AN ORDINANCE TO PROVIDE FOR THE ISSUANCE OF \$300,000 OF NOTES OF THE VILLAGE OF ANTWERP IN ANTICIPATION OF THE ISSUANCE OF BONDS FOR THE PURPOSE OF IMPROVING THE WATERWORKS SYSTEM OF THE VILLAGE BY CONSTRUCTING AND EQUIPPING A NEW FILTER BUILDING, IMPROVING THE SITE THEREOF AND IMPROVING THE EXISTING CISTERN PUMPHOUSE AND PIPING, ALL TOGETHER WITH THE NECESSARY APPURTENANCES THERETO, AND DECLARING AN EMERGENCY.

WHEREAS, pursuant to Ordinance No. 79-4, duly passed by this Council on February 5, 1979, a note in the principal amount of \$300,000 and dated March 23, 1979, was issued for the purpose hereinafter stated, which note was retired from a portion of the proceeds of a note in the principal amount of \$320,000 issued pursuant to Ordinance No. 80-12, duly passed by this Council on March 24, 1980, and dated April 17, 1980, which note was retired from the proceeds of a note in the principal amount of \$320,000 issued pursuant to Ordinance No. 81-7, duly passed by this Council on March 30, 1981; and

WHEREAS, Council has determined to issue a new note in the principal amount of \$300,000 to retire, together with other funds available to the Village, said outstanding note; and

WHEREAS, the Clerk-Treasurer, as fiscal officer, has certified to this Council that the estimated life for the improvement hereinafter described is at least five (5) years, that the maximum maturity of the bonds to be issued to pay costs thereof is thirty-nine (39) years, and that the maximum maturity of the notes to be issued in anticipation of such bonds is eight years from March 23, 1979, if sold publicly, or one (1) year if sold privately;

NOW THEREFORE, BE IT ORDAINED by the Council of the Village of Antwerp, Paulding County, State of Ohio:

Section 1. It is hereby declared necessary to issue bonds of the Village of Antwerp in the principal amount of \$300,000 for the purpose of improving the waterworks system of the Village by constructing and equipping a new filter building, improving the site thereof and improving the existing cistern, pumphouse and piping, all together with the necessary appurtenances thereto.

Section 2. Such bonds shall be dated approximately April 1, 1983; shall bear interest at the estimated rate of fourteen per centum (14%) per annum, payable semi-annually, until the principal sum is paid, and shall mature in thirty (30) substantially equal annual installments after their issuance.

Section 3. It is necessary to issue and this Council hereby determines that notes in the aggregate principal amount of \$300,000 shall be issued in anticipation of such bonds.

Section 4. Such anticipatory notes in the amount aforesaid shall be dated the date of issuance, shall mature one year from date and shall bear interest at the rate of ten per centum (10%) per annum, payable at maturity, and, in the event of default in the payment of the principal of such notes at maturity, at the rate of twelve per centum (12%) per annum from the said maturity until the principal sum is paid. Said notes shall be issued in such number and denomination as are requested by the purchaser.

Section 5. Such notes shall be executed by the Mayor and the Clerk-Treasurer and bear the seal of the corporation. They shall be payable in Federal Reserve funds of the United States of America at the office of The Antwerp Exchange Bank Company, Antwerp, Ohio, without deduction for its services as the Village's paying agent, and shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this ordinance.

Section 6. Subject to the rejection of such notes by the Clerk-Treasurer of the Village as officer in charge of the Bond Retirement Fund, such notes are hereby awarded and sold to McDonald & Company, Cleveland, Ohio, for not less than the par value thereof in accordance with the provisions of Section 4 of this ordinance; and the Clerk-Treasurer is hereby authorized and directed to deliver such notes, when executed, to such purchaser upon payment of such purchase price. The proceeds from the sale of such notes, except any premium and accrued interest,

Ordinance No. 82-9

Passed April 12 1982

shall be paid into the proper fund and used for the purpose for which such notes are being issued under the provisions of this ordinance. Any premium and accrued interest shall be paid into the Bond Retirement Fund to be applied to the payment of the principal and interest of such notes in the manner provided by law.

