:

The matter of Catch Basins throughout the Village emitting odors was discussed. It being determined that this nuisance was caused by faulty traps, the Street & Alley Committee was instructed to check same and to ascertain costs of such replacements and proceed with the installation. In the event that further ~~necessary~~ repairs were needed for the elimination of the condition, to ascertain the approximate cost and to report to full Council for further discussion and the best method of procedure.

The Committee on Streets and Alleys was further instructed to have weeds cut throughout the Village where necessary.

A resident of the so called Lincoln Highway on the North west part of Town was present and requested that this ~~right of way~~ lane be opened to the public. He was informed again that this was not a matter for the Village to determine, inasmuch as this so called street was on private property and as such had been closed from general use by the public. No action was taken in the matter. X

The Band Mothers requested the use of Railroad Street from Main Street to Cleveland Street on the Evening of August 15th to hold an ice cream social, the proceeds of which were to go to the Treasury of the organization. In as much as this was a worth cause ~~this~~ permission for the ~~use of this~~ use of this portion of Railroad street on the evening of August 15th was granted and the Committee on Streets and Alleys was instructed to supervise and furnish the necessary blockades.

J.G.Weber, H.J. Donnell and Albert Guysinger, members of the Park Board met with Council relative to the clarification of certain Park matters that had arisen during the past month and in which they had not been consulted. They stated that Council had proceeded to employ a man to mow the Park, clean the toilets and other matters which they deemed to be under their jurisdiction. They further stated that in their opinion that these matters had been taken care of ~~by~~ by them in a satisfactory manner, but that in any event they should have at least been consulted before any action was taken by any members of Council.

The error of this procedure was admitted by Council and proper apologies were extended to the members of the Park Board who were instructed to proceed with the Supervision of Park Affairs and were assured that in the future any matters pertaining to the Parks that Council felt should be acted upon, same would be first discussed with the Board before any action be taken by Council.

They also requested clarification of information that any expenditure by them not to exceed the sum of \$40.00 without approval of Council. This amount had been \$50.00 in the past.

The Park Board members were assured that this was in error and that any expenditure not in excess of \$50.00 could be approved by them without consent of Council and that the only other requirement was that the total expenditures of the Park Board for the year of 1958 not to exceed the amount appropriated by Council for Park Purposes as set forth in the Annual Appropriation Ordinance as passed by Council on January 2, 1958 and on file with the Clerk of this Council and the Auditor of Paulding County.

Current bills were presented for ~~approval~~ payment same being approved by Council.

There being no further business to come before the Council at this time it was moved and seconded that the meeting be adjourned. Carried.

A regular meeting of the Council was held on the above date, Mayor Clifford Mees presiding with the following members of the Council present: Kammeyer, Schilb, Ross, Weatherhead, Schmunk and Jordan. All present.

Minutes of the previous meeting read and approved.

Mr. Bert Major met with Council relative to the insufficient stone back fill by the Central States Natural Gas Co. in their excavations for the installation of new gas mains. throughout the Village. He stated that in many places that only 2 inches of stone was applied to these new cuts and that same was not holding up and was not replaced in the same condition as found by the Company. The Clerk was directed to notify the Central States Gas Co, and inform them to contact the Street Commissioner and to check all new excavations made by their Company and to backfill same with sufficient stone to the satisfaction of the Street Commissioner and the Council Committee on Streets and Alleys?

Chairman J.G. Weber of the Park Board met with Council and requested authorization for the purchase and installation of flood lights at the Town Hall Park. He stated that this cost should not exceed \$200.00. After some discussion it was moved by Weatherhead that the Park Board be authorized to proceed with this purchase and installation of lights in the Town Hall Park said expenditure not to exceed the sum of Two Hundred (\$200.00) Dollars. Seconded by Ross.

Councilman Weatherhead reported that a new Doctor planned to come to Antwerp to establish practise.

Representatives of the Wayne Cooperative Milk Producers Assn. again met with Council by request of Council. A committee of residents of the Wilcox Street Community also were in attendance. Object- to further discuss the smoke cinder nuisance created by the operation of the Wayne Co Op plant and its subsequent damage to surrounding property.

This being the second meeting held relative to this matter, the representatives of the Company were asked to give a progress report relative to the abatement of this nuisance made by the Wayne Co Op Company.

They informed Council and the Committee that laboratory tests had been made of the offall presented at the previous meeting and the subsequent analysis thereof. They also reported that a better grade of coal was being used in an attempt to cut the cinder offall.

The residents Committee reported that this condition was no better than it had been previous to the original meeting and asked that further attempts be made by the Company to alleviate same.

The Company representative reported that they had checked with the gas Company relative to the installation of natural gas for this operation. Inasmuch as this had been some time ago they promised to further check on costs and availability of gas installation as would apply at the present time. They also reported that their firemen would be trained in better methods of firing the boilers in order to help the offall condition, and also to decrease the load on the boilers which would consequently lessen the smoke eruption.

These conditions and agreements were accepted as satisfactory for the present or until such time as the results of these attempts to alleviate the nuisance could be determined by all parties concerned.

