ORDINANCE 89-25

AN ORDINANCE ESTABLISHING AN URBAN RENEWAL AND DEVELOPMENT PLAN FOR THE VILLAGE OF ANTWERP

WHEREAS, the Village Council has previously established Community Reinvestment Areas to-wit: Including but not limited to Community Investment Area Number 1 and 2, and the Council now finds it appropriate to establish an Urban Development and Renewal Plan for the further purpose of facilitating Community Reinvestment, and further finds that such plan should conform to the zoning and other ordinances of the Village, the Council having set therein maximum densities and building requirements. Reinvestment Areas Number 1 and 2 provide for rehabilitation of said designated areas and to take into consideration the installation of certain facilities and other improvements. Council of the Village of Antwerp finds that it would be in the be in the best interest of the Village to establish an Urban Renewal and Development Plan for the Community Reinvestment Areas Number 1 and 2. Council has previously given areas tax abatement. At present time due to private development of the under-developed area, the Village further finds it unnecessary to issue bonds therefore.

IT IS THEREFORE ORDAINED by the Council of the Village of Antwerp

That Community Reinvestment Areas Number 1 and 2 are hereby established as Urban Renewal Areas subject to the Urban Renewal and Development Plan and the Council hereby adopts Ordinance No. 76-16 and No. 89-3 & 4 as the Urban Renewal and Development Plan.

This Ordinance is hereby declared to be an emergency measure necessary for the preservation of the health and safety of the Antwerp residents since construction is already in progress and the Village is in need of an emergency outlet to State Route 49 and therefore this ordinance shall become effective at the earliest possible time provided by law.

	ORDINANCE 90-1 AN ORDINANCE ESTABLISHING AN URBAN RENEWAL AND DEVELOPMENT PLAN FOR THE VILLAGE CF ANIWERP	
	WHEREAS, the Village Council has previously established Community Reinvestment Areas to-wit: Including but not limited to Community Invest- ment Area Number 1 and 3, and "Revised Community Reinvestment Area Number One", and the Council now finds it appropriate to establish an Urban Development and Renewal Plan for the further purpose of facilitating Community Reinvestment, and further finds that such plan should conform to the zoning and other ordinances of Village, the Council having set therein maximum densities and building requirements. Reinvestment Areas Number 1 and 3 and "Revised Community Reinvestment Area Number One" provide for rehabilitation of said designated areas and take into consideration the installation of certain facilities and other improvements. Council of the Village finds that it would be in the best interest of the Village to establish an Urban Renewal and Development Plan for Community Reinvestment Areas Number 1, 3 and "Revised Community Reinvestment Area Number One". Council has previously given areas tax abatement. At the present time due to private development of the under-developed area, the Village further finds it unnecessary to issue bonds therefor.	
	IT IS THEREFORE ORDAINED by the Council of the Village of Antwerp: SECTION I: That Community Reinvestment Areas Number 1, 3 and "Revised Community Reinvestment Area Number One" are hereby established as Urban Renewal Areas subject to the Urban Renewals and Development Plan and the Council hereby adopts Resolution Numbers and Ordinance Numbers as the Urban Renewal and Development Plan. SECTION II: This ordinance is hereby declared to be an emergency measure necessary for the preservation of the health and safety of the Antwerp residents, since construction is already in progress and the Village is in need of an emergency outlet to State Route 49 and therefore this ordinance shall become effective at the earliest possible time provided by law.

	WHEREAS, pursuant to Ordinance No. 89-2 passed January 19, 1989, a note in anticipation of bonds in the amount of \$ 65,000, dated January 23, 1989, was issued for the purpose stated in Section 1; and	
	WHEREAS, this Council finds and determines that the Village should retire the outstanding note with the proceeds of the Notes described in Section 3 and other funds available to the Village; and

	NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Antwerp, Paulding County, Ohio, that:	
	Section 1. It is necessary to issue bonds of this Village in the aggregate principal amount of \$48,100 (the Bonds) for the purpose of paying a portion of the costs of acquiring a fire truck together with all appurtenant apparatus.	
	Section 2. The Bonds shall be dated approximately January 1, 1991, shall bear interest at the now estimated rate of 8.0% per year, payable semi- annually until the principal amount is paid, and are estimated to mature in 10 annual principal installments that are substantially equal.

Ordinance No.

Dayton Legal Blank Co.