The Village hereby covenants that it will restrict the use of the proceeds of the notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of the delivery of and payment for such notes, so that the notes will not constitute arbitrage bonds under Section 103(c) of the Internal Revenue Code and the applicable income tax regulations under that Section. The fiscal officer or any other officer having responsibility for issuing the notes is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer, employee, or consultant of the Village, to give an appropriate certificate of the Village, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the Village regarding the amount and use of all such proceeds and the facts and estimates on which they are based, all as of the date of delivery and payment for such notes.

Section 7. Such notes shall be the full general obligations of this Village and the full faith, credit and revenue of this Village are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the bonds anticipated by such notes, and any excess funds resulting from the issuance of such notes, shall to the extent necessary be used only for the retirement of such notes at maturity, together with interest thereon, and are hereby pledged for such purpose.

Section 8. During the years while such notes run there shall be levied on all the taxable property in this Village, in addition to all other taxes, a direct tax annually not less than that which would have been levied if bonds had been issued without the prior issuance of such notes. Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of said years are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from said tax levies hereby required shall be placed in a separate and distinct fund, which, together with the interest collected on the same shall be irrevocably pledged for the payment of the principal and interest of such notes or the bonds in anticipation of which they are issued, when and as the same fall due; provided, however, that in each year to the extent that income from the waterworks system is available for the payment of interest on and principal of such notes or the bonds anticipated thereby and is appropriated for such purpose, the amount of such tax shall be reduced by the amount of such income so available and so appropriated.

Section 9. It is hereby determined that all acts, conditions and things required to be done precedent to and in the issuance of such notes, in order to make them legal, valid and binding obligations of this Village, have happened, been done and performed in regular and due form as required by law, and that no limitation of indebtedness or taxation, either statutory or constitutional, will have been exceeded in the issuance of such notes.

Section 10. The Clerk-Treasurer is hereby directed to forward a certified copy of this ordinance to the County Auditor.

Section 11. It is found and determined that all formal actions of this Council concerning and relating to the passage of this ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and of any of its committee that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Section 12. This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of this Village, and for the further reason that the proceeds of the notes provided for herein are urgently required to retire said outstanding note and thereby preserve the credit of the Village; wherefore this ordinance shall be in full force and effect from and immediately after its passage.

[illegible][illegible]

This bond is one of a duly authorized issue of Sanitary Sewerage System First Mortgage Revenue Bonds (herein sometimes called the "Bonds") dated as of the date of issuance, issued pursuant to the ordinance referred to above and secured by the Indenture of Mortgage described below and referred to therein as the "Revenue Bonds", aggregating in principal amount One Million Sixty-Nine Thousand Seven Hundred Dollars (\$1,699,700), and issued for the purpose of financing, constructing and extending the Sanitary Sewerage System Improvement Project, known as the "Project", in the City of Chicago, Illinois, referred to herein as "City" by constructing wastewater treatment facilities, pumping stations, force mains, and intercepting and collecting sewers, together with all necessary appurtenances, including the acquisition of any required real estate.

Bonds maturing on or after September 1, 1993, are subject to call for redemption in whole or in part in inverse numerical order on any interest payment date on or after September 1, 1992 at their par value plus accrued interest to the date fixed for redemption. The right of redemption shall be exercised by written notice, specifying by number the Bonds to be called, mailed by certified mail to the registered holder of the Bonds to be called (30 days prior to the date of the call) on which date all interest upon the Bonds so called shall cease except for those as to which default shall have occurred, upon presentation, in the payment of the redemption price.

The Bonds are issued pursuant to Section 12 of Article XVIII of the Constitution of the State of Ohio, the laws of said State, and Ordinance No. 82-27, duly passed by the Council of the Village of Antwerp on September 2, 1982, (hereinafter sometimes called the "Ordinance") and pursuant to an indenture

The bonds are negotiable instruments, but do not constitute general obligations of the Municipality, and the general credit and taxing power of the Municipality are not pledged for the payment thereof, or any part thereof or interest thereon, but the bonds and additional bonds issued under the Ordinance and Indenture of Mortgage are payable as to both principal and interest only from the revenues and properties of the Utility, after provision only for the reasonable operating and maintenance expenses thereof.