The Committee on Streets and Alleys were instructed to proceed with the repair of the hard surface streets in the Village by filling cracks and filling in holes and any other minor repair deemed necessary. The Committee was further instructed to grade and repair the alley in the rear of the Post Office Block on east Main Street between River Street and the side of

Wabash Railroad.

The Committee was further instructed to proceed with the removal of all dead elm trees in the Village or of any other trees deemed to be dangerous to the welfare of the Community.

The fire Department was authorized to purchase two new portable Spot Lights for use by the Department at a cost of \$18.00 each. Also approximately 300 feet of Wire.

The matter of the collection and payments of bond forfeitures by the Police Department was discussed. Whereupon the Police was instructed to turn over to the Mayor all collections of such Bond Forfeitures each week. In the event that the Mayor was not in his office to receive these collections, then same should be taken to his residence and placed in his custody. This also to be done on a weekly basis.

Ordinance #634 being an Ordinance for payment of Bills was presented to Council. Whereupon it was moved by Weatherhead that Ordinance #634 be passed as read. Seconded by Ross.

Roll call vote being taken on the motion resulted as follows:

Weatherhead yea, Ross yea, Kammeyer yea, Schilb yea, Jordan yea, Schmunk yea.

A committee of residents of the Schaffer Road, Canal Street and South Erie St communities was present . relative to the the problem of transportation for students and or the construction of side walks to these areas.

A petition was presented for such side walk construction to the Shaffer Road.

Supt. O.R.Zedaker was also present.

A general discussion of this problem was held. It being determined that the construction of sidewalks on east River Street to the Shaffer Road was entirely out of order at this time due to the proposed widening of Road 24 or East River Street, by the State Highway Department. It was however agreed that this problem would be kept under consideration by all parties in an effort to arrive at a solution of same.

Minutes of the previous meeting read and approved.

Raymond Tracy representing the Fire Department presented the matter of purchasing a two way radio for use on the fire truck. After some discussion of this matter and inasmuch as the Police Cruiser was equipped with such equipment and would be present at any fire, it was deemed that the purchase of an additional radio for the fire trucks was unnecessary.

The matter of the rental of the Traffic Timer to the Village of Sherwood was discussed. The Council deemed it unwise to rent this equipment to ~~outside~~ other municipalities or police units. The Police Department being so instructed that any rentals of this equipment should not be made, in the future.

Chairman of the Street and Alley Committee presented the matter of the necessity of a catch basin at the west terminal of Oak Street inasmuch as present water was draining from the street to adjoining property and flooding same. The Committee was authorized to proceed with the construction of this catch basin and to make certain of the sewer outlet into which it would be tapped.

The matter of the installation of a partition at the east end of the Room housing the fire trucks was discussed inasmuch as some complaints were being received relative to tampering of the Fire Equipment by unknown parties.

The Construction of such a partition with provisions for a door which could be kept locked would prevent any vandalism or tampering with the fire equipment. Committee on public property to investigate costs of same and the feasibility of such an installation.

The Clerk was directed to notify the Ohio Power Company that the Council desired the installation of additional street lights to the existing facilities at the following locations:

One at the east entrance of River Side Park at the intersection of West River Street and Park Street.

One at the North Entrance of Riverside Park at the approximate intersection of Island Street and Park Street extended.

Minutes of the previous meeting read and approved.

Councilman Weatherhead reported to the Council that he had contacted the County Engineer relative to County Highway Equipment doing some street work for the Village during the forthcoming season. He stated that the County Engineer was of the opinion that this could be arranged for some work at least, but that the present commitments of this equipment were such that it would not be immediately available for the Village. He asked that the Council contact him again about May 1st at which time an exact date could be determined for the use of the equipment in the Village and also the amount of time it would be available.

The matter of grading and paving Franklin street from Main Street to Madison Street and Monroe Street from Franklin Street to River Street, was discussed at some length. Whereupon Fred Kammeyer, Chairman of the Committee on Streets and Alleys was instructed to contact Dailey Construction Co. of Fort Wayne and obtain an approximate costs of such a project and if possible to obtain ~~several~~ several alternate quotations, and present same at the next regular meeting of Council.

The matter of changing the regular meeting night of the Council was discussed. Inasmuch as the second Thursday of each month seemed to fit the needs of Council better than the present meeting night on the first Thursday of each month, it was moved by Weatherhead and seconded by Ross that the Council of the Village of Antwerp, Ohio change the regular meeting night from the first Thursday of each month to the second Thursday of each month and that said second Thursday of each month be designated as the regular meeting night of the Council of the Village of Antwerp. Said change to be effective as at the April 1959 meeting April 9th at 7:30 o'clock.

Roll call vote on the motion resulted as follows:

A committee from the Fire Department met with Council relative to the purchase of a two-way radio to be installed on the Fire Equipment. This Committee cited the various advantages of such equipment and informed Council that same could be purchased at a price from \$250 to \$400. depending upon the type and accessories decided upon. The Committee further informed the Council that the Fire Dept would be willing to pay one-half of the cost of this equipment installation: After discussion of the matter it was moved by Jordan and seconded by Weatherhead that the Council authorize the Fire Department to purchase two-way radio equipment, selected by a Committee from the Fire Department and an experienced Radio technician. Further, that the Council pay one-half of the costs of the equipment or a sum not to exceed the sum of \$200. Roll call vote being taken on the motion resulted as follows:

Yeas: Kammeyer, Ross, Weatherhead, Schmunk, Jordan and Schilb.
Nays: None. Motion carried.