The village covenants that it (a) will take or cause to be taken such actions that may be required of it for the interest on the notes to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or authorize to be taken any actions that would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the notes to the governmental purpose of the borrowing, (ii) restrict the yiesl on investment property acquired with those proceeds, (iii) make timely rebate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain users of those proceeds, all in such a manner and to the extent necessary to assure such exclusion of that interest under the code. The Clerk-Treasurer and other appropriate officers are authorized and directed to take any and all actions, make calculations and rebate payments, and make or give reports and certifications, as may be appropriate to assure such exclusion of that interest.

The Village hereby represents that the notes dated January 23, 1990 (The Refunded Obligations) are treated as "qualified tax-exempt Obligations" pursuant to section 265(b)(3 of the code. The village hereby covenants that it will redeem the Refunded Obligations from proceeds of, and within 90 days after issuance of, the notes, and represents that all other conditions are met for treating the notes as "qualified tax-exempt obligations" and as not to be taken into account under subparagraph (D) of Section 265(b)(3) of the code, without necessity for further designation, by reason of subparagraph (D)(ii) of Section 265(b)(3) of the code. Further, the village represents and covenants that, during any time or in any manner as might affect the treatment of the notes as "qualified tax-exempt obligations" it has not formed or participated in the formation of, or benefited from or availed itself of, any entity in order to avoid the purposes of subparagraph (C) or (D) of section265(b)(3) of the code, and will not form, participate in the formation of, or benefit from or avail itself of, any such entity. The village further represents that the notes are not being issued as part of a direct or indirect composite issue that combines issues or lots of tax-exempt obligations of different issuers.

Section 11. The Clerk-Treasurer is directed to deliver a certified copy of this ordinance to the County Auditor.

Section 12. This Council determines that all acts and conditions necessary to be done or preformed by the village or to have been met precedent to and in the issuing of the notes in order to make them legal, valid and binding general obligations of the village have been performed and have been met, or will at the time of delivery of the notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the village are pledged for the timely payment of the debt charges on the notes; and that no statutory or constitutional limitation or indebtedness or taxation will have been exceeded in the issuance of the notes.

Section 13. This council finds and determines that all formal actions of this council concerning and relating to the passage of this ordinance were taken in an open meeting of this council and that all deliberations of this council and of any committees that resulted in those formal actions of this council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

Section 14. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the village, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the notes, which is necessary to provide funds necessary to retire the village's outstanding indebtedness and thereby preserve its credit; wherefore, this ordinance shall be in full force and effect immediately upon its passage.

memorialized in the form of a memorandum which generally describes the nature of the arrangement for gas service. Said special arrangement may be of the type contemplated by \$4905.31 of the Revised Code, but shall be implemented pursuant to and governed by this Ordinance.

#### SECTION 2: MINIMUM BILLS AND VOLUMETRIC CHARGES FOR TRANSPORTA-TION SERVICES

To the extent Gas Company and the consumer or group consumers so agree, the special arrangements contemplated bу Section 1 of this Ordinance may include a minimum bill or charge sufficient to provide compensation for the relevant fixed costs and a volumetric or throughput charge which shall not exceed the non gas cost-related expenses of Gas Company associated with sales service to customers receiving service under substantially the same circumstances and conditions and shall not be less than the short run variable operating and maintenance expense unique to the service plus some contribution to Gas Company's fixed costs. Costs for purposes of this Ordinance shall be identified and determined in accordance with generally acceptable accounting procedures and the applicable sections of the Uniform System of Accounts adopted by the PUCO for utilities within the same class as Gas Company. Rates and charges specified in such special arrangements shall recognize the extent to which, if any, the customer has advanced funds, owns facilities or has otherwise paid for plant equipment or facilities utilized, in whole or part, to provide utility service or services to the customer. Nothing in this Section 2 of this Ordinance shall preclude Gas Company and a consumer or group of consumers from entering into any other type of special arrangement which the parties determine to be mutually advantageous or beneficial.

#### SECTION 3: EFFECTIVE DATE AND INCORPORATION BY REFERENCE

To the extent Gas Company and a consumer or group of consumers enter into a special arrangement contemplated by this Ordinance, such special arrangement shall be effective when executed or at such time as the parties otherwise agree, provided the memorandum generally describing the special arrangement is filed with the Clerk of Council within thirty (30) days of such effective date.