The Bonds, together with such additional bonds as may be issued on parity therewith under the Ordinance and Ledenture of Mortgage, are and are to be secured only, but equally and ratably without priority one over another in revenue of number or of date of bond, sale, execution or delivery, by the United States Mortgage, Ordinance, and Ledenture of Mortgage, and the United States Mortgage, Ordinance, and Ledenture of Mortgage, in a plan directly connected with the operation of the Utility, and creating a pledge of the revenue of the Utility after provision only for the reasonable operating and maintenance expenses thereof; and the Bonds are, in like manner, further secured by a franchising the terms upon which, in case of foreclosure, the purchaser may operate the Utility for a period of thirty (30) years after the date of the United States Mortgage, Ordinance, and Ledenture of Mortgage.

Reference is hereby made to the indenture of Mortgage for a more complete description of the mortgaged properties, the nature and extent of the security, the rights of the holders of the Bonds and of the Municipality with respect to such security, and the terms and conditions upon which the Bonds are issued and secured.

To the extent and in the manner permitted by the terms of the Ordinance, any covenant, condition or provision of the Indenture of Mortgage, any supplement thereto may be modified or amended, without necessity of notation hereon of reference thereto, by the Municipality by ordinance of its Council and with the written consent of the holders of not less than 75% of the principal amount of outstanding bonds thereby secured, including any bonds held or owned by the Municipality, but no such action shall result in changing the redemption provisions or interest and principal maturity dates or reducing the principal amount or interest rate on any bond without the consent of the holder.

If an event of default, as defined in the Indenture of Mortgage shall occur, the principal of this bond and all other bonds secured by the Indenture of Mortgage then issued and outstanding may be declared to become due and payable in the manner and with the effect provided by the Indenture of Mortgage, but subject to waiver of such default as provided in the Indenture of Mortgage.

The holder of this Bond shall not be entitled to institute any suit or proceeding at law or in equity to enforce any rights or remedies granted by the Indenture of Mortgage except to the extent and in the manner provided therein.

No provision of this Bond or of the Indenture of Mortgage and supplemental bonds to the Indenture of Mortgage or the Ordinance shall have the effect of incorporating in the terms of this Bond any provision which would alter or impair the obligation of the Municipality, which is absolute and unconditional, to pay, from the funds available for the purpose, the principal interest on this Bond at the time and place and in the coin and currency provided herein or affect the right of the holder of this Bond to enforce payment thereof from such funds at and after the date of maturity of this Bond.

This registered Bond may be exchanged at holder's expense for copies of authorized denominations bearing interest at the same rate, maturing on the same date, in the form as provided in the Ordinance. Said exchange shall occur within ninety (90) days after the request and upon surrender of this Bond which shall be cancelled by the Clerk-Treasurer.

Said Municipality, acting through its Council, covenants that it will fix and revise such rates and charges for the service and facilities of its sanitary sewerage system and collect and account for income and revenue therefrom sufficient to pay promptly all expenses incident to the operation of said system, principal of and interest on the bonds, to provide for depreciation and a Sinking Fund, and for the payment of any taxes or assessments on revenue therefrom.

This Bond shall be registered in the name of the holder in accordance with the Ordinance after which it shall be transferable only upon presentation to the Bond Registrar with a written transfer duly acknowledged by the registered holder or such holder's attorney. Such transfer shall be noted hereon and upon the books of the Municipality kept for that purpose. No charge shall be made for registration and transfer.

It is hereby certified and recited that all acts, conditions things necessary to be done precedent to and in the issuing of the Bonds order to make these legal, valid and binding special obligations of the Municipality in accordance with their terms, and in authorizing the execution delivery of the indenture of Mortgage, have happened, been done and performed in regular and due form as required by law; that the Municipality has received payment in full for the Bonds; and that no legislative enactment or action, either statutory or constitutional, has been enacted in issuing Bonds.

IN WITNESS WHEREOF, the Council of the Village of Antwerp, in County of Paulding and State of Ohio, has caused this Bond to be signed in name of the Municipality by the Mayor and Clerk-Treasurer and the corporate seal to be hereto affixed as of the first day of September.

Section C: This franchise shall be held to apply to and give the right to own and operate all the properties, property rights and interests thereto owned or operated by the Municipality as or in connection with said Utility, with all extensions, betterments, replacements and new equipment which have been made or added thereto by said Municipality prior to the taking effect of this franchise, together with the extensions and betterments and equipment which may thereafter be made from time to time by the grantee during the life of this franchise.