Francis Connors, Village Engineer met with Council relative to a report on a survey for the construction of a sewer on north Main St. He reported that he had made a survey of the area of the proposed sewer and had examined the existing plans in accordance with a proposed installation of a sewage disposal plant prepared some years ago. Mr. Connors reported that in his opinion a sewer constructed in the manner as detailed on these plans, would be prohibitive if constructed as an individual unit. He suggested that as an alternative, a sewer outlet could be installed at a point more northerly, direct to the River. This, however could not be tied in with rest of the sewer system in the Village in the event that a disposal plant would ~~be~~ ever be constructed. He therfor advised Council ~~not~~ to take this alternative only as an emergency measure.

Mr. Connors suggested to Council to make every effort to locate the existing sewer outlets and to clean and repair same to be used until which time the eventual installation of a sewage disposal and entire sewer program for the Village.

The matter of the improvement of Franklin Street from Main st to Monroe Street and Monroe street from Franklin Street to River Street was discussed. Mr. Connors stated that he would draw up estimates on the costs of such improvement and present same to Council at a later meeting.

Mr. Connors further informed Council that he had made a survey of the proposed sidewalk to be constructed on west River street and would check with the Village solicitor relative to the legal procedures to be taken for the improvement.

Councilman Schilb left the meeting at this point.

Sealed quotation were received for the purchase of four new tires for the Police Car from the following dealers: Leinard Chevrolet Sales, Seslar Oil Co, Johnson Pure Oil, Ross Sunoco Service, Antwerp Shell Service and Langham Garage. The detail of all bids being on file with the Clerk.

The quotation of the Seslar Oil Company in the amount \$89.80 being determined the lowest and best quotation received, it was moved by Ross and seconded by Kammeyer that same be accepted.

Roll call vote on the motion as follows:

Yeas: Ross, Kammerey, Schmunk, Jordan and Weatherhead.

Nays. None. Schilb absent. Motion carried.

A regular meeting of the Council was held on the above date, Mayor C.G. Mees presiding with the following members of the Council present: Schilb, Ross, Schmunk and Weatherhead.
Absent: Kammeyer and Jordan.

Minutes of the previous meeting read and approved.

A committee of residents of School Hill Addition and Kaufman Addition met with Council relative to registering a complaint of the dirty roiley water created from the use of dead end water lines serving these various residences on West Woodcox Street, & Oak Street, ~~West Woodland and West Maple~~ in School Hill Addition and West Woodland and West Maple in Kaufman Addition.

The Committee informed Council that the Board of Public Affairs had purchased water main pipe for the purpose of tieing tehese dead end water lines into a complete circuit in order to eliminate this condition, but for some reason had not proceed with this proposed construction, and that the purpose of their meeting with Council was to get some action immediately in the matter.

A sample of the water taken from the tap of one of these residences was submitted to Council for inspection, which evidenced that the users of water on these dead end lines had a justifiable cause of complaint.

Upon further discussion of the matter it was brought to the attention of Council that the Board of Public Affairs had intended to proceed with the proposed tie-in but that they had encountered objections for an easement granting them rightof way through the property owned by Keller Fling on West Oak Street and had thereupon done nothing further in the matter.

After further discussion during which alternate easements were proposed and considered, Council informed the Committee that they would check with the Board of Public Affairs relative to obtaining easements which would make it unnecessary to cross the Keller Fling Property, thereby enableing the Water Board to proceed with the installation of this proposed water main tie-in. Council further informed the Committee that a special meeting would be held with the members of the Board of Public Affairs present at which time the Village Solicitor would also be present relative to legal counsil in order to determine the proper proceedure in the matter either by Council or the Board of Public Affairs. This dual meeting to be held on Thursday October 15th, and all residents effected being also welcomed to attend and invited to enter into the discussions at this time.

This being agreeable to all parties, the committee left the meeting:

Supt O.R. Zedaker was present and informed the Council that he had organized a student patrol for f duty at the intersections of Main and Woodcox, Main and Franklin and River and Madison Streets. He further informed Council that this proceedure was strictly on a trial basis and that if same proved to be unsatisfactory he would withdraw the use of students for this duty.

Paul Kennedy was instructed to proceed with the Catch Basins throughout the Village.

Acting Fire Chief Ralph Taylor met with Council relative to making Fire Runs across the State Line in the event that he should be called stating that he had been approached by an individual who resided across the state line relative to answering such a call inasmuch as the Antwerp Fire Department was closer to his farm than that of his own Township Fire protection. Mr Taylor was instructed not to make any Fire Runs with the Village Fire Equipment to any individual who resided in Indiana other than those who had previous private contracts with the Village. for such Fire protection. He was further instructed to inform any party desireing such protection that same could be furnished by meeting with Council and arrangeing for a duly executed contract for fire protection.

Fire Cheif Melvin Billman requested Council for a ninety day leave of absence from his duties as Fire Chief. Same being granted.