Section D: The Grantee, in the maintenance, repair or extension of said Utility, shall not unnecessarily interrupt or obstruct the use of any street, lane, alley or public thoroughfare, and in connection with any such work shall obtain such permits and approvals as may be required by the ordinances of the Municipality.

When any streets, alleys or public grounds are entered upon, or facilities removed therefrom, the grantee shall restore the same to their original condition and shall clear all such places of dirt, obstruction and anything that might constitute a nuisance, or prevent such street, alley or public ground from being open and in repair. Such restoration to original condition shall be made by the grantee under the supervision and control of the appropriate officer of the Municipality, who shall determine what part, if any, of such work, shall be done by the Municipality and charged to the grantee. Upon the doing of such work, the Municipality shall furnish the grantee with itemized bills of the cost thereof, which bills shall be paid by the grantee within ten (10) days after the receipt thereof.

Section E: The grantee shall at all times be subject to the regulations imposed by the laws of the State of Ohio and such general reasonable regulatory ordinances of the Municipality as may exist at the effective date of this franchise or thereafter be adopted, including the continuing right of said Municipality's Council to require such reconstruction, relocation, change or discontinuance of the appliances used by said Utility in the streets, alleys, avenues and highways of the Municipality, as shall in the opinion of Council be necessary in the public interest. In construction, maintenance or repair of its properties, the grantee shall comply with all regulations existing or that may thereafter be made by the Municipality applicable to said grantee, and the grantee shall be liable for damages that may arise by reason of its failure or neglect to comply with such regulations and shall save the Municipality harmless from any and all claims for damages by reason of such failure or neglect.

Section F: For a period of ten years after the taking effect of this franchise the grantee may charge for supplying the service of said Utility to the Municipality and inhabitants thereof rates equivalent to the highest schedule of rates in effect under the Municipality's operation of said Utility during the period from the granting of this franchise to the effective date of this franchise, increased by ten percent.

The payments to be made by said Municipality to said grantee for services or products of the Utility to be furnished to said Municipality shall be paid to the grantee semi-annually on or before the tenth days of June and December in each year during the term of this contract; and in order to provide means for the payment of all amounts to be paid by said Municipality under this contract, the grantee shall cause to be levied on all taxable property within the limits of the Municipality, an annual tax or taxes, to be levied and collected by the grantee, the said Municipality in its annual budget and taxation and appropriation ordinances each year during the term of this contract, obligate itself to include and levy a sufficient sum on all the taxable property in said Municipality to pay for such services or products, the proceeds of which levy shall be placed in a separate fund and which taxes, when collected, shall be held in trust for that purpose.

Section G: In the event that the above rates (which are minimum rates - not maximum rates) shall prove insufficient to provide revenues yielding, after meeting operating and maintenance charges, an amount consistent with sound management and commensurate with the services required by the Municipality, an annual return of approximately six percent on the reasonable value of the Utility, including a reasonable allowance for depreciation, plus the cost of betterments, improvements and amortization thereon, as may have been required or approved by the Municipality, the Municipality, by appropriate ordinances, shall raise such rates, or approve and authorize action of the grantee raising such rates, sufficiently to produce such return in the event the rates proposed by any applicable law, but the duty of the Municipality to raise, or to approve and authorize the grantee to raise, such rates shall arise forthwith upon the request of the grantee, any law to the contrary notwithstanding. In the event such action by the Municipality is not taken, a complaint may be filed with the Public Utilities Commission of Ohio or its successors in office and proceedings had before said Commission as provided in Sections 4909.34 to 4909.37, inclusive, of the Revised Code of Ohio. The grantee's right to complain to said Commission shall be cumulative to its right to enforce the performance of the above imposed duty on the Municipality under the provisions of Section 2731.01 et seq., of the Revised Code of Ohio.

Section H: For the second ten-year period of this franchise, the rates to be charged by said grantee shall be fixed by the Council of said Municipality by and with the consent of the grantee or in the event of the inability of the Municipality and grantee to agree, shall be such as may be fixed or determined in accordance with the provisions of the Revised Code of Ohio, including Section 4909.16 to 4909.19 thereof, but, in any event, the rates shall be such as to produce to the grantee the same return as provided in Section G hereof.