Police Cheif Kenneth Johnson presented to Council the proposition of the installation of a ~~xxxxx~~ radio in his home which could receive calls from the Police Patrol car. This matter was held for further discussion at a future meeting.

Council instructed Cheif of Police to place officer Jack Taylor on active duty retroactive to October 1st.

Ordinance for payment of bills was read- Moved by Ross and seconded by Schmunk that same be passed and that the Clerk be directed to draw proper warrants on the Village Treasurer in payment of same.

Roll call vote on the motion as follows:

Yeas: Ross, Schmunk, Schilb and Weatherhead.

Council Chamber C
City Hall:

An adjourned meeting of Council was held on the above date, Mayor C.G. Mees presiding with the following members of the Council present:

Kammeyer, Ross, Jordan and Schilb.
Ansent: Weatherhead and Schmunk.

The following members of the Board of Public Affairs present:
Amos Bickhard, Lavon Carr and Chas. Wetli.

Village Solicitor William Day present:

Object of the meeting: To further discuss the matter of installation of a tie-in water line to eliminate the dead end lines on Woodcox and Oak Street in School Hill Addition and Woodland and Maple in Kauffman Addition. Residents of the areas effected by this condition again met with Council.

A general discussion of this matter was entered into, during which Solicitor of the Village William Day informed the Board of Public Affairs that the installation of this Water Main was the direct responsibility of the Water Board and as such they should be willing to proceed in this construction using ~~the~~ whatever necessary alternates to the original plans in order that the project be completed in the earliest possible time.

Mr. Guy Jump, owner of the lots located directly west of the proposed route for the installation of this water line, offered an easement through his property, thereby eliminating the necessity of obtaining an easement through the property owned by Keller Fling located on West Oak Street who had previously refused to grant such an easement:

The members of the Board of Public Affairs objected to this alternate, stating that it would take considerable more pipe footage and additional labor and equipment costs and further citing the difficulty of trench excavation through this heavily wooded property.

The Board of Public Affairs contended that the Village should open the old right-of-way known as the Lincoln Highway which had been previously closed by order of Council and which would automatically create an easement through the contested property. Council stated that they did not wish to consider this alternate at this time, inasmuch as considerable litigation would be involved and further delay in the installation would result.

Upon further discussion it was brought out, that to the knowledge of any person present, Mr. Fling had never been directly approached relative to his granting an easement through his property.

Councilman Andrew Schilb stated that he was of the opinion that Mr. Fling would grant such an easement if the matter was presented to him in a proper matter and agreed to personally contact Mr. Fling relative thereto.

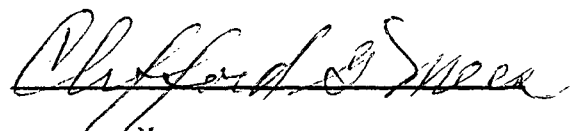

This being agreeable to all parties concerned the Board of Public Affairs and the Residents Committee left the meeting.

Police Chief Kenneth Johnson being present informed the Council that pursuant to previous instruction, he had the Furnace in the Town Hall checked for repair or if necessary replacement of the unit.

The Holland Furnace Co of Defiance had partially dismantled the unit, exposing some necessary repair. Mr. Johnson thereupon directed that same be left as is for inspection by Council relative to the feasibility of repair or its replacement: Replacement cost quotation would be approximately \$1000.00 or repair of the old unit at approximately \$100.00.

Council thereupon made a personal inspection of the dismantled unit and opinioned that same could be justifiably repaired and directed Mr. Johnson to have the Holland Furnace Co to proceed with whatever repair that was deemed necessary.

There being no further business to come before the Council at this time it was moved by Weatherhead and seconded by Ross that the meeting be adjourned. Motion carried.

A special meeting of Council was held on the above date, Mayor C.G. Mees presiding with the following members of the Council present:

Kammeyer, Ross, Schmunk, Weatherhead and Schilb.

Absent: Jordan.

Members of the Board of Public Affairs present:

Bickhard and Wetli.

Object of the meeting: To consider the matter of opening the old Street Right-of-Way known as the Lincoln Highway thereby granting an automatic easement for the installation of the tie-in water main for the dead end lines on Woodcox and Oak Streets in School Hill Addition and Woodland and Maple in Kauffman Addition, as had been previously proposed by the Board of Public Affairs.

Councilman Schilb repoted that he had personally contacted Mr. Keller Fling relative to his granting and easement through his property located on West Oak Street but that Mr Fling had firmly but politely refused to grant such an easement.

copy

Councilman Kammeyer presented a typewritten of a section of the General Code of Ohio whereby Council could, on its discretion, open the old street Right-of-Way known as the Lincoln Highway. Mr. Kammeyer stated that this action would involve considerable litigation.

Further discussion of alternate procedures relative to the installation of the proposed water line was held:

Councilman Weatherhead presented for consideration the proposition of connecting the dead end lines on Woodcox Street with the dead end line on Oak Street as one unit and to connect the dead end lines on Woodland Ave and Maple St in Kauffman Addition as another unit, that in his opinion and that of other engineers with whom he had discussed the problem, would eliminate the objectionable water which now exists, and which would further eliminate the necessity of an easement from the School Hill Addition to the Kauffman Addition.

Mr. Bickhard informed those present that in his opinion this proposition would not eliminate the condition and that the installation of this type would be a waste of time and money, and further insisted that the old Street Right-of Way be opened for the necessary easement.

Mr. Guy Jump, owner of the lots immediately bordering the Kauffman on the West, again offered an easement through his property and that he would pay for the additional 260 lineal feet of water main pipe necessary to by-pass the Keller Fling property around the Solsby property, in the event that the double tie in of the Woodcox-Oak St and Woodland-Maple lines proved to be inadequate in the elimination of the objectionable water.

Further discussion of the advisability of opening the Old Lincoln Highway Right of Way was held.

Whereupon upon motion duly made and seconded, Council decided not to invoke the right of easement by prescription of the tract known as the Lincoln Highway, starting at Oak Street and thence running northerly to the Corporation Limits: Roll call vote as follows:

Kammeyer, ~~no~~ *yes* Schmunk *yes*, Schilb *yes*, Ross *yes*, Weatherhead *yes*.
Jordan absent: Motion carried.

The Board of Public Affairs thereupon agreed to take the matter of the

tie in of the Woodcox & Oak Street as a unit and the tie in of Woodland Ave and Maple Street Lines as a seperate unit, under consideration at the~~the~~ next November regular meeting of the Board and to report to Council their decision.

There being no further business to come before the Council at this time it was moved by Schilb and seconded by Ross that the meeting be adjourned.

Weatherhead yea, Schmunk yea, Jordan yea.

Yeas, six. Nays, none. Motion carried.

The drainage outlet of a catch basin located on North Main Street, was reported in a broken down condition or otherwise stopped up, thereby causing considerable back-flow.

The matter was referred to the Committee on Streets and Alleys for disposition.

Moved by Weatherhead that the Clerk be directed to have published in the Antwerp Bee-Argus, a newspaper of general circulation in the Village, an unabridged copy of the minutes of Council, said publication to be made during the current month of the regular meeting and of any special meetings held by Council, and that further: the costs of said publications be paid by Council in the same manner of any other legal publication of the Village.

Mr. Ross seconded:

Roll call vote being taken thereon resulting as follows:

Weatherhead yea, Ross yea, Schilb yea,

Schmunk yea, Kammeyer yea, Jordan yea.

Yeas, six. Nays, none. Motion carried.

Moved by Jordan that the Clerk be directed to notify William L. Day that his services as Solicitor of the Village of Antwerp, be terminated as of December 31, 1959; said written notice to be served by the Clerk, at least 30 days prior thereto.

Mr. Kammeyer seconded.

Roll call vote being taken thereon resulting as follows:

Jordan yea, Kammeyer yea, Schilb yea,

Weatherhead yea, Ross yea, Schmunk yea.

Yeas; six. Nays; none. Motion carried.

The Clerk was directed to notify the Ohio Power Company to install an additional street light to the present street lighting facilities of the Village. Said installation to be made on West Woodcox Street at a point approximately half way between Main Street and the North entrance to Antwerp High School, the exact location and installation procedure of same to be determined by a Company Engineer and the Committee on Streets and Alleys.

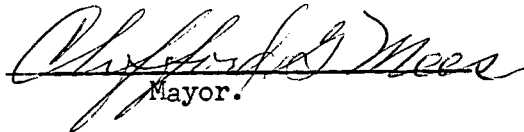

The Clerk was directed to notify Mr. Robert Varner that the installation of the aboveground storage tanks for inflammable fuel at his service station located on East River Street Extended near the Corporation Limits, is in direct violation of Section 9 of Ordinance #18.27 of the Village Code of Ordinances which prohibits the aboveground installation of such bulk storage tanks.

The Clerk was further directed to instruct Mr. Varner to contact the proper Village Officials relative to the proper underground installation of such bulk storage tanks as provided for in Section 10 of this Ordinance, the compliance of which would be expected at the earliest possible time.

There being no further business to come before the Council at this time, it was moved by Weatherhead and seconded by Ross that the meeting be adjourned. Motion carried.

A committee met with Council relative to the installation of a watermain connecting the lines on Woodcox, Oak, and two lines in the Kauffman addition:

They requested that immediated steps be taken in this matter inasmuch as it already had been set aside for a considerable length of time .

The matter of opening Lincoln Highway for use in the installation of this connecting line was discussed. Village Solicitor Harvey Hyman was present and explained the procedure for the opening of this street, and that the first steps would be to file a declaratory judgement with the Court, and proceed from that point.

After further discussion of the matter with the residence committee they informed Council that this procedure would have to be accepted but urged that no time be lost in the matter.

The Committee wn streets and alleys was instructed to check in the matter of the installation of a new catch basin at the west end of Oak Street.