Section I: The grantee shall keep all records and accounts of the Utility in such form as shall be prescribed by the Public Utilities Commission of Ohio, subject always to the right of Council of the Municipality to require more detailed forms and to exact more comprehensive statements than may be prescribed by said Commission. The Municipality shall at all times have access to and opportunity for inspecting all properties of the Utility and auditing, examining and keeping copies of all records and accounts in any way pertaining to the ownership or operating of the Utility, together with the right to require of the grantee at any time detailed reports.

Section 16. That the provisions of this Ordinance are subject to the laws of the State of Ohio and to the present and future regulations of the F&M so long as it is holder of any of the Revenue Bonds not inconsistent with the express provisions hereof.

Section 17. That said Revenue Bonds are hereby assigned and sold to the United States of America, Department of Agriculture, Farmers Home Administration, on the terms provided for herein and the Mayor and Clerk-Treasurer are hereby authorized and directed to deliver such bonds and to take all actions necessary in connection therewith.

Section 18. The Municipality hereby covenants that it will restrict the use of the proceeds of the Revenue Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of delivery of and payment for the Revenue Bonds, so that the Revenue Bonds will not constitute arbitrage bonds under Section 103(c) of the Internal Revenue Code and the applicable income tax regulations under that Section. The Clerk-Treasurer or any other officer having responsibility for issuing the Revenue Bonds is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer, employee, or consultant of the Municipality, to give an appropriate certificate of the Municipality, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the Municipality regarding the amount and use of all such proceeds and the facts and estimates on which they are based, all as of the date of delivery and payment for the Revenue Bonds.

Section 19. That all ordinances, resolutions and orders or parts thereof in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed, and each section of this Ordinance and each subdivision or any section thereof is hereby declared to be independent and the fixing or holding of any section or subdivision thereto to be invalid or void shall not be deemed or held to affect the validity of any other section or subdivision of this Ordinance.

Section 20. That as long as the F&M is holder of any Revenue Bonds issued pursuant to this Ordinance, this Ordinance will be subject to the extent permitted by and not in conflict with the Constitution and laws of the State of Ohio, to the Loan Agreement between the Municipality and the F&M.

Section 21. That it is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of this Council and that all deliberations of this Council and of any of its committees on or after November 28, 1975, that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

Section 22. That this Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the Municipality and for the further reason that the immediate issuance and sale of the Revenue Bonds herein authorized is necessary to enable the Municipality to retire its existing indebtedness and thereby to protect its credit; for which reason and other reasons manifest to this Council this Ordinance shall be in full force and effect from and immediately after its passage.

Ordinance No. 83-8

Passed March 14 19 83

AN ORDINANCE PROVIDING PROHIBITION AGAINST DRIVING WHILE UNDER THE INFLUENCE OF ALCOHOL, OR DRUGS, OR WITH CERTAIN CONCENTRATION OF ALCOHOL IN BODILY SUBSTANCES: CHEMICAL ANALYSIS, AND DECLARING THE SAME TO BE AN EMERGENCY.

Be it ordained by the Council of the Village of Antwerp, Ohio that:

(A) No person shall operate any vehicle, streetcar or trackless trolley within the Village of Antwerp if any of the following apply:

- (1) The person is under the influence of alcohol or any drug abuse, or the combined influence of alcohol and any drug of abuse;
- (2) The person has a concentration of ten-hundredths of one percent or more by weight of alcohol in his blood;
- (3) The person has a concentration of ten-hundredths of one gram or more by weight of alcohol per two hundred ten liters of his breath;
- (4) The person has a concentration of fourteen-hundredths of one gram or more by weight of alcohol per one-hundred milliliters of his urine.

(B) In any criminal prosecution for a violation of this section or of an Ordinance of any municipal corporation relating to operating a motor vehicle while under the influence of alcohol, the court may admit evidence on the concentration of alcohol in the defendant's blood, breath, or urine at the time of the alleged violation as shown by chemical analysis of the defendant's blood, urine, breath, or other bodily substance withdrawn within two hours of the time of such alleged violation.

When a person submits to a blood test at the request of a police officer under section 4511.191 (4511.19.1) of the Revised Code, only a physician, or a registered nurse, or a qualified technician or chemist shall withdraw blood for the purpose of determining its alcoholic content. This limitation does not apply to the taking of breath or urine specimens. A physician, a registered nurse, or a qualified technician or chemist may refuse to withdraw blood for the purpose of determining the alcohol content of the blood, if in his opinion the physical welfare of the person would be endangered by the withdrawing of blood.