Same Grimes requested the Village for stone on the street right of way at his residence at the intersebtion of Washington and Cleveland Streets. He agreed to pay one half the cost of same. The matter was referred to the Committee on Streets and Alleys:

Supt. O.R.Zedaker was present ~~xxxx~~ relative to the willingness of the Council to participate in the cost of conducting a summer recreation program with the School Board and the PTA. Council reported that the were favorable to such a program and would assist in the costs of same within reasonable limits:

Solicitor Harvey Hyman explained the proceedure for Special Assessment Construction programs to Council inasmuch as such a program was being considered for the future welfare of the Village. Mr. Hyman also reported that several lots in the Village could be placed on a collective tax basis providing that some old special assessments against these lots which have been in a long state of delinquency, would be dropped. He was instructed to proceed in this matter according to his best judgement.

Bills were presented for approval:

Whereupon the motion was declared carried by the Mayor.

Mr. Guy Jump met with Council, relative to requesting the closing of Hicks Street, from the Old Canal Site, south to Buffalo Street as shown on the original platt of the Village of Antwerp. He explained that the reason for this request was that the lots in his addition had been laid out according to the platt of the Village which hangs in the Council Room of the Town Hall and which does not show this Street extension. Later, however, the original platt was examined which shows this extension of Hicks Street conflicting with the lay-out of his lots in the new addition.

Upon discussion of the matter, Mr. Jump was directed by Council to present a properly executed petition according to law, requesting this closing of Hicks Street and that same would be given further consideration by Council at a Special Meeting called for June 21, 1960.

A Committee from the Fire Department met with Council, requesting permission to take the new fire Truck to the Firemens Conction to held at Defiance, June 18th. They reported that stand-by equipment had been arranged in the event of a Fire emergency during the absence of this equipment.

A Special Meeting of Council was held on the above date, Mayor John L. Reeb presiding, with the following members of the Council present:

Jordan, Langham, McCalla, Friend, Mundy and Kammeyer. All present.

The Mayor stated the object of the Meeting: To consider the matter of a petition filed with Council by the owners of abutting property, requesting the closing by Council of Hicks Street from the Old Canal Site, South to

Buffalo Street:

Whereupon the Mayor instructed the Clerk to read aloud, in its entirety, said petition, which was done.

The Clerk informed Council that he was in receipt of petitions, signed by approximately 100 property owners throughout the Village, requesting Council, that in the interest of the future welfare of the Village, to refrain from the ~~the~~ closing of Hicks Street as requested by the abutting property owners.

Said petitions were read aloud in their entirety by the Clerk.

Upon which, Police Chief Kenneth Johnson reported that he had received a long distance telephone call from Mr. Guy Jump, original filer of the petition requesting the closing of Hicks Street from the Old Canal Right of Way, South to Buffalo Street, authorizing Chief Johnson to act in his behalf in requesting that his petition be withdrawn from further consideration by Council as of this date, June 21st, 1960.

This was ordered done, and the Clerk was instructed to file same and to cause it to be so marked.

Mr. Jump further requested Council to immediately have a survey made by a competent Engineer in order to determine the actual street right of ways, as shown on the original platt, and to have said right of way plainly designated, marked and chartered.

After further discussion of this request, it was moved by Mundy and seconded by Langham that the Village have a survey made by a competent Engineer, of the Right of Way of Hicks Street in its entirety as shown on the original platt of the Village of Antwerp and to have same plainly marked and chartered, and that further, the Village Solicitor ~~contacted~~ be instructed to contact a competent Engineer and to employ him for this purpose.

Roll call vote on the motion resulted as follows:

Yeas: Mundy, Langham, Kammerlyer, Friend, McCalla and Jordan.
Nays: None.

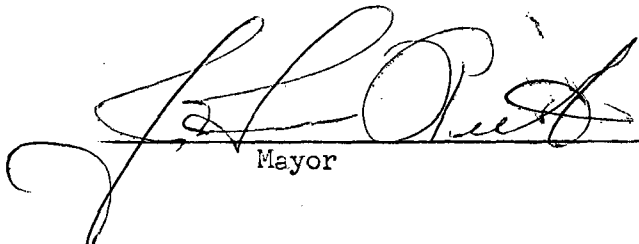

Whereupon the motion was declared carried by the Mayor.

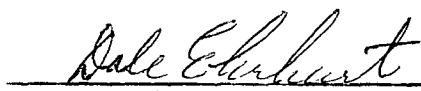

Relative to the Lincoln Highway matter discussed at previous meetings of Council, Solicitor Harvey Hyman reported that the Declaratory Judgement was now being processed and that further procedure would be ready for action by Council at the next regular meeting.

Police Chief Johnson was instructed by Council to contact the County Dog Warden relative to the removal of all unlicensed dogs throughout the Village.

The Committee on Streets and Alleys was instructed to direct the Board of Public Affairs to repair all excavations made in the streets and alleys in the Village, caused by the installation of water mains or the repairing of same., and that in the future all back fill used for excavations made in the streets and alleys by them ~~for~~ be crushed stone of a size approved by the Street Commissioner.

A special meeting of Council was held on the above date, Mayor John Reeb presiding with the following members of the Council present:

Jordan, Kammeyer, Friend, McCalla, Langham and Mundy. All present

Object of the meeting: Discussion of Water Rate Contracts with the Weatherhead Company:

Representatives of the Weatherhead Company met with Council relative to the further discussion and agreements on the new Water Rate proposal which has been under consideration for some time past.