Such bodily substance shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director of health pursuant to section 3701.143 (3701.14.3) of the revised Code.

If there was at the time bodily substance was withdrawn a concentration of less than ten-hundredths of one per cent by weight of alcohol in the defendant's blood, less than ten-hundredths of one gram by weight of alcohol per two hundred ten liters of his breath, or less than fourteen-hundredths of one gram by weight of alcohol per one hundred milliliters of his urine, such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant.

Upon the request of the person who was tested, the results of such test shall be made available to him, his attorney, or agent, immediately upon the completion of the test analysis.

The person tested may have a physician, a registered nurse, or a qualified technician or chemist of his own choosing administer a chemical test or tests in addition to any administered at the direction of a police officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a police officer.

Ordinance No. 83-8Passed March 14 19 83

Any physician, registered nurse, or qualified technician or chemist who withdraws blood from a person pursuant to this section, and any hospital, first aid station, or clinic at which blood is withdrawn from a person pursuant to Ohio Revised Code § 4511.19 is immune from criminal liability, and from civil liability that is based upon a claim of assault and battery or based upon any other claim that is not in the nature of a claim of malpractice, for any act performed in withdrawing blood from the person.

WHEREAS, Section 73.01 of Ordinance Nos. 79-9, 81-21, 82-30, 80-33 are hereby repealed.

This Ordinance is hereby declared to be an emergency measure for the preservation of the health, peace and safety of the residents of the Village of Antwerp, Ohio and further, due to the fact that the State of Ohio's Driving While Intoxicated Legislation becomes effective on the 16th of March, 1983 and the Village Ordinances are presently inconsistent with the same and shall become effective immediately upon passage.

WHEREAS, Council has determined to issue a new note in the principal amount of \$300,000 to retire said outstanding note, which note, in turn, shall be retired, along with other funds of the Village appropriated therefor, by mortgage revenue bonds to be purchased by the United States of America, Department of Agriculture, Farmers Home administration; and

WHEREAS, the Clerk-Treasurer, as fiscal officer, has certified to this Council that the estimated life for the improvement hereinafter described is at least five (5) years, that the maximum maturity of the bonds to be issued to pay costs thereof is thirty-nine (39) years, and that the maximum maturity of the notes to be issued in anticipation of such bonds is ten (10) years from March 23, 1979, if sold publicly, or one (1) year if sold privately;

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Antwerp, Paulding County, State of Ohio:

Section 1. It is hereby declared necessary to issue bonds of the Village of Antwerp in the principal amount of \$300,000 for the purpose of improving the waterworks system of the Village by constructing and equipping a new filter building, improving the site thereof and improving the existing cistern, pump-house and piping, all together with the necessary appurtenances thereto.

Section 2. Such bonds shall be dated approximately April 1, 1984, shall bear interest at the estimated rate of ten per centum (10%) per annum, payable semi-annually, until the principal sum is paid, and shall mature in thirty (30) substantially equal annual installments after their issuance.

Section 3. It is necessary to issue and this Council hereby determines that notes in the aggregate principal amount of \$300,000 shall be issued in anticipation of such bonds.

Section 4. Such anticipatory notes in the amount aforesaid shall be dated the date of issuance, shall mature on October 28, 1983, subject to call for redemption in whole by the Village at any time, and shall bear interest at the rate of eight per centum (8%) per annum, payable at maturity, and, in the event of default in the payment of the principal of such notes at maturity, at the rate of ten per centum (10%) per annum from the said maturity until the principal sum is paid. Said notes shall be issued as one note in the principal amount of \$300,000.

Section 5. Such notes shall be executed by the Mayor and the Clerk-Treasurer and bear the seal of the corporation. They shall be payable in Federal Reserve funds of the United States of America at the office of The Antwerp Exchange Bank Company, Antwerp, Ohio, without deduction for its services as the Village's paying agent, and shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this ordinance.