Mr. Albritton, Plant Manager, informed Council that these rates as proposed was agreeable with the Weatherhead Company and that a contract would be entered into on the basis of these proposed rates with the provision that an agreement be inserted in the new contract for the removal of a water meter ~~between~~ now installed in the main line between the storage tank of the Village and the Weatherhead Plant and to be reinstalled inside the Company Plant Building inside of the Fire Lines. He furnished Council with insurance inspection data showing that this installation as now exists, reduces water pressure below standards for ~~water~~ fire protection as required by the insurance Companies in their minimum requirements, and that failure to raise this water pressure in the Fire Lines would result in higher insurance rates for the Weatherhead Company.

Upon further discussion, it was moved by Langham and seconded by Jordan that the Village Solicitor be instructed to prepare a new Water Rate Contract between the Village of Antwerp and The Weatherhead Company on the basis of the rates as specified in the proposal under discussion and now on file with both interested parties, and that further, a clause be inserted in this contract, agreeing to the removal of the Water Meter now installed in the 10" water line running from the storage facilities of the Village of Antwerp and the Weatherhead Plant and providing for its relocation in the plant building on the inside of the Water Fire Lines of the Weatherhead Company, and that upon the completion of the preparation of this contract, a copy of same be submitted to the Weatherhead Company for approval and to the Ohio Citizens Trust Company, Trustees of the Indenture, for final approval, and that further, the Mayor and Clerk be authorized, upon approval of the Village Solicitor, to enter into said contract on behalf of the Village of Antwerp.

Minutes of the previous meeting read: Moved by Jordan and seconded by Friend that same stand approved. Motion carried.

The matter of the status of the Lincoln Highway closing was discussed, it being the consensus of Council that this matter be terminated at once and should not be allowed to go on in the unsettled state as now exists inasmuch as the decision of the final status of this street pertains directly to several planned improvements in the immediate area. ~~Sl~~ Therefore, relative to same, it was decided that Mr. Hyman Village Solicitor be contacted and immediate steps be taken in the final disposition of the case. X

The Sanitary Committee reported that it was in receipt of complaints from several citizens of the Community that they had been refused the privilege of dumping trash on the dump site which is rented and leased from Felix Tjeuina for that purpose. The right to dump had been refused these people by Felix himself.

The Committee was instructed to contact Felix relative to this refusal on his part to permit the dumping of trash and to remind him of his obligations as stipulated in the contract with the Village, and that in the future, any resident of the community who wished to use the dump site should be allowed to do so insofar as all conditions stated in the contract were being complied with by the user.

Mr. Phillips of the Muni Quip Corporation, met with Council relative to the acquisition of a police radar unit to check traffic speeds. He stated the various advantages of this type of equipment over the Traffic Speed Timer now in use by the Village. The cost of this equipment to be \$999.85 of which the sum of \$200.00 could be paid down and that the balance could be extended over a period of ninety days. He further offered Council the privilege of using this equipment in the police department for a period of two weeks without obligation.

After some discussion of this offer Mr. Phillips was instructed to install the equipment in the police car and that same would be used on a trial basis only, for a two week period in accordance with his offer. At the end of this trial basis, Council would determine its final action relative to its purchase.

The Current bills were presented for approval:

Moved by Jordan and seconded by Kammeyer that the same be approved and that the Clerk be directed to draw proper warrants of the Village Treasurer in payment of same.

A special meeting of Council was held on the above date, Mayor John Reeb presiding with the following members present:

Jordan, McCalla, Mundy, Friend.

Absent: Kaymeyer and Langham.

Members of the Board of Public Affairs present:

Bickhard, Carr and Taylor: Clerk of the Board and Supt of the Plant
Richard Rhoad, present.

The Mayor stated the object of the meeting.

Joint discussion of the proposed water rate contract with the Weatherhead Company.

Mr. Bickard, President of the Board of Public Affairs, informed Council that in the opinion of the Water Board, that the removal of the 10" Water Meter, now installed in the main feeder line to the Weatherhead plant, was not necessary to raise the pressure in the Weatherhead Plant inasmuch as only 6 lbs of pressure was lost in the operation of this meter and that if it was removed, it could not be utilized for the installation in the Weatherhead Plant on the inside of the Fire Lines as had been previously agreed upon by Council, but that in the interest of co-operation the Board would sanction the removal of this meter, which the Board could not sell, due to a heavy loss financially but which would be retained for some possible future use.

The Board further informed Council that it would be necessary to install a 6" meter on the inside of the Weatherhead Plant in order to comply with the verbal agreements thereto, and that further, it would be necessary to purchase a new meter for this installation.

No agreements were reached as to who should purchase this 6" meter.

Other phases of the verbal agreements between the Weatherhead and Council relative to the Contract was discussed .

The Water Board thereupon presented further, other conditions and agreements which it deemed absolutely necessary to be inserted in the new Contract , in addition to the several agreements as previously discussed and verbally agreed upon between Council and Weatherhead Company.