Ordinance No. 83-11

Passed April 23 1983

Section 6. Subject to the rejection of such notes by the Clerk-Treasurer of the Village as officer in charge of the Bond Retirement Fund, such notes are hereby awarded and sold to The Antwerp Exchange Bank Company, Antwerp, Ohio, for not less than the par value thereof in accordance with the provisions of Section 4 of this ordinance; and the Clerk-Treasurer is hereby authorized and directed to deliver such notes, when executed, to such purchaser upon payment of such purchase price. The proceeds from the sale of such notes, except any premium and accrued interest, shall be paid into the proper fund and used for the purpose for which such notes are being issued under the provisions of this ordinance. Any premium and accrued interest shall be paid into the Bond Retirement Fund to be applied to the payment of the principal and interest of such notes in the manner provided by law.

The Village hereby covenants that it will restrict the use of the proceeds of the notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of the delivery of and payment for such notes, so that the notes will not constitute arbitrage bonds under Section 103(c) of the Internal Revenue Code and the applicable income tax regulations under that Section. The fiscal officer or any other officer having responsibility for issuing the notes is authorized and directed, alone or in conjunction with any of the foregoing or with any other officer, employee, or consultant of the Village, to give an appropriate certificate of the Village, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the Village regarding the amount and use of all such proceeds and the facts and estimates on which they are based, all as of the date of delivery and payment for such notes.

Section 7. Such notes shall be the full general obligations of this Village and the full faith, credit and revenue of this Village are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the bonds anticipated by such notes, and any excess funds resulting from the issuance of such notes, shall to the extent necessary be used only for the retirement of such notes at maturity, together with interest thereon, and are hereby pledged for such purpose.

Section 8. During the years while such notes run there shall be levied on all the taxable property in this Village, in addition to all other taxes, a direct tax annually not less than that which would have been levied if bonds had been issued without the prior issuance of such notes. Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of said years are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from said tax levies hereby required shall be placed in a separate and distinct fund, which, together with the interest collected on the same shall be irrevocably pledged for the payment of the principal and interest of such notes or the bonds in anticipation of which they are issued, when and as the same fall due; provided, however, that in each year to the extent that income from the waterworks system is available for the payment of interest on and principal of such notes or the bonds anticipated thereby and is appropriated for such purpose, the amount of such tax shall be reduced by the amount of such income so available and so appropriated.

Section 9. It is hereby determined that all acts, conditions and things required to be done precedent to and in the issuance of such notes, in order to make them legal, valid and binding obligations of this Village, have happened, been done and performed in regular and due form as required by law, and that no limitation of indebtedness or taxation, either statutory or constitutional, will have been exceeded in the issuance of such notes.

Section 10. The Clerk-Treasurer is hereby directed to forward a certified copy of this ordinance to the County Auditor.

Section 11. It is found and determined that all formal actions of this Council concerning and relating to the passage of this ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Ordinance No. 83-11 Passed April 23 1983

Section 12. This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of this Village, and for the further reason that the proceeds of the notes provided for herein are urgently required to retire said outstanding note and thereby preserve the credit of the Village; wherefore this ordinance shall be in full force and effect from and immediately after its passage.

ORDINANCE NUMBER 85-7 AN ORDINANCE ESTABLISHING FLOOD ZONES FOR THE VILLAGE OF ANTWERP, OHIO

SPECIAL PURPOSE

FLOOD DAMAGE PREVENTION ORDINANCE

SECTION 1.0

STATUTORY AUTHORIZATION, FINDINGS OF FACT, PURPOSE AND OBJECTIVES

1.1 STATUTORY AUTHORIZATION

ARTICLE XVIII, SECTION 3, OF THE OHIO CONSTITUTION GRANTS MUNICIPALITIES THE LEGAL AUTHORITY TO ADOPT LAND USE AND CONTROL MEASURES FOR PROMOTING THE PUBLIC HEALTH, SAFETY, AND GENERAL WELFARE OF ITS CITIZENS. THEREFORE, THE COUNCIL OF THE VILLAGE OF ANTWERP, STATE OF OHIO, DOES ORDAIN AS FOLLOWS:

1.2 FINDINGS OF FACT

(1) THE FLOOD HAZARD AREAS OF THE VILLAGE OF ANTWERP, OHIO ARE SUBJECT TO PERIODIC INUNDATION WHICH MAY RESULT IN LOSS OF LIFE AND PROPERTY, HEALTH AND SAFETY HAZARDS, DISRUPTION OF COMMERCE AND GOVERNMENTAL SERVICES, EXTRAORDINARY PUBLIC EXPENDITURES FOR FLOOD PROTECTION AND RELIEF, AND IMPAIRMENT OF THE TAX BASE, ALL OF WHICH ADVERSELY AFFECT THE PUBLIC HEALTH, SAFETY, AND GENERAL WELFARE.

(2) THESE FLOOD LOSSES ARE CAUSED BY THE CUMULATIVE EFFECT OF OBSTRUCTIONS IN AREAS OF SPECIAL FLOOD HAZARDS WHICH INCREASE FLOOD HEIGHTS AND VELOCITIES, AND WHEN INADEQUATELY ANCHORED, DAMAGE USES IN OTHER AREAS. USES THAT ARE INADEQUATELY FLOODPROOFED, ELEVATED OR OTHERWISE PROTECTED FROM FLOOD DAMAGE ALSO CONTRIBUTE TO THE FLOOD LOSS.

1.3 STATEMENT OF PURPOSE

IT IS THE PURPOSE OF THIS ORDINANCE TO PROMOTE THE PUBLIC HEALTH, SAFETY AND GENERAL WELFARE, AND TO MINIMIZE PUBLIC AND PRIVATE LOSSES DUE TO FLOOD CONDITIONS IN SPECIFIC AREAS BY PROVISIONS DESIGNED TO:

- (1) PROTECT HUMAN LIFE AND HEALTH;
- (2) MINIMIZE EXPENDITURE OF PUBLIC MONEY FOR COSTLY FLOOD CONTROL PROJECTS;
- (3) MINIMIZE THE NEED FOR RESCUE AND RELIEF EFFORTS ASSOCIATED WITH FLOODING AND GENERALLY UNDERTAKEN AT THE EXPENSE OF THE GENERAL PUBLIC;
- (4) MINIMIZE PROLONGED BUSINESS INTERRUPTIONS;
- (5) MINIMIZE DAMAGE TO PUBLIC FACILITIES AND UTILITIES SUCH AS WATER AND GAS MAINS, ELECTRIC, TELEPHONE AND SEWER LINES, STREETS AND BRIDGES LOCATED IN AREAS OF SPECIAL FLOOD HAZARDS;
- (6) HELP MAINTAIN A STABLE TAX BASE BY PROVIDING FOR THE PROPER USE AND DEVELOPMENT OF AREAS OF SPECIAL

RECORD OF ORDINANCES

FLOOD HAZARD SO AS TO MINIMIZE FUTURE FLOOD BLIGHT AREAS;

(7) ENSURE THAT POTENTIAL BUYERS ARE AWARE THAT PROPERTY IS IN AN AREA OF SPECIAL FLOOD HAZARD; AND,

(8) ENSURE THAT THOSE WHO OCCUPY THE AREAS OF SPECIAL FLOOD HAZARD ASSUME RESPONSIBILITY FOR THEIR ACTIONS.

1.4 METHODS OF REDUCING FLOOD LOSSES

IN ORDER TO ACCOMPLISH ITS PURPOSES, THIS ORDINANCE INCLUDES METHODS AND PROVISIONS FOR:

(1) RESTRICTING OR PROHIBITING USES WHICH ARE DANGEROUS TO HEALTH, SAFETY, AND PROPERTY DUE TO WATER OR EROSION HAZARDS, OR WHICH RESULT IN DAMAGING INCREASES IN EROSION OR IN FLOOD HEIGHTS OR VELOCITIES;

(2) REQUIRING THAT USES VULNERABLE TO FLOODS, INCLUDING FACILITIES, WHICH SERVE SUCH USES, BE PROTECTED AGAINST FLOOD DAMAGE AT THE TIME OF INITIAL CONSTRUCTION;

(3) CONTROLLING THE ALTERATION OF NATURAL FLOOD PLAINS, STREAM CHANNELS, AND NATURAL PROTECTIVE BARRIERS, WHICH HELP ACCOMMODATE OR CHANNEL FLOOD WATERS;

(4) CONTROLLING FILLING, GRADING, DREDGING, AND OTHER DEVELOPMENT WHICH MAY INCREASE FLOOD DAMAGE; AND,

(5) PREVENTING OR REGULATING THE CONSTRUCTION OF FLOOD BARRIERS WHICH WILL UNNATURALLY DIVERT WATERS OR WHICH MAY INCREASE FLOOD HAZARDS IN OTHER AREAS.