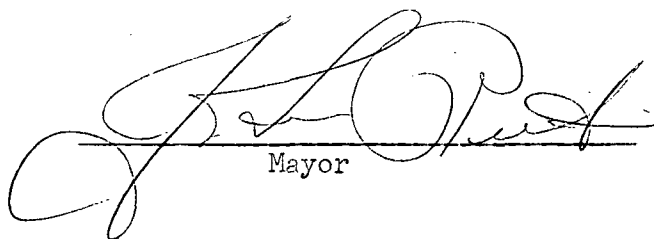

Whereupon, the Clerk of Council informed the Board that this Contract was in the process of being drawn up, in typewritten form, based on the agreements of the meeting previously held with representatives of the Weatherhead Company and that the proposals as presented by the Board at this meeting could not possibly appear in the written contract at the time it would be presented for approval. by Council.

Upon further discussion of this matter, it was agreed, that upon the receipt of this written contract by the Village Clerk, that he should immediately notify the members of Council and the members and Clerk of the Board of Public Affairs, at which time another joint meeting would be arranged relative to the further study and examination of same and if necessary, to rewrite the Contract to conform with the approval of all parties concerned.

~~Thereupon~~

There being no further business to come before the members of the joint meeting, it was moved by Friend and seconded by Mundy that the meeting be adjourned, pending notification by the Clerk of Council.

A regular meeting of the Council was held on the above date, Mayor John Reeb presiding with the following members of the Council present: Langham, Jordan, Friend, Kammeyer, McCalla and Mundy. All present.

Minutes of the previous meeting read and approved, on motion by Jordan and seconded by McCalla.

Complaints relative to the matter of Felix not permitting certain parties to dump trash on the dump site, leased from him for that purpose, were heard. The parties were told ~~that~~ their just rights in the matter of utilizing the dump site and were also instructed as to what it could not be used for. The Committee on Sanitary Affairs was instructed to contact Felix and to enlighten him as to the terms and agreements in the Dump Site lease contract now in existence between him and the Village and in the future to abide strictly with these agreements.

Mr. Edward McCreery met with Council relative to the washout of the sewer outlet in the rear of his property on West River Street Extended. He informed Council that it was in dire need of repair and that same should be taken care of immediately. He further stated that the repair of this outlet by the County Bridge Engineer some years past had not been satisfactory. Inasmuch as this repair project should be done by the County Engineer, Solicitor Harvey Hyman was instructed to start proceedings necessary to have the County Commissioners proceed with this project.

Earl Shuherk met with Council relative to an open sewer outlet in the rear of his business property on West River Street extended, and asked that some action be taken in the matter. Whereupon the Committee on Streets and Alleys was instructed to inspect this condition and to take whatever action it deemed necessary.

The matter of the purchase of the Radar Timer for the Police Department ~~xxxxxx~~ now installed in the police car on a trial basis was discussed. Council opinion that this purchase should not be made and the Clerk was instructed to notify the Muni Quip Corporation of this decision, and to instruct their representative to pick up the equipment at ~~their~~ the earliest possible time. The Clerk was further directed to pay the Muni Quip Corporation the sum of \$100.00 for the two week trial period as per the original agreement.

Solicitor Harvey Hyman was instructed to proceed with the changes requested by the Board of Public Affairs, and the Clerk was directed to notify the Board to meet with Council at a Special Joint meeting to be held on Monday April 17th at 8:00 o'clock, relative to the specific addendas ~~xxxxxx~~ required by the Board to the existing proposal.

The current bills were presented for approval:

A regular meeting of the Council was held on the above date Mayor John Reeb presiding, with the following members of the Council present:

Friend. McCalla, Langham. Kammeyer and Mundy:

Minutes of the previous meeting read. Moved by McCalla and seconded by Langham that the same stand approved: Motion carried.

A representative of the Paulding Natural Gas Co. met with Council and reported that a leak in the gas mains existed in front of the Mobley Barber Shop on West River Street, necessitating the removal of the existing sidewalk. Discussion of replacement was held: Whereupon it was agreed that the Central States Natural Gas Co. pay for one half the costs of repacing the sidewalk and that the Village would pay for the remaining one-half of this replacement. That, in the event it would be necessary to tear up the pavement in the alley running south from River Street to the Railroad Alley property, that the Central States Natural Gas Co. would be responsible for the entire cost of replacement of this alley. Replacement work of the entire project to be subject to the approval of Council.

The Carryall Township Trustees met with Council and reported that they had an option to purchase the property on the Northwest corner of the intersection of Cleveland and Daggett Streets. They stated that their purpose of meeting with Council was to ascertain if the Village was planning to proceed with the construction of a new building to house the Fire Equipment and if so, would exercise their option to purchase this property with the intent of the Village to construct such a building at this location. They further reported that in addition to making this property available for the construction of ~~xx Fire Equipment~~ of a building to house Fire Equipment, that the Township would also purchase a tanker to be added to the present fire fighting facilities, said tanker to be housed in the new proposed building. This location was ~~approved~~ approved by Council for the construction of such a building, and the Clerk was thereupon directed to ~~xxx~~ contact the Village Solicitor and instruct him to prepare the first step legislation necessary to proceed with this project, to present the proposition for the approval of the Voter at the next general election, and to have same ready for action by Council at the next regular meeting, June 12, 1961.
